Miss Jo Ann Nassef of Kinston Weds in Queen Street Church

The marriage of Miss Mary Jo Ann Nassef and Ross Earl Rouse Jr., both of Kinston, took place Sunday, Dec. 29, in Queen Street Methodist Church, Kinston. The Rev. T. Marvin Vick, pastor, performed the ceremony.

The bride is the daughter of Mr. and Mrs. Namon A. Nassef and the granddaughter of Mrs. B. B. Cole of Beaufort. The bridegroom is the son of Mrs. Martha Denmark Rouse and Mr. Rouse Sr.

Wedding music was presented by Beaufort Goodman, organist, and Miss Peggy Barbour of New Bern, vocalist.

The bride was given in marriage by her father. She wore a gown of satin and net with a full skirt of chantilly lace ending in a cathedral train. The moulded bodice featured long sleeves ending in calla points over the hands. Her fingertip veil of illusion was attached to a coronet of lace trimmed with iridescent and seed pearls and she carried a prayer book topped with an orchid.

Miss Jean Nassef, sister of the bride, served as maid of honor.

Bridesmaids were the Misses Hilda Sermons of Fort Barnwell, Peggy Jenkins, Lois Honeycutt and Emily Rouse, sister of the bridegroom.

The attendants wore gowns of red taffeta fashioned with fitted bodices and full skirts. They carried cascade bouquets of white mums.

Miss Treva Denmark, cousin of the bridegroom, served as junior bridesmaid. She also wore a gown of red taffeta and carried a cascade bouquet of mums.

Ross Earl Rouse Sr. was best man for his son. Ushers were Edgar Cole of Beaufort, uncle of the bride, Tommy Phillips, Bill Stanley and Bill Ormond. Tony Nassef, brother of the bride, was a junior usher.

The bride was graduated from Grainger High School and has recently been employed by Carolina Telephone and Telegraph Co. The groom is now enrolled in the DeVry Technical School, Chicago, Ill.

After a wedding trip to Raleigh, the couple will make their home in Chicago.

Doctors Group Changes Name

Huntington, W. Va. (AP)—The National Association of Chiropractors changed its name to the American Podiatry Association, effective Jan. 1.

Dr. Jonas Morris, president, explained to the Middle-Atlantic Association of Chiropractors - Podiatrists that the change results from a more accurate interpretation of the Greek bases for the two words.

The base for chiroprody, he said, meant "of the hands and feet," while that of podiatry meant "of the feet."

Morris, professor of practical administration at the Temple University College of Chiroprody, estimated that 5,000 more podiatrists are needed in this country.

He said there are fewer than 7,000 in practice now, and that many cities and towns have none. He also estimated that 70 per cent of Americans have some foot disorder.

Marriage No School Ban
Santa Fe, N. M. (AP)—The state attorney general's office says public school students in New Mexico cannot be expelled because they marry. The opinion, by Asst. Atty. Gen. Robert Pyatt, said exclusion of married students from public schools could not be read into New Mexico's constitutional provisions on schooling. Educators have said more and more high school students are marrying while still in school.

Harry F. Nelson Returns From Service in Pacific

Long Beach, Calif. — Harry F. Nelson, engineer third class, USN, son of Mr. and Mrs. George W. Nelson of Atlantic, returned to Long Beach, Calif., Dec. 14, aboard the destroyer USS Pritchett after completing a five-month tour of duty in the Western Pacific.

During the cruise the Pritchett took part in fleet training and carrier operations as a unit of Destroyer Division 192.

Between maneuvers with the fleet, the destroyer's crew visited Honolulu, T. H.; Subic Bay, P. I.; Kaohsiung, Formosa; Hong Kong, Yokosuka and Kobe, Japan.

Harmon D. Bennett Jr., route 1 Beaufort, has graduated as a superior student from the welder course offered by the United States Army engineer-ordnance school in Europe.

Superior students are those whose grades are 91 per cent or better.

In a letter to the parents of the Beaufort soldier, Col. H. G. Lux, Corps of Engineers commandant, says: "Achieving a superior rating in this course is a noteworthy accomplishment attained by only a small percentage of the students. The instruction is necessarily rapid and condensed in order to make the most of the short time available for the special schooling.

"Therefore, those students who make superior grades deserve particular recognition for their ability and hard work.

"You can be justly proud of the fine record maintained by your son during his stay at the school. It has been a privilege to have had him under my command."

With the First Fleet—Ronnie S. Ross, boilerman third class, USN, son of Mr. and Mrs. Spencer R. Ross of Stella, aboard the heavy cruiser USS Columbus, participated in a Striking Force training exercise (Strikex), with the First Fleet off the coast of Southern California Dec. 3-6.

The operation emphasized the latest tactics in air and guided missile strikes against land mass, air defense, anti-submarine and replenishment operations.

Fourteen thousand personnel and 37 ships of the First Fleet participated, as well as carrier and land based aircraft from Southern California bases.

Woman Preacher Uses Trailer

Creede, Colo. (AP)—The Rev. Mary S. Grubbs, Congregational Church pastor, uses a trailer as a parsonage. She believes her parsonage is the only one on wheels.

The Rev. Mrs. Grubbs, with the use of her trailer, brings the gospel to rural communities. Without the 31-foot trailer, Creede and Maybelle would be without a Congregational pastor. The two towns are 500 miles apart.

Funds for purchase of the trailer were raised by the Congregational Pilgrim Fellowship. Capable with carpenter tools, the Rev. Mrs. Grubbs built a study and desk in the trailer. She has a mimeograph machine in the bedroom.

"I hope to spend the rest of my life in rural church work," the Rev. Mrs. Grubbs says. "The church is deeply rooted in rural communities."

Calgary (AP)—Thieves who broke into an elementary school here stole 15 stuffed and mounted eagles, hawks and squirrels.
