

Willard Willis Heads Carteret Barbers Group

Barbers Approve Plan For Incorporation Tuesday Night

Willard Willis, Beaufort, was elected president of the Carteret Barbers' Association Inc. Tuesday night at the Sanitary Barber Shop, Morehead City.

Other officers are Bill Warren, Morehead City, vice-president; Jasper Bell, Morehead City, secretary-treasurer, and members of the board of directors in addition to the officers, are Marvin Rice, Sea Level, and Ralph Eudy, Beaufort.

Officers were elected following adoption of a charter. The charter (certificate of incorporation) was drawn up by Bill Warren, Ralph Eudy, Willard Willis and C. R. Wheatly, attorney. The charter committee was named at a meeting March 5.

Guest Speaker

U. D. Kooner, Greensboro, membership vice-president of the state barbers' association and former national vice-president of the Associated Master Barbers of America, was a guest at Tuesday night's meeting.

A membership committee was appointed. Members are Guion Gaskill, Bettie; George Morris and Willard Willis, Beaufort, Bill Warren and Jasper Bell, Morehead City. Mr. Bell was also named publicity chairman.

The charter lists as one of the association's objectives the elevation of "professional standards and ideals of the profession of barbering" and promotion of "uniform barbering practices, uniform fees or rates."

Provision for Agreements

The charter also gives the association the right to carry out the following: "By the use of contracts between the corporation and its members and non-members who are licensed barbers, establish uniform rates and hours after an intelligent study is made of living conditions, cost of living and neighborhood customs and practices."

The amount of dues, regulations covering membership and similar conditions will be set forth in by-laws.

The first meeting toward organization of a barbers' group was conducted last week and has been followed by at least one barber reducing a recent new rate of \$1.25 to a dollar for a haircut.

At present, rates charged for a haircut throughout the county are not uniform. Some barbers in outlying areas are charging 75 cents, while the top price, in the towns, is \$1.50 for a flat-top.

The barbers' association is planning an oyster roast for Tuesday, March 26.

Morehead City Girl Wins \$500 on TV

Mrs. Gloria Willis Massa, Staten Island, daughter of Mr. and Mrs. Roderick Willis, 910 Evans St., Morehead City, won \$500 Tuesday night on a TV quiz program, Name That Tune.

Mrs. Massa failed to name only one of seven songs in a Golden Medley, thereby missing a chance to qualify for a \$25,000 marathon. The song she missed was Young Love.

Mrs. Massa is living with her sailor husband and two sons, Thomas and Gerald. Of the \$500, she said, "I sure plan to use some of this money to visit the greatest state in the union and the folks back home in North Carolina."

10 Cases Tried In Court Monday

Only 10 cases were tried in Morehead City recorder's court Monday morning. The heaviest fine was levied on Mona Smith Yates. She was fined \$100 and costs for drunken driving and driving without a driver's license.

Judge Herbert Phillips sentenced her to 90 days, suspended on payment of the fine and six months' good behavior.

James Barker Guthrie was fined \$25 and costs for speeding and careless and reckless driving.

Found Guilty

Two defendants were found guilty of public drunkenness. Each was fined \$10 and costs. They were James E. Rayborne and Allen Snyder.

Two defendants were fined \$25 and costs for driving without a license. Agatha Gillikin presented a valid license at court, and the fine was returned. George Murray was told that his \$25 would be returned if he presented a valid license within two weeks.

Pay Costs

Lawrence Arlington Irving was taxed costs for letting Ivan Twamley drive a vehicle with expired license plates. Twamley was taxed one-half costs.

Clanton Wayne Durrance was taxed one-half costs for running a stop sign. Lesta Newkirk Willis was taxed one-third costs for failing to display state or city license tags.

Three cases were continued. They were against Charles D. Mayo, Harold Snipes, and George L. Green.

coastline, lakes, streams and hills "has almost all of the problems we're to meet throughout the nation."

He was interested in obtaining the views of the North Carolina congressmen on various aspects of the program, and said as a result of the exchange of views, he expects to have "more concrete" proposals ready for presentation at a Southeastern regional conference in Raleigh today.

North Carolina Insurance Commissioner Charles Gold attended the Washington conference.

Town and county officials will meet with Mr. Meistrell and Mr. Cole for dinner at 6:45 p.m. tomorrow at Captain Bill's Waterfront Restaurant, Morehead City.

Drama Association to Meet

The Carteret County Historical Drama Association will meet at 8 p.m. Monday at the home of Mrs. G. W. Duncan, Queen Street, Beaufort.

State to Help

States will also be required to contribute toward subsidizing the program, but state contributions will not become effective until July 1, 1959, the director stated. This will allow time for states to make constitutional changes or enact legislation necessary to meet the subsidy requirement.

As authorized by Congress, the flood insurance program calls on federal and state governments to subsidize 40 per cent of the premiums on a 50-50 matching basis, in order to bring the cost within reach of would-be policy holders.

Mr. Meistrell pointed out that North Carolina, with its lengthy

Morehead City Enters Contest

William Singleton Named Chairman of Finer Carolina Committee

William Singleton was named general chairman of the Morehead City Finer Carolina committee at a dinner meeting at the Sanitary Restaurant Tuesday night. Elmer Watson was elected publicity chairman of the group.

Members of the steering committee include Mayor George Dill, chairman, J. P. Sanders, J. B. Eubanks, and Ethan Davis.

George Stovall, manager of the Morehead City office of Carolina Power and Light Co., discussed last year's projects with the 39 persons who attended the meeting.

In order to enter the CP&L contest Morehead City must name five projects and one alternate. The most publicized project last year was the new West End fire station.

