

The Rev. J. F. Herbert To Retire Next Month

The Annual Conference of the Methodist Church in Eastern North Carolina, will be held in Grace Methodist Church, Wilmington beginning June 22. The Rev. J. F. Herbert, pastor of First Methodist Church, Morehead City, has announced that he will retire at the close of the annual conference, due to his health. The Herberts will make their home in Chapel Hill.

Mr. Herbert has returned to the services of the church after an absence of six months. Mr. Herbert is not preaching yet though he says he believes that will be possible soon.

He expects to conduct both the morning and night services the coming Sunday, May 17, but has visiting ministers to preach at both services.

At the morning service the sermon will be preached by the Rev. Chester D. Brown, pastor of First Methodist Church, Havelock. Mr. Brown, native of High Point, is one of the gifted younger men of the North Carolina Methodist Conference. His wife was Miss Catherine Marshburn of Moore County. They have one child, Andrew Brown, age 3.

Brisk Trading in Land Keeps Deeds Office Busy

Editor's Note: In recording real estate transfers, the law does not require that the amount paid for the property be stated in the deed. A token amount, such as \$10 or \$100, may be stipulated.

Attached to each deed, however, must be United States documentary stamps, the value of the stamps based on the price paid for the property.

Property which changes hands for less than \$100 requires no stamp, according to Odell Merrill, register of deeds. Property which brings a price between \$100 and \$500 must bear a stamp valued at 55 cents. From \$501 to \$1,000, the stamps affixed to the deed total \$1.10, and thereafter for each additional \$500 paid for the property the stamp value goes up 55 cents.

From the value of the stamps placed on a deed an estimation of the price paid for the property can be determined. In the transfers listed below, the seller is listed first, the buyer second, and finally, the value of the stamp affixed to the deed.

Sixty-seven real estate transfers were recorded in the register of deeds office for the last part of April and the first part of May. They follow:
