Bobby Davis of 1504 Desmond St., Kinston, has been chosen as the KHS Polio Pal.

Coin collectors have been placed within the reach of all of the KHS students who wish to give to the March of Dimes. The money raised by the students will be used to help thousands of polio victims, Bobby especially, who for years must continue their struggle to walk again.

It will be used to continue March of Dimes research, which developed the Salk vaccine until total protection against paralytic polio becomes a reality. If KHS raises the largest sum of money on a percentage basis our polio pal, Bobby Davis, will receive a record player.

Any contribution that you may like to make will be appreciated. "Remember me," is the cry. Do so, and support the March of Dimes.
