'Mystery' Ad

Causes Turmoil

Friday's NEWS-TIMES mystery "found" ad sure caused a stir. George Smith, who placed the ad, has had phone calls from all over the county from people who wanted to know what the heck he found.
The classified ad got in the paper with the top line missing. That was the line which stated what had been found. All the rest of the ad was there. The ad, running correctly, is in today's paper.
The "mystery" ad was purely unintentional. Don't ask us how things like that happen. Sometimes we wonder ourselves. — The Editor.

Total Darkness Fails To Stop Concert Pianist

Baraboo, Wis. (AP)—A concert at the Al Ringling Theatre here had just begun when a rainstorm disrupted power lines, plunging that portion of the city into darkness for over an hour.
But no one left the theatre and the artist played on as though completely unaware of the difficulty. He was Alec Templeton, famed blind pianist.
