

Atlantic Pirates Take 1-0 Win Over Morehead City in Opener

Butch Saunders, fire-balling right-hander of the Atlantic Pirates, bested Bobby McIntosh of Morehead City's Eagles in a 1-0 pitchers' battle at Atlantic Friday afternoon. Each pitcher allowed two hits.

Saunders set 17 Eagles down via the strikeout route, and McIntosh got a third strike past 13 Pirates. The Eagle pitcher dug his own grave with his wildness in the bottom of the first inning.

He walked Pirate second baseman Van McIntosh, got shortstop Bobby Styron and Saunders on flies to left field, and walked catcher Howard Pittman.

Gaskill Gets RBI

With men on first and second, third baseman Phillip Morris singled over second to load the sacks. Elmo Gaskill got credit for driving in the first run of the season when he worked McIntosh for a walk. The chunky right fielder moved to first keeping the bases full, but the next man up, center fielder Curtis Lewis, struck out to end the inning.

Saunders had set the Eagles down in the top of the inning with one walk, a hit, and three strikeouts. He struck out two more in the second inning. In the third frame he struck out the first three batters to face him.

The Pirates were having their lumps in the hitting department, too. After leaving the bases loaded in the first inning, they came back to fill them up in the second on a walk, an error and a hit. This time Pittman came to the plate with three on and two away and struck out.

Saunders collected three more strikeouts in the fourth inning. A walk and an error were sandwiched between the strikeouts. He added two in each of the last three innings.

Eagles Die on Second

The Eagles failed to push a man around as far as third. While the Pirates had better luck in getting men on base, they had trouble getting hits in the clutch.

Coach Roy Cockerham was pleased with the play of the Pirates in the field. It was this department that was worrying the coach most. He was very disappointed with their hitting, he said.

"In practice they had looked good at the plate and weak in the field. In a game it is just the other way around," he remarked.

Atlantic—Butch Saunders, pitcher, Howard Pittman, catcher, Charlie Goodwin, first base, Van McIntosh, second base, Phillip Morris, third base, Bobby Styron, shortstop, Richard Salter and George Golden, left field, Curtis Lewis, center field, and Elmo Gaskill, right field.

Morehead City—Bobby McIntosh, pitcher, Jackie McQueen, catcher, Jimmy Lawrence, first base, Jackie Simpson, second base, Jimmy Swann and Ethan Davis, third base, Walter Morris and Gary Guthrie, shortstop, John McBride, left field, James Guthrie, center field, and John Glancy, right field.

Ocracoke Guide Wins \$50 Bond

Ocracoke — Capt. Walter C. O'Neal Sr., veteran hunting and fishing guide of Ocracoke Island has received a \$50 bond as second prize from Field & Stream for his catch of the second largest channel bass landed in 1956.

Mr. and Mrs. O'Neal and about fifteen others were fishing on the beach at Ocracoke Inlet Oct. 9 when Captain O'Neal caught a 56 lb. 2 oz. channel bass, the only one landed that night. In fact luck had been so bad that most of the sportsmen were dozing in their chairs at the time.

Captain O'Neal felt the sudden pull on his line and thought it was a whale. It took him about thirty minutes to land the catch. It was the only one caught that night, and within minutes after he landed it, the wind shifted to the northeast and stayed there for the next thirty days with no good fishing weather for anyone.

Mr. O'Neal used a Ashway daron 50 lb. test line, mullet bait, Eagle Claw No. 10 hook. He is the only native of Ocracoke to win a Field & Stream award, though sportsfishermen from distant places have had this honor.

Captain O'Neal can also brag that fishing with L. C. Gilbert of Smithville, Texas, they made the biggest one-day surf-casting catch—107 channel bass.

Army Reservists Required To Fill Out Questionnaire

By M/SGT. THEODORE S. LONG
Ass't USAR Unit Advisor

Headquarters Third United States Army, Fort McPherson, Ga. — Keeping the Army Reserve up-to-date and in shape to defend the nation in time of emergency is an ongoing task. And the Army is continuously screening all Reservists to provide a Ready Reserve composed of men and women who meet required military qualifications.

To successfully accomplish this screening process, a United States Army Reserve Qualification and Availability Questionnaire is mailed to each Reservist. Headquarters Third United States Army will supply questionnaires to Reservists in this Army area during the anniversary month of his retirement year.

Information on the questionnaire will determine whether the Reservist should be retained in the Ready Reserve, transferred to the Standby or Retired Reserve, or discharged prior to normal expiration of his military service obligation.

Completion of the questionnaire during unit meeting and drills is authorized and encouraged.

LT. General Thomas F. Hickey, Third Army Commander, pointed out that failure to complete properly and return the annual questionnaires could result in inconvenience to individual Reservists.

They may be retained in the Ready Reserve or even ordered to active duty without consideration of disqualifying conditions.

All Army Reservists are in the Ready Reserve, the Standby Reserve or the Retired Reserve.

Ready Reservists may be ordered to active duty involuntarily in time of war or national emergency. They may receive pay and promotion through Reserve programs and may qualify for retirement benefits.

Any Ready Reservist not on active duty may request to be removed from the Ready Reserve un-

County Baseball League Meeting Is Scheduled

Representatives from all the teams and prospective teams of the Carteret County Baseball League will meet at the Coast Guard Station, Fort Macon, at 7:30 p.m. tomorrow.

Reports will be made as to which teams plan to compete in the league this summer. The by-laws will be checked for possible amendments to strengthen the league organization.

Since a new president will be elected it is important that all teams planning to enter the league have at least one representative at the meeting.

When the first league meeting was called for Friday night only three teams, Smyrna-Harkers Island, Salter Path, and the Coast Guard were represented. Mac Pigott and Wilson Davis were from Smyrna-HI, George Smith and Tye Frost represented Salter Path and Earl Scils and James Hinnings of the Coast Guard were the hosts.

