To the Qualified Voters of the Town of Beaufort:

I have filed as an independent candidate for the office of Mayor. As an independent I feel better qualified to serve with whoever is fortunate to be the citizens' choice for members of our Town Board. If elected, my efforts will be focused on the following policies:

1. The best possible use of our geographic location in relation to inland and ocean water.
2. Adequate emphasis on safety and sanitation through our Fire Department, Police Department and Department of Public Works.
3. Continued efforts to improve educational advantages for our children and adults.
4. Development of more adequate transportation facilities: land, water and air.
5. The administration of municipal government fairly and efficiently.
6. Encourage extension of the advantages of our town to those living within a reasonable suburban area, and, too, gain the opportunities available by having these fine people as citizens of Beaufort.

I feel no better qualified than other candidates. If unsuccessful in my candidacy I will continue trying to be a good citizen and support the voters' choice.

To the Citizens of Beaufort:

To avail our community of all potential growth and development, the office of Mayor requires time, money, zeal, energy, ability and consecrated effort. For the past six years I have endeavored to give these qualities to the best of my ability.

MY HEALTH WILL NO LONGER ALLOW ME TO SERVE MY COMMUNITY AS I WOULD DESIRE.

I wish to express my appreciation for all support on my behalf and also for the honor I have had through the opportunity to serve you.

I REQUEST ALL VOTERS to VOTE for the candidate for MAYOR that they feel is best qualified to fill this responsible office and to lead Beaufort to realize all of its future possibilities.
