

Theatres Offer Choice Between Music, Action

A pair of westerns opens the week at the two theatres in Morehead City. Oklahoma, starring Gordon McRae and Shirley Jones, represents the lighter, musical side of the old west. It will run at the Morehead Sunday through Wednesday.

Rodgers and Hammerstein's musical classic, Oklahoma, which has been thrilling the world for nearly 14 years, is rated as a "must" for all movie goers. The songs in this fascinating musical production are as fresh and luring today as they were in 1953 on Broadway.

Gun for a Coward stars Fred MacMurray and Jeffrey Hunter in an action-packed thriller which runs Sunday through Tuesday at the City. Istanbul completes the bill of fare for the week at the Morehead, while the City will feature Fats Domino in Shake, Rat-

le, and Rock Wednesday through Friday and a double feature program on Saturday.

Action packed though it is, Gun for a Coward presents characters which are by no means the stock figures of frontier drama. Each of these characters emerges as a genuine human being.

Istanbul marks a new milestone in the fabulous career of Errol Flynn, returning him to American films after an absence of more than four years and presenting him in a tender, romantic portrayal as compared to his trademarked past appearances as the screen's number one swash-buckler.

There's plenty of action stuff for the incomparable Errol in "Istanbul," of course, but it is in the romance department, sharing honors with Miss Cornell Borchers, that he scores his most impressive showing.

Cheerleaders Appear With New Pom-Poms

By JUDY SLAUGHTER

If everybody! Yes, here we are again this week with a lot more news from NHS. Last week everyone was so busy with exams I didn't get a chance to interview a Mr. and Miss Senior, but I made up for it this week by interviewing Betsy Carroll Garner, and Gilbert Giles Garner.

Next week, as the result of many suggestions, we will have last year's seniors and what they are now doing. So watch for this, because it might be very interesting.

paper, and added them to our picture. They were very pretty when we finished.

"A Short Meeting"—By Jan Roden
One Friday afternoon our 3-G Club was just beginning to have a meeting, when all of a sudden the bell rang. Mrs. Garner looked at her watch, and much to her surprise, it had stopped. Our meeting ended with us hurrying to pack our books.

"Our New Students"
By Leonard Avery
In January two new children came to our room. One was a girl named Carol Thorne, who came from Camp Glenn School. The other was a boy, Shane Giles, from Cherry Point. We are glad to have them in our room.

As Mr. and Mrs. Senior this week we have Betsy Carroll Garner and Gilbert Giles Garner.

Betsy is the daughter of Mr. and Mrs. Samuel M. Garner, route 1 Newport. She was born March 19, 1939. She is a 5'6", 116 lb blonde with blue eyes.

In high school, Betsy has been in the glee club for 4 years, FHA four years, newspaper staff, annual staff, French club, and the basketball team. Among Betsy's favorites are: subject—typing; teacher—Mr. King; sport—basketball; food—chicken; singer—Pat Boone; song—Don't Forbid Me.

Gilbert is the son of Mr. and Mrs. Floyd N. Garner. He was born to these lucky people on Feb. 8, 1939. Gilbert has beautiful brown hair and blue eyes. He stands 5'11", and weighs 150 lb.

Gilbert plays as a left guard on the basketball team. He is one of the very outstanding boys on the team. He is also a member of the baseball team.

Gilbert has belonged to such organizations as the FTA, student council, paper staff, has driven a school bus, participated in the junior play, and has been a class officer. When asked what Gilbert's favorite pastime was, he said "going to Morehead to see Tressa O'Neal."

Among his other favorites are: singers—Nat King Cole and Joni James; food—pizza pie; sport—basketball; subject—business math; teacher—Mrs. Mann; song—Mona Lisa. Gilbert attends the Franklin Memorial Church in Morehead City. After graduation Gilbert plans to attend North Carolina State College.

I don't think many schools are as lucky to have such a good principal as NHS does. Not only can Mr. Comer supervise the school very well, but he is an unusually good teacher.

He is teacher for the civics class now, and he really does make the subject interesting. Everyone in the class seems to like him, and his method of teaching very much.

Our cheerleaders have a new attraction now. Last Tuesday night they came out with their new pom-poms. These are very pretty and they just match their suits which are blue and white. It seems as if the cheerleaders did a lot better that night.

Much to everyone's sorrow, Newport lost two games to Swansboro at Swansboro gym. The Junior Varsity lost the first game by about 11 points, then the girls came along and lost theirs. When the boys game started just about everyone was afraid that we were going to lose the third game, but we didn't.

I think Leston Gillikin, Berlyn Temple and Gilbert Garner, played the best ball they have ever played in the last quarter of that game. That game was the closest one we have had.

This was the first game the Junior Varsity has lost this year. I think they deserve a lot of praise for their good work.

The second year home economics class has come to the best part of the year. We have at last started cooking. Wednesday, the sweet aroma of fried chicken, cherry pie, hot rolls, steak, and other good things to eat, was flowing down the halls of NHS.

All the poor girls and boys in high school were standing at the door utterly starving, but much to their misfortune they couldn't get in. Instead they had to watch us eat.

About a month ago I gave you some written work from some of the primary grade children. This week I'm going to give you four written stories from Mrs. Geraldine Garner's third grade. I would like to thank Mrs. Garner very much for letting me have these to put in the Hawk's Corner.

"Ice Skating"—By Sandy Savage
Ice skating is a lot of fun, but sometimes when you're on the run, the toes of your skates dig in the ice, and when you fall, you don't look nice.

"Our Snow Men"
By Frances Kelly
We made cotton snow men a few days ago. We had a good time. First we put snow on the blue paper, then we cut the body out. Next we put the buttons on, then added the eyes, mouth, and nose.

We cut snowflakes out of white

Eagle Tries to Kidnap Small Dog in Michigan
Wakefield, Mich. (AP)—Mr. and Mrs. Frank Evans of Nobleville, Ind., tied their Chihuahua dog outside their Lake Gogebic cottage.

Soon after they heard their dog's cries and rushed out to find a large eagle on the animal, trying to fly away with it.