WOW Dedicate Tennis Court

A tennis court at Camp Glenn School will be dedicated at 2:30 p.m. today. The court is the gift of Woodmen of the World Camp 188.

The Woodmen have arranged for the Morehead City High School band to play for the dedication ceremonies. Nick T. Newberry, Charlotte, state manager of the North Carolina Woodmen, will preside over the court to the school. Ramie Davis, principal, will accept. R. L. Turnage, financial secretary of Camp 188, will act as master of ceremonies.

The Woodmen will meet again at 7:30 for a barbecue supper at the lodge, located behind Bud Dixon's Motel. C. C. Fagle, Woodmen field representative, and Mr. Newberry will be the principal speakers.

Mr. Newberry will present lapel pins to all Morehead City school bus drivers who have not had an accident within the past year.

The Rev. Seldon Bullard, pastor of the First Free Will Baptist Church, Morehead City, will be a guest of the Woodmen at both sessions.

Curb Market Sellers Will Meet at 2 Next Monday

By FLOY G. GARNER
Home Agent

With the coming of spring, the sellers on our Home Demonstration Curb Market are planning and planting in preparation for the busy summer months ahead of them. To help them with plans for improving their market, Miss Lola Pritchard, extension marketing specialist, will hold a meeting with the sellers in the home agent's office Monday, March 25, at 2 p.m.

The Carteret Curb Market maintained its rating in the state survey of curb markets in 1956, ranking seventh in total sales. Our sellers are ambitious and are striving to move out of seventh place, working toward the top.

With this as their goal, they plan to add another selling day, beginning Friday, May 17, opening the market at 4:30 p.m. and closing at 7:00 p.m. on Fridays. The other selling days, Wednesday and Saturday will remain the same, opening time 7:30 a.m.

Demand Exceeds Supply

Yaupon Tea, the novelty introduced on the market last year, will be featured again this year beginning in May. The demand far exceeded the supply last summer, so the women are gathering and curing as much yaupon as possible in the hope that they will have enough to meet demands this year. An improved package for this product is in the making.

New sellers are coming to the market, beginning in April and May. They will prove to be an asset to the market, increasing variety as well as quantity of produce available.

Prepared foods will be featured on the market for the first time this spring. In addition to baked goods which have long been popular on the market, the sellers plan to offer other cooked food—main dishes, meats, casseroles, vegetables and the like. These will be on sale on Friday afternoons, along with the usual fresh vegetables, fruits, seafood, poultry, eggs, flowers, etc.

If you've never visited the market, why not come by? The market is located on the southeast corner of 13th and Evans St. in Morehead City, and the women there will be glad to serve you.

It doesn't take algebra to understand the following equation: Good soil plus proper fertilizer plus good varieties plus timely planting plus sufficient moisture plus proper weeding equals a good garden. All of these factors are important. One of the easiest and one of the most vital is selecting a good variety. The varieties listed have been tried and tested and are recommended for this state. Buy them and try them. You'll be glad you did.

We all know that planting a garden is just the beginning. Insect control and disease control comes later. Be prepared. Have your spraying and dusting equipment in good working order, and be sure to find the proper insecticides needed to control the various insects.

Your county agent will be glad to help you with this. Your seed dealers usually have information of this kind, too.

Let's begin right now, today, planning and planting. Let's grow a square meal around home this year!

Governor Receives Seals

Little Charlene "Snookie" Overcash, North Carolina's Easter Seal Child, presents Gov. Luther B. Hodges with first sheet of seals to officially open the 1957 Easter Seal Appeal. Letters containing seals have been mailed out in Carteret. The letters were typed by the students in the Beaufort school typing class under the instruction of Mrs. Marshall Ayscue.

Beaufort Files Contest Entry

Beaufort has filed its entry blank in the finer Carolina contest, George Stovall, CP&L manager for this area, announced yesterday. The projects selected and the groups responsible for carrying them out are as follows:

Beautification, fire department; highways and roads, Jaycees; Beaufort-Morehead City airport road, Rotary Club; tourist promotion, chamber of commerce.

The alternate project, a new city hall, has also been designated as the responsibility of the chamber of commerce. R. W. Safrif Jr. is chairman of the finer Carolina steering committee and Glenn Adair is contest publicity chairman.

Richmond, Va. (AP)—The price squeeze appears to be on the squeeze price according to hospital records. Last August it cost a 50-year-old Richmond woman \$13 for repairs to a cracked rib she received when hugged too enthusiastically by her husband. And now the hospital reports a 48-year-old woman has been treated for the same trouble, caused the same way. But her bill was \$18.

ASC Officials Attend Conference

Three representatives from the county are attending the state ASC conference in Asheville yesterday, today and tomorrow. They are B. J. May, ASC office manager, Clarence Millis of Newport and J. C. Barker of Stella.

Gov. Luther Hodges was the featured speaker yesterday. Today there will be one committee session on ACP and the Soil Bank, one on acreage allotments and marketing quotas, one on price supports and storage and one covering general administrative matters.

Speakers during the final session of the state-wide conference will include Charles M. Cox, assistant deputy administrator for production adjustment, CSS; L. L. Ray, director of foundations, N. C. State College; and the entire conference will be summarized by Clyde R. Greene, southeast area director, CSS.

Deer Surplus

Fernie, B. C. (AP)—Suggestion that the deer hunting kill should be raised to 100,000 annually was made here by James Hatter, chief game department biologist. He estimated about 50,000 were killed last year but said the 100,000 target could be reached eventually without seriously depleting British Columbia herds.

Home Agent Lists Meetings

Mrs. Floy Garner, home agent, announces the following schedule of Home Demonstration club meetings for this week.
