

## Theatre Plans Season's Work

Carteret Community Theatre members discussed productions for the current season at their meeting Wednesday night at the recreation building.

In addition to Angel Street, now in production, the theatre will present another play in February. By popular demand, Bonnie Blue Sweetheart will be repeated in June.

Suggested for the February presentation were Dial M for Murder or Janus, a comedy. A play reading committee will be appointed at the November meeting.

The theatre also set policy on use of its property. Theatre members reported recent requests for borrowing of costumes, makeup and scenery.

The group decided that no costumes or makeup shall be loaned. Persons wishing to use theatre sets on the recreation building stage may do so for a fee of \$25 which includes erecting and dismantling the sets by theatre members.

Jimmy Wheatley, director of Angel Street, reported on progress of the play. He stated that through the kindness and cooperation of the recreation commission, the play will be given on a Saturday night, a night when the building is usually used for entertainment of teenagers.

It was reported that the theatre has recently purchased a rheostat and two spotlights. Purchase of some chairs for the auditorium was approved, pending appraisal of the status of the treasury following Angel Street. The secretary's report was read by Patsy Holt.

Mr. Wheatley presented the program, recorded excerpts from Angel Street. He also demonstrated positive and negative approaches in directing a play.

Chocolate cake and coffee were served following the meeting. Hostesses were Mrs. Earl Holt and daughter, Peggy.

Master Douglas David, Morehead City, will leave today for Raleigh, where he will be the guest preacher at the Church of God Assembly.

Bishop Thomas Harris of Baltimore, Md., will speak at St. Mary's Holiness Church Sunday night at 8.

## Prospective Buyers Of USCG Station May File Names

Although Coast Guard district headquarters, Norfolk, has received no order to dispose of the abandoned Coast Guard station on Core Banks at Atlantic, persons interested in buying the station are privileged to write Coast Guard headquarters.

This was the information released this week from Lt. (jg) D. A. O'Connor, public information officer. Lieutenant O'Connor says, "The Coast Guard Real Property at Core Banks Station, Atlantic, is now on Board of Survey, and has been referred to the Commandant (FS) at Coast Guard Headquarters, 1300 "E" St., NW, Washington 25, D. C.

"To date, this office has not received instructions for disposition. Parties interested in procuring any part or all of this property should write to Coast Guard Headquarters (address below) requesting that their name be placed on file.  
Address: Commander, 8th Coast Guard District, Postoffice Box 540, Norfolk 1, Va.

## 'Round About Town

By ALICE H. TAYLOR

(Editor's Note: This column is printed in cooperation with the Beaufort Woman's Club, sponsor of the City Beautification program.)

Before we get into the surprise news we were talking about last week, let me first of all reprint a letter distributed by Mrs. W. C. Gilchrist, chairman of the City Beautification Campaign for the Beaufort Woman's Club:

Beaufort, N. C.

October 2, 1959

Dear Homeowners:

Congratulations on the splendid effort that you made last spring in the City Beautification program! We feel that you made a real effort to "Paint-up, Clean-up, Garden-up". We had many, many compliments from both our neighbors and summer visitors from far away.

The streets were clean, the lawns kept nicely (until the extreme heat and drought), color schemes of flowers in the yards were lovely. We estimate that 35 per cent of the houses and buildings received a new coat of paint. Many public corners and plots of grass were cleaned.

Beaufort is not only a quaint city with a personality of its own, but it is a very lovely place in which we live. Do you agree with us? Let's make it more beautiful!

We have two motives for renewing this campaign for two months, beginning Oct. 1, 1959. As you know, we will celebrate Beaufort's 250th Birthday next summer with a special kind of celebration that is already being planned. Secondly, many people who wanted to plant trees and shrubs last spring could not do so on account of the dry, hot weather.

So will you contribute your every effort to the Anniversary Celebration to make Beaufort and the surrounding communities just as attractive as we possibly can?

There are a number of things we will want to encourage getting done throughout the community such as cleaning up, renovating and seeding lawns, improving the border, screen and foundation plantings, pruning, fertilizing, mulching and spraying shrubbery, planting fall bulbs, painting buildings, etc.

We feel sure that you will want to have a part in this most worthwhile project.

Mrs. W. C. Gilchrist, Chairman  
City Beautification Campaign  
Beaufort Woman's Club

Now for the other main topic of interest. Beaufort is one of the most garden-conscious towns in the state, yet surprisingly enough there isn't a Garden Club. With the combined efforts of all the individual green-thumbers in this community, think what an active and interesting organization we could have.

Is there a one of you who at one time or another hasn't given a cutting, rooting, or plant to a friend . . . or exchanged different things for your yard? I dare say not, so the idea occurred to the Beaufort Woman's Club that an opportunity for you to express your feelings about a Garden Club might prove profitable for all.

On Thursday night, Oct. 29 . . . the fifth Thursday, so there'll be no conflicting meetings . . . all you green-thumbers who are interested in this project are asked to meet at the Scout Building at 8 o'clock. Some of you may be rather dubious as to whether or not you can take on any other civic duties, so let us say here and now that this is a club strictly for pleasure and information.

