# Newport Firemen Study First Aid

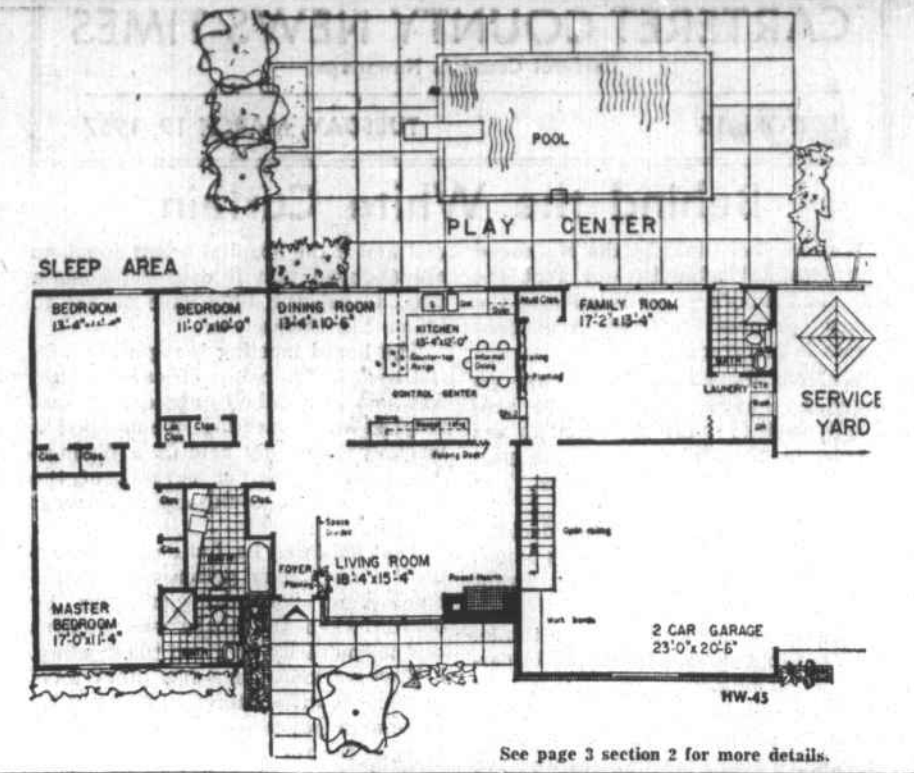

Members of the Newport Fire Department met recently for the first in a series of meetings to give the members of the fire department a better understanding of first aid in event of emergency.

H. G. Gurganus, an employee of the State Highway and Public Works Commission, stated that the course of study will encompass a period of approximately 18 hours which will be divided into two periods a week for nine weeks.

The meeting was presided over by the Newport fire chief, Charlie Gould Jr., and Leon Mann Jr., mayor of Newport. The meeting was attended by approximately 25 firemen and representatives of the local Explorer Scout Troop.

The first evening's course of study concerned the how and why of first aid and the practical application of bandages and dressings.

In conjunction with this, providing emergency ambulance service for the citizens in the Newport area was the first of Newport's "Finer Carolina" projects for the coming year.

# MCHS Glee Club Visits; Pupils Give Musical Show

Well hi, everybody. Once again we at NHS are in the news, so let's find out what has been going on lately.

Friday, the 8th of March, NHS was honored to have the Morehead City High School Glee Club, under the direction of Mr. Ralph Wade, come to our school to present a concert for grades 5 through 12. The singing was the best I have ever heard from a high school glee club. We really did appreciate their coming to sing for us and we hope they don't wait too long before they come back again.

Friday night, March 1, the annual variety show was presented in the school assembly hall. The program opened with a series of songs from Mrs. May's fifth grade, Mrs. Heath's fourth grade, Mrs. Gerock's fourth grade, and Miss Chitty's fourth grade.

Judy Slaughter, from the tenth grade, was accompanist for these classes. Charlotte Ducee, from Mrs. May's fifth grade acted as announcer for this portion of the program. Next on the program was Mr. Hunter's sixth grade, singing Gonna Get Along Without You Now.

The members of the class acted this out while Linda Casey, Jackie Malone, and Shelves Jean Fulcher sang the song, Edward Millis from Mr. Hunter's class accompanied these girls at the piano. American dance was the next highlight on the program, presented by Miss Eva Bateman's sixth grade.

Then Mrs. C. T. Redmon's 7th grade came up with a pantomime

of the Green Door. One of the cutest acts was Mrs. Mosca's 7th grade doing Singing the Blues. Joan Raye Gray and Tommy Garner sang the song while the rest of the class acted out the song. Gaynelle Gray from the senior class accompanied them at the piano.

A minstrel show from Mrs. Patrick's and Mr. Gillikin's 8th grades was the last highlight on the program from the grammar grades. The main act from this was Donna Licari, Anne Garner, and Betty Green doing the Soft Shoe, accompanied by Jenny Lynn Garner at the piano.

Coming into the high school portion, four of the best looking people in high school sang solos which were very pretty. First of all Peggy Wallace, a sophomore, sang I Miss You So. Then Betty Jo Whitaker, a junior, sang, True Love. Both of these girls were accompanied by Judy Slaughter at the piano.

The popular junior, Alton Hardison made his appearance by singing the beautiful Unchained Melody, accompanied by Mrs. Ruby Woodruff. Last of all Joan Wade, a senior, sang Wanting You, accompanied by Gaynelle Gray. Now we can't forget the very good announcer, Tommy Howard. I think Tommy did a very good job, and we thank him for doing it for us.

Proceeds from the variety show totaled \$135.75. This is going to help buy new stage scenery which the school needs very badly.

To help keep in mind our grammar grade students, I'm going to give you a very cute story written by Sandra Savage, one of the students in Mrs. Geraldine Garner's 3rd grade.

**A Pony Ride**

One day some cameramen came to my house, and wanted to take my picture. They had a pretty black and white pony, whose name was Spot, they wanted me to sit on. After they had taken my picture I wanted to pet Spot.

I started to pet the pony, when all of a sudden he took off. He rode me around the block three times, and then took me back home. The cameramen were laughing when I got back. I was so scared I could hardly move.

My mother asked me if I was hurt. No, I was not hurt, but I was surely scared.

Now we come to the sad part of the news, sports. As you all know the Newport Hawks won the county championship title, and then moved on to Kenansville to play in the district playoffs. Well, everything was moving along smoothly until we met up with Swansboro.

Our boys were really in there fighting hard to win, but somebody had to lose and it was Newport. We're very happy to have three of our boys running for the all conference team. They are Berlyn Temple, Leston Gillikin, and Gilbert Garner. We wish these boys lots of luck and we hope they make it.

Next year those gone from our ball team will be Billy Dail, Ber-

lyn Temple, Leston Gillikin, Robert Hill, Gilbert Garner and Curtis Jones. On our first string will still be Johnny Mason, Reuben Lilly and Alton Hardison. Most of you have seen our junior varsity play this year. Next year the main ones coming up from that team are Larry Kirk, Tommy Gillikin, Joe Mann and Johnny Turpin. We think in a couple of years we will have as good a team as we had this year.

Our cheerleaders this year are not to be forgotten. Coming out of the freshman class we had Cecilia Henderson, Emma Lou Parrish, and Linda Lou Edwards, who all did a wonderful job. Peggy Cannon, a sophomore, did an exceptionally good job with Anne Reynolds, a junior, right along beside her. Peggy Howard, the chief cheerleader, and also a senior, was very good this year.

We hope all of these girls make the cheerleading squad next year, and to Peggy Howard, the ball teams would like to express their thanks for the wonderful job of "chiefting."