Projects for this year were not determined at the meeting, but Mr. Singleton said another meeting would be called soon to select them.

Library Director Gives Book Station Schedule

Miss Dorothy Avery, director of the county library, announces the following schedule for the bookmobile next Monday and Tuesday:

Monday: Harlowe, home of Mrs. W. K. Williams; Mill Creek, home of Mrs. J. C. Skinner; Masontown, home of Mrs. Harold Simmons; Nine-Foot Road, homes of Mrs. Daisy Cannon and Mrs. Alice Simmons.

Tuesday: Crab Point, home of Mrs. H. H. Scott; Camp Glenn, homes of Mrs. Frances York and Mrs. Malcolm Willis; Yorkwood, home of Mrs. Edna Murdock.

The rainfall measuring station in Wilmington, N. C., has been in operation for 85 years, longer than any other in the state.

In the land of wild goose — Canada — Eskimos are being taught to raise domestic geese to boost their food supplies.

PTA

(Continued from Page 1)

Prior to the motion approving a bond issue, it was suggested that a group of citizens go before the county board and request that funds be borrowed for schools.

Then there was a suggestion from the audience that all PTA's in the county be contacted first to get their support. Dr. Russell Outlaw suggested that a committee from the Morehead City PTA be appointed to meet with committees from other PTA's.

A. B. Roberts, president of the PTA, made an alternative suggestion, that a combined committee of Beaufort and Morehead City Jaycees and executive heads of PTA's spearhead the program.

Motion Passed

When everybody was excited about getting a bond issue through, W. B. Chalk asked whether it would be possible to market the bonds. That served as somewhat of a deterrent on suggestions for committees and "county-wide action." And the PTA motion was the ultimate outcome.

Approximately 125 persons attended the meeting.

Prior to the program, Mr. Roberts presided at the business session. He appointed the following nominating committee: Llewellyn Phillips, Mrs. John Phillips and Mrs. Harry Salter.

The PTA voted \$175 to the band to help finance its trip to Washington, D. C. Lenwood Lee, principal, reported prior to the vote that \$867 in cash had been received and \$165 had been pledged. The band association is aiming for \$1,250.

Mr. Roberts expressed his appreciation to the Jaycees for their interest in the schools and introduced Herbert Phillips, Jaycee president, who presented Mr. Fischer, panel moderator.

The meeting was opened with an invocation by the Rev. Noah Brown, pastor of the Faith Free Will Baptist Church.

Hospital Board Presents Salary Proposal to RN's

Firm Honors Carl Gunnerson

A proposal for adjustment in salaries of registered nurses at the Morehead City Hospital was presented to Mrs. Lettie Sanders, director of nurses, and to Mrs. Doris Herring, a member of the board of trustees Wednesday night.

David P. Willis, hospital administrator, said yesterday afternoon that as far as he knew, the board's proposal was satisfactory, since no word to the contrary had been received from the nurses.

The first proposal presented the nurses by a committee of trustees was not satisfactory because it made no provision for salary adjustment for nurses who have been on the nursing staff for a number of years; it merely raised the beginning pay.

The proposal made Wednesday night provides for a salary raise of \$10 a year for each year of employment. The base pay for a beginning RN will be \$240 a month but no meals or laundry will be provided.

However, if the nurse wants to eat one meal a day at the hospital, that meal would be provided and the base pay would be \$230.

At present the starting salary is \$200 a month, two meals a day are allowed each nurse, and laundry service is given.

Among the adjustments proposed Wednesday night was a holiday which the nurses are not receiving now.

Mr. Willis said the meeting night was changed to Wednesday because A. B. Roberts, board chairman, could not be present at the regularly-scheduled meeting set for last night.

Firm Honors Carl Gunnerson

Carl Gunnerson, 3100 Evans St., Morehead City, was honored at a dinner party Wednesday night for 30 years' service with Esso Standard Oil Co. The dinner, at the Rex Restaurant, Morehead City, was attended by 16 members of the Morehead City Esso terminal staff.

T. F. Smith Jr., Rocky Mount, district manager, presented a lapel pin with two diamonds to Mr. Gunnerson. C. L. Hoke, Morehead City, terminal superintendent, also spoke at the dinner.

Mr. Gunnerson, a native of Brooklyn, N. Y., began his career with Esso at Wilmington March 6, 1927. Since that time he has been located in several eastern North Carolina towns, working primarily in maintenance departments.

During the first world war he served with the civilian transport service as a marine engineer.

Mr. Gunnerson's wife is the former Nettie Ellis of Wilmington. They have two daughters, Mrs. Stan Pajewski, New York City, and Gunnhilde, a graduate of Morehead City High School.

Mr. Gunnerson is a Mason and the family attends the Episcopal church.

Before producer Earl Carroll presented his famed "Vanities" revues on Broadway, he was a U. S. Army air pilot in World War I.

He proposed to "let the states carry out zoning in their own good judgment," saying that a nationwide zoning system would be "too cumbersome and expensive for the federal government to undertake."

North Carolina is one of 35 states having no zoning laws at this time. The insurance program's zoning requirement will not be put into effect, however, until July 1, 1958, Mr. Meistrell told the legislators.

State to Help

States will also be required to contribute toward subsidizing the program, but state contributions will not become effective until July 1, 1959, the director stated. This will allow time for states to make constitutional changes or enact legislation necessary to meet the subsidy requirement.

As authorized by Congress, the flood insurance program calls on federal and state governments to subsidize 40 per cent of the premiums on a 50-50 matching basis, in order to bring the cost within reach of would-be policy holders.