With combined effort such as was shown during the Spring City Beautification Program, the entire town will benefit. It's a well known fact that men who like to garden go about it more scientifically than women, yet the women love to putter around, transplanting this and rooting that. That's why we want

all of you to attend this first get-together.

One of the outstanding features of the evening will be the exchanging of seedlings, rootings, and plants. In fact, each person who comes is asked to bring something to exchange with another member . . . giving you an excellent opportunity to get a new rose bush, some pine seedlings, or your favorite flower in a particular color.

There'll be nothing formal about it . . . just an open discussion as to whether to form a Garden Club, and if so, when should it meet, and how often, and where. Do make a note of the time and place. And remember, ladies . . . if your husband handles many of the gardening chores, urge him to attend.

In Garden Clubs throughout the state, the men comprise a great percentage of the membership. We think it'll be fun as well as informative to have such a club, so mark it on your calendar now.

Next week we'll tell you about more home improvements in the community. Till then, get busy gardening . . . the time's ripe!

## Smyrna FHA Elects Officers

The Smyrna Chapter of the Future Homemakers of America met last week and elected the following officers: president, Margaret Ann Lewis; vice-president, Barbara Davis; secretary, Patsy Lewis; treasurer, Judy Thompson; and parliamentarian, Patsy Chadwick.

Mrs. Nancy Willis Piner, home economics teacher, is advisor for the chapter.

The executive council met Wednesday and appointed committees for this year. The committee and their chairmen are as follows: program of work, Barbara Davis; projects, Mildred Baum; yearbook, Barbara Hill; scrapbook, Emma Lawrence; initiation, Patsy Chadwick; public relations, Glenda Willis; recreation, Patsy Taylor; and degrees, Nancy Valentine.

The initiation committee selected the week of Oct. 5-9 as initiation week and met with the new FHA members, explaining the activities for the week. Each day the girls wore red and white outfits symbolizing the FHA colors. They also performed good deeds each day of this week, plus learning the FHA Creed, motto, and colors, according to Mrs. Piner.

On Saturday, Oct. 10, the members of the FHA climaxed their initiation week by attending the District II FHA Rally in Kinston.

The Smyrna FHA girls are now setting up their program of work for the year and have begun working on the FHA yearbook.

dropped against Thomas Battle of Goldsboro. The court ordered the prosecuting witness to pay costs.

Lloyd N. Pigott of Gloucester forfeited bond when he failed to appear to answer charges of speeding.

In two worthless check cases, the court suspended a 30-day jail sentence against Sgt. Charles D. Lantz of Cherry Point on the condition that he pay court costs and the check, and sentenced Fred McLamb of Morehead City to 30 days in jail.

James F. Keel of Beulaville, also charged with issuing a worthless check, failed to appear and an order was sent out to bring him in to stand trial on Oct. 26. His new bond was set at \$200.

Cases against Archie Green, George Sanders and James F. Keel were continued until the Oct. 26 term of court.

## Fender Skirts, Mirrors Taken from Three Cars

Three cars were victimized by car accessory thieves in the Morehead City-Atlantic Beach area this week.

Two fender skirts were taken Tuesday night from a 1953 Buick at 9th and Arendell Streets, Morehead City. The car is owned by Cecil Mason Jr., route 1 Morehead City.

A rear view mirror was taken Wednesday night from a Buick owned by J. B. Eubanks, 2900 Evans St., and the same night Mrs. Frances Teague, Burlington, reported that a rear view mirror was taken from her 1959 Pontiac station wagon while it was parked either at Joyce's motel or Sportsman's pier.

All thefts were reported to the Morehead City police station.

## Medical Society Meets

The County Medical Society heard a talk on cancer Monday night at its meeting at the Morehead City Hospital. The speaker was Mrs. James C. Smith, Morehead City, chairman of the Carteret division, North Carolina Cancer Society. She was accompanied by her husband.

# Cadillac

## The Fifty-fifth... and the Finest!

It was shortly after the turn of the century that the first Cadillac car—the automobile built to the highest standards it is possible to enforce on the production of a motor car—made its appearance.

Every year since—save for a period when Cadillac devoted its energies to the national defense—a new interpretation of this unique goal has been presented to the world's motorists.

The superlative motor car illustrated above is the fifty-fifth in this unprecedented succession of distinguished automotive creations.

And it is, far and away, the finest and the noblest Cadillac of them all!

Never before has Cadillac artistry created such

elegance of form and line. It has a commanding presence that is uniquely Cadillac.

Never before has Cadillac engineering produced so abundantly. The car is smooth and quiet to a degree that challenges belief.

Never before has Cadillac craftsmanship provided such interior luxury. And the complement of conveniences has never been more satisfying.

No matter how many of the fifty-five Cadillacs you may have owned and enjoyed over the years—you still have a wonderful experience ahead of you in this latest "car of cars."

We suggest you see and drive it very soon. And we hope you will come expecting great things.
