

How Fires Start

This scene was shot in a hotel in Norfolk Wednesday night when Captain Otis Purifoy, Morehead City, right, helped put out a fire on the fourth floor of the hotel.

Reginald Lewis, who took the picture, was with Captain Otis on a business trip to Norfolk.

When they returned to their room after dinner, they smelled smoke. A blazing fire was detected behind a door.

Mr. Lewis went after his camera in his room and got back in time to see Captain Otis and a bellhop using a fire extinguisher on a blaze in the closet where

cleaning equipment was stored. What amazed Mr. Lewis, he relates, was that no one else on the floor came to see what the disturbance was about, even though the hall was filled with smoke. It is not known how the fire started.

Street Lighting Gets Green Light

At a meeting of the Morehead City Businessmen Friday at Captain Bill's Waterfront Restaurant, a decision was made to proceed with a street lighting program at Christmas. The cost will be approximately \$2,100.

J. A. DuBois, manager of the chamber of commerce, said that approximately 80 per cent of the retail merchants are in favor of the cash give-away program during December.

Shoppers will receive a ticket for each dollar's worth of purchases. Merchants will buy the tickets from the chamber and the chamber will use the proceeds to help finance the lighting.

Businessmen who do not participate in the ticket program will contribute to the street lighting project.

The Christmas street decorations are rented from an outfit in Hickory and the decorations are erected by an electrical contractor. Fourteen businessmen attended Friday's meeting.

Gerald Brown Wins Burro

Gerald and David Brown, Newport, are happy boys today. They have just acquired a new plaything, a burro.

Gerald, 6, and David, 3, are the sons of Patrolman and Mrs. R. H. Brown, Newport. Gerald wrote a prize-winning rhyme and won the burro. The company giving away the animal sponsors a program on WITN, Washington.

The entire Brown family went to WITN yesterday afternoon and appeared on the program.

Gerald was thrilled when he learned last Wednesday, while watching TV, that he had won the burro. His father says Gerald wanted a burro for a long time.

Patrolman Brown is building a corral for the new member of the family in the back yard.

Families of highway patrolmen certainly know how to win animals. Patrolman W. J. Smith's wife last year won the pony given away by Belk's. Their little girl, Candice, named the pony Flicka. Today Flicka is owned by a man at Newport.

Dr. John Bunn Speaks to Lions

Dr. John Bunn, pastor of the First Baptist Church, Morehead City, discussed plans for the proposed Baptist Hospital at New Bern with the Morehead City Lions Club Thursday night. Dr. Bunn spoke to the club at the Hotel Fort Macon.

Lion Oscar Allred gave a summary of the Lions Club activity for the years 1940-43. (In 1943 the club was disbanded because all of its members had joined the service or taken government jobs.)

A committee was appointed to investigate costs of a scoreboard for the Morehead City football field. The Jaycees are asking civic clubs to help them buy a scoreboard.

Lion Lewis Hinson had Mae Gladding of New York as his guest. J. B. Eubanks won the attendance prize.

4-H's Lead the Way to Safety

4-H's Trained in Safety

Line graph showing an upward trend from 1946 to 1956.

Year	Members
1946	400,000
1950	600,000
1955	800,000
1956	900,000

The future looks brighter for more people because more 4-H Club members than ever before are being trained and educated in safety. Participation in the 1957 national 4-H safety program enables them to make their homes, farms and communities safer places in which to live and work.
