The House of the Weak This Plan Provides Four **Bedrooms on Limited Budget**

CARTERET COUNTY NEWSTIMES, MOREHEAD CITY AND BEAUFORT, N. C.

By DAVID L. DOWEN

A painful paradox frequently plagues the search for a perfect home plan. The reason most people want a new house is that their present quarters are too small. And here's the paradox: They're looking for a new home

because the family is big. But big houses usually have big price tags. The houses they can afford don't provide them with enough bed-

Kansas City, Mo. (AP) - The rooms; the houses that provide the needed bedrooms are beyond their Church of the Nazarene started 232 new congregations in 1958 - an price range. Because of this, many people enaverage of two new ones every three days - a record for the de-

dure cramped living because they don't believe they can afford a house that would make them comnomination. Church membership climbed about 9,500 persons to fortable. 301,700. Architect Samuel Paul had the

family in this predicament in mind in designing X-43 in the House of Striking modern luxury: This impressive four-bedroom house has a rich appearance that belies the cost-cutting that went into its design. Slab construction under most of the house holds expensive excava-tion to a minimum. The habitable area is 1,639 square feet. It was designed for a big family building on Week series. He set out to use his architectural skill to achieve a budget.

his architectural skill to achieve the greatest amount of house for the least amount of money. The home that came off his drawing board has four bedrooms, 1½ baths, living dining and family rooms, kitchen, recreation, utility

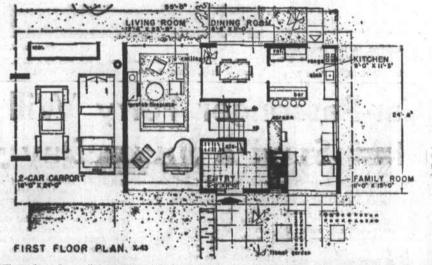

and laundry rooms. He used the split-level frame-work and gave the house an ap-X-43 yields an exceptionally large
