Awards are Presented to One Third of Student Body Monday

By CATHERINE PLATT

A spirited march by Morehead City's prize-winning band set the mood for Awards Assembly Monday, May 6. Approximately one third of the high school students received awards in the fields of athletics, music, composition, and in a posture contest.

The qualified members of the Monogram Club received white letters trimmed in red. In boys' basketball, Coach Talbert presented eleven letters to the varsity team: Llewellyn Phillips, captain; Frank Sanderson, John Phillips, Darden Eure.

Billy Rich, the only senior on the team; Freddy Oglesby, Robert McNeill, Walter Morris, James Guthrie, Lynwood Durham, and David Nelson.

Miss Helen Jernigan, coach of girls' basketball, distributed certificates in lieu of letters to eleven players: Virginia Smithwick and Sally Morris, co-captains; Betty Willis, Jessie White, Anna Faye Willis, Alice Faye Jones, Patsy Robinson, Clea Taylor, Frances Gaskins, Kate Willis, and June Seamon.

Members of the football squad received their letters from Coach Norman Clark and assistant David Lee. The Big M was awarded to Charles Wells, Grover Smithwick, William Nichols, Tommy Hall, John Glancy, Gerald Jones, Lynwood Swinson, Mike Willis, Gordon Patrick.

Sherman Salter, Jackie Simpson, Jimmy Lloyd, Jimmy Lawrence, Richard Powers, Jackie McQueen, Mokey Lassiter, Al Conner, Ted Phillips, Craig Willis, Russell Guthrie, Danny Grayshock, Sherrill Norman, and Bob Willis, manager.

Coach Clark presented letters to eight members of the baseball team: Bobby McIntosh, Jimmy Swann, Gary Guthrie, Johnny McBride, Baxter Powell, Wayne

Thompson, Don Harrelson and Dick Conner, manager. Principal Lenwood Lee stated that in the future two and three letter men in athletics would receive a symbol in addition to the letter.

Llewellyn Phillips received a certificate designating his membership on the All-Seashore Conference team. Darden Eure was awarded honorable mention.

Anna Faye Willis, Kate Willis, Virginia Smithwick, and Sally Morris also received honorable mention certificates.

John Phillips, Kathy Chalk, Marlene Moore, Larry Jones, and Annette Cooper were recognized for their essays on highway safety. Dr. Russell O'Connell introduced Highway Patrolman Bill Pickard, who presented to Kathy Chalk, second place winner, \$5 and to John Phillips, first place winner, \$10.

Katherine Griffin received \$5 for placing in the local posture contest, while James Phillips received \$15 for winning in the county competition.

Climaxing the distribution of awards, Mr. Grover Munden presented to Band Master Ralph Wade third place trophy for the band's performance in the Cherry Blossom Festival parade.

Douglas Ann West, chief major-ette, and Billy Rich, student director, accepted the cup from Mr. Wade on behalf of the members of MCHS band.

An intangible award was merited by senior boys who contributed to those assembled.

Billy Rich with his scripture reading and prayer, and Johnny McBride with his well thought-out talk on the Power of Prayer both did a commendable job—a credit to their elocutionary powers and their vocational ambitions.

The Teen-Age Roadshow, sponsored annually all over the country by the Jaycees, started yesterday. The competition will serve to show participants how their driving compares with that of others.

The written exam was given May 13 at 7 p.m. and was similar to a test for driver's license. Skill in driving forward and in reverse, parallel parking, and maneuvering

in limited areas will be tested to-morrow at 4:30 p.m.

First prize is a \$25 savings bond and second prize is \$10 cash. County winners entering the state finals will have all expenses paid.

Eligible students are those under twenty years of age who have committed no traffic violations within the last six months.

Over two thousand communities held Roadshow last year with around 300,000 students participating. Mr. Hugh Porter, Morehead City Jaycee who brought the announcement of this competition before high school at a assembly Thursday, urged turning out for fun and improvement in driving.

