

Labor Day Catch

"Gosh, he's heavy," says John Young, II, of Beaufort, as he tries to hoist his Labor Day catch for the camera. John caught the 14-pound king mackerel while trolling for blues from a small boat in Cape Lookout Bight. He is the son of Mr. and Mrs. Norwood Young.

Taylor-Made Gain

Beaufort halfback, Eddie Taylor, shakes off a Devil Pup tackle and looks for a hole in second quarter action at Camp Lejeune. The Devil Pups handed the Seadogs their first loss of the year, 15-7.

Watch on the Waterfront

There's nobody more interested in how anglers are doing than Abner, the waterfront cat. Here he interestedly watches the hook, ready to cheer if some fish gets it.

Potent Stuff

Fort Wayne, Ind. (AP) — Maybe it's a good thing nobody got to drink any of that 150 gallons of apple cider stored in a rural fruit market near here. The cider exploded and started a fire that did \$5,000 damage.

Regional Tones

Blenheim, Ont. (AP) — A powerful siren purchased jointly by this town and Harwich Township, will tell citizens in what area a fire is burning. A long blast means a town fire; an undulating wail means a township fire.

Constable Resigns

George Smith, Morehead township constable, presented his resignation yesterday to sheriff Hugh Salter. Mr. Smith said that new duties make it impossible for him to give the constableness the time required.

Straits Methodists Plan Dedication, Homecoming

Straits Methodist Church will observe its homecoming and the dedication of its educational building Sunday. The observance will begin with a combination dedication and worship service at 10:30 a.m. A picnic dinner will be spread on the church grounds following the service. All former pastors of the church have been invited. The Rev. C. Ray West is present pastor.

The population of India began its great increase when cholera and malaria were brought under control.
