WORKING TOGETHER FOR THE SOUTH'S CONTINUED PROGRESS

COUNT US IN! YOU BET we want to be counted in... for Southern Railway has no intention of being "among the missing" when it comes to working for the continued growth and progress of the territory we serve. As we have in the past, we will go right on doing everything we can to promote the prosperity and well-being of the modern South that means so much to all of us.

This is no idle promise. It is, in fact, a part of our corporate creed: "To develop the territory we serve and to foster faith in the South, its people and its opportunities."

It would take a long list, indeed, to include all those in the South today who are working for and looking toward a still greater future for America's "youngster" opportunity-land—the modern South. If such a roster is ever drawn up, be sure to "count us in."