Officers Installed On May 9, the student body assembled in the auditorium for the annual installation of the newly-elected officers of the Student Council. Council member Virginia Thompson gave devotions.

Lois Becton, secretary and treasurer, gave the following report on council finances: balance on hand September 1956—\$277.24, total receipts—\$920.88, total expenditures—\$798.98, balance on hand May 9, 1957—\$400.04.

Darden Eure gave a summary of this year's council activities—attending the conference at Wilmington, moving lockers, keeping bulletin board, contributing to scholarship fund, and acting as host to the recently formed Atlantic Student Council.

Council President Grover Smithwick gave a brief talk in which he stated that the aim of the Student Council is to build a better school by promoting cooperation between the student body and the faculty.

In the installation ceremony, Grover installed the new president, Llewellyn Phillips. He in turn installed the following officers:

Vice-president, Darden Eure; secretary, Virginia Smithwick; and treasurer, David Nelson. After these new officers had taken their pledge, the representatives of the 1957-58 freshman, sophomore and junior classes were inducted.

They were Sylvia Thompson, freshman representative, Doris Farmer, sophomore representative; Charles Lynch, junior representative.

The final phase of the installation ceremony was the school song, sung by the student body.

Exam Schedule All grades 4-8 will give final examinations. Grades 1-3 may do so at the discretion of the teacher.

News from BAY VIEW

May 15 — Mrs. Lizzie McAdams will hold services at Mt. Pleasant Church Saturday evening at 7:30. Everyone is invited.

There was a Homecoming Day at the Bay View Baptist Church Sunday. Dinner was spread on the church yard.

Mrs. Joe Rose and Mr. and Mrs. Joe Deaks Rose and family of Morehead City attended services at Bay View Sunday.

Mr. and Mrs. Leathers of New Bern attended services at Bay View Sunday.

Mr. and Mrs. Carl Smith and family and Mrs. P. D. Smith of Maysville spent a while Sunday with Mr. and Mrs. Gilford Cannon.

Mrs. Fannie Fodrie of Russells Creek has returned home, after a visit with relatives.

Mr. and Mrs. Rex Anderson and family of New Bern spent Sunday with Mr. and Mrs. G. W. Collins. We all hope that little James Alton Brown, who is on the sick list, will soon be better.

Mr. and Mrs. Thad Lilly and boys of Grifton spent Sunday in the community.

Mrs. Gilford Cannon and daughter, Nola Faye, and Mr. P. D. Smith spent a while Monday in New Bern.

Mr. and Mrs. Poland are spending this week in Elm City.

A Mother's Day program was rendered at Graham's Chapel Sunday evening.

Examinations will be given on May 23, 24, and 27. School will be on short schedule May 28 and 29. On these dates examination papers will be returned to all students—approximately half one day and half the next. These papers will be gone over thoroughly so that each child may see his mistakes and learn the correct response.

On May 30, school will convene at 9:30. Grades 4-12 will assemble in the auditorium at 9:45. Children in grades 1-3 are dismissed (bus children excepted) at 10:15. Report cards of grades 4-12 will not be distributed until these grades have been dismissed from chapel to their home rooms. A bell will ring for bus students and then 5 minutes later the final bell for 1956-57 school year.

Cheese

(Continued from Page 2, Section 2)

as a sandwich filling alone or with sliced ham, turkey or tomatoes.

Note: This spread may be made with a soft-type cheddar cheese and the pimientos, olives and walnuts knife-chopped in fine or medium-fine pieces.

Recipe Notes If you want to take a little of this spread as a gift to a friend, pack the empty pimiento jar full and recap.

Besides using this spread as a filling for sandwiches, my mother liked it as a stuffing for celery. After the celery ribs were spread with the cheese mixture they would be cut into short lengths and served as nibbles. Or they would be arranged on salad greens and served as a salad.

My mother also liked to use the spread with fresh pears. The pears would be pared and halved and have their stem structure removed. Then the cavities would be filled with the cheese mixture. The stuffed pears would be served with crisp greens and salad dressing as a salad.

