

Elks Down Idle Hour 3-1 Behind Chalk's Hurling

Behind the five-hit pitching of Puff Chalk, Thursday, the Elks bunched their hits more effectively and scored a 3-1 win over the Idle Hour in the Morehead City Little League program. In going the distance to record his first pitching win, Buff struck out seven, walked but one batter, and scattered five hits.

In the meantime the Elks jumped on Tommy Briscoe for two runs in the second when Billy Sample singled, Mike Fahy walked, and Jim Phelps and Tom Dixon followed with successive singles. They added an insurance run in the third on Ronnie Mizeko's double and Billy Sample's second hit of the afternoon.

The Idle Hour's lone run came in the fourth on singles by Donald Yeager and Morty West, a fielder's choice play and an Elk error.

Billy Sample, with two for three led the Elks at bat while Baxter Brittingham had two for three for the Idle Hour.

For the Elks, it was their last game of the '59 season and left them with a five and four record for the second half of season's play.

Picnic to Follow Playoff Tomorrow

The playoff game between the Elks and Moose of the Beaufort Little League is scheduled for 4 p. m. Wednesday at the American Legion field.

Jarvis Herring, president of the league, announces that a picnic will follow the game. The picnic will be held rain or shine. If the game is rained out, it will be played later, but the picnic will be held regardless in the building at the ball park.

All boys in the league, in the minors, their parents and friends are invited. Each family should bring his own food. The Little League will furnish the beverages. The Moose won the first half of play and the Elks the second.

Licenses Returned

Two Beaufort men, Eddie Lee Collins and Charlie Henderson have been notified by the North Carolina Department of Motor Vehicles that their driving privileges have been reinstated effective June 22.

Pet Corner

Mrs. Boyd Phelps would like to find a nice home in the country for a female dog. The dog is part dachshund and part cocker and is a very nice dog for a family. She is not used to being tied, so Mrs. Phelps would like to place her outside the city.

Recent Four Days Bring Little Rain

In exact contrast to the first part of the month which saw heavy rains soak the county, only .33 inches of rain have been recorded during the four days since the 15th of July, according to weather observer Stamey Davis.

The .33 inches were recorded by Mr. Davis Saturday night. Temperature ranges wind for the period Thursday through Sunday were as follows:

	High	Low	Wind
Thursday	88	76	Var.
Friday	88	75	SW
Saturday	84	74	SW
Sunday	88	79	SW

Saturday, Mr. Willie M. Harkley, Mrs. Ella Jones, Mr. Albert Courman, Morehead City.

License Suspended
Maurice Willis of Harker's Island has had his driver's license suspended for speeding and reckless driving by the North Carolina Department of Motor Vehicles.

Ferry Company Asks Permit To Begin Runs

The Sea Level-Atlantic-Ocracoke Ferry Co., Inc., has requested the State Utilities Commission for permission to operate the car-passenger ferry between Atlantic and Ocracoke.

In its petition, the company says that "a public demand exists for an automotive connection between these two points and the public would be greatly benefited by a ferry that would transport both passengers and automobiles."

The petition also says the firm is building a vessel and acquiring the necessary land for docking facilities to begin the service.

Noting that a certificate already has been issued for providing the service, the petition states that "to date no ferry is in operation" and "no attempts have been made towards the creation of a ferry system by any present certificate or permit holders."

Utilities commission files show that an inspection was made of the present ferry service in January of this year.

Ansel O'Neal and J. M. Saunders Jr. who now operate a mailboat between Atlantic and Ocracoke say they will be willing to give up the operation when the new service is inaugurated.

The new firm's petition asks for a hearing on its application as soon as possible. The firm also proposes to haul freight between Cedar Island and Ocracoke as well as operate a ferry service for autos and passengers.

The board of directors of the ferry company is composed of Dan E. and Leslie M. Taylor, West Palm Beach, Fla., W. R. and A. T. Taylor, Norfolk, and C. R. Wheatly, Beaufort, who is agent for the company.

Employee to Receive Five-Year Service Pin

Mrs. Margaret M. Garner of Morehead City will become eligible this month for a service emblem representing five years of telephone company service. The award is in the form of a gold pin.

Mrs. Garner is employed by Carolina Telephone and Telegraph Co. as a central office equipment maintainer in the plant department, Morehead City.

Ten million square miles of the earth have less than ten inches of rain a year.