When we gave this cheese-spread recipe to a friend recently, she told us she used it in the following ways.

Tomato Salad — Cut a thin slice from the bottom of each tomato, if necessary, to have them stand straight. Cut out the stem ends.

Slice tomatoes into wedges but not all the way through. Spoon a mound of cheese spread into the center of each tomato and serve with salad greens and salad dressing.

Frankfurter Topping — Split frankfurters lengthwise but not all the way through; grill. Just before they are finished cooking, spread a little of the cheese mixture over their cut surfaces and put back under the broiler to melt the cheese.

Use oil under the franks because some of the cheese mixture will probably run down. Place the franks on toasted buttered rolls, spooning up any of the good gooey cheese that has run down.

Hamburger Bonus—Put a dollop of the cheese mixture on a grilled hamburger and put back under the broiler just until the cheese melts.

Oman, a state in southeastern Arabia, is considered the best source in the world for thoroughbred riding camels.

Phone Service Improved; Change of Numbers Set

New telephone service was provided to 14 families and eight families and businesses had their service regraded to a higher class of service when the telephone company recently completed a large rural project in the Smyrna, Wilston and Davis section.

Two pay telephones were also installed in outdoor booths at Smyrna and at Davis for the convenience of the public.

The additional facilities which are served from the Marshallberg exchange were provided in accordance with Carolina Telephone and Telegraph Company's activities to improve and expand rural telephone service. As a result of the completion of this project, ample facilities are available to provide service to new applicants living along the line and to comply with further requests for regrade of service, according to L. A. Daniels, manager at Morehead City.

He revealed that in order to provide the additional facilities the company erected 12,650 feet of aerial cable, 37,800 feet of rural "B" distribution wire and 4,050 feet of open copper wire, all on existing line. It was further stated that the cost of constructing these facilities was \$28,305. This does not include the cost of installation of the telephones or the pay stations.

Mr. Daniels said that projects to take telephone lines into more and more sections are being developed as rapidly as possible.

All telephone numbers in Marshallberg are scheduled to change Sept. 15 from the present numbering system to a system in which telephone numbers will be comprised of two letters plus five numerals.

The new numbers will conform to a nationwide and uniform system now being adopted by the telephone industry. There will be no interruption in telephone service and the change will be made

Logical Argonne, Wis. (AP)—Mrs. Clyde Schultz was playing a quiz game with her children and asked George, 10, "What do you call a mother fox?" "A den mother," the boy answered after thinking a moment.

at 2:01 a.m., Manager L. A. Daniels announces.

The Marshallberg exchange has been assigned the name "PARK". As a result, a Marshallberg telephone number will appear, for example, as PARK 9-1234. To dial this number, subscribers will simply dial PA-9-1234. Because of its two letter and five number make-up, the system is called the two-five numbering plan.

Mercury sets the pace at 1957 Indianapolis 500-mile race

At right, F. C. Reith, Vice President, General Manager, Mercury Division, Ford Motor Company. At left, Tony Hulman.

"THE HONOR ALWAYS GOES to the car that, in our opinion, shows the biggest advance in styling and performance." — TONY HULMAN, Chairman of the Board, Indianapolis Motor Speedway.

...sets the pace in size and style

sets a record for low-cost luxury

The choice of Mercury to pace the Indianapolis Classic dramatizes the fact that The Big M is the new yardstick of your money's worth. IN SIZE, Mercury brings you the biggest size increase in the industry—more room and comfort in every important dimension. IN STYLING, only Mercury offers Dream-Car Design—completely different styling, shared with no other car. IN RIDE, only Mercury offers you Floating Ride—the

most effective combination of bump-smothering features ever put between you and the road. IN PERFORMANCE, Mercury leads with the highest standard compression in its field, highest torque for regular production engines, highest optional hp. Yet The Big M is priced just an easy step above the low-priced three. No wonder Mercury is setting the pace everywhere for style, size, performance, luxury—and value! Why not stop in at our showroom today?
