1960
 (Special Title) State license to which this vehicle is subject to personal property tax.

INSURANCE DECLARATION
 I, the registered owner of the motor vehicle described on the reverse side, hereby declare that there is in effect covering this vehicle, as of the date of application for license, an owner's policy of motor vehicle liability insurance.

Signature of Owner

Notary for notary fees (optional, up to \$1.00 fee, see your notary, or both, §§ 53-216).

State licensing officials are seeking to speed up sales by reminding owners of two important "fill ins" on their renewal card. Clerks cannot issue 1960 plates until the county in which the ve-

hicle is subject to personal property taxes is listed plus the owner's signature, indicating liability insurance is in force. Both entries are on the license plate renewal card (see cartoon)

and should be entered in advance of presenting cards for license, officials said. Tags are issued in this county at the loan department of the First-Citizens Bank and Trust Co.

County Teens are Invited To Dance Tomorrow Night

By ANDREA MCKNIGHT
 The month of January is polo month, a special time to give your money for the thousands of unfortunate people who have been stricken by polo.
 The Beta clubs in Carteret county have joined together to help in the small way they can. Saturday, Jan. 30, they have planned a March of Dimes dance. The activities will commence at 8 p.m. and conclude at 11.
 The attire will be informal and refreshments will be served. Entertainment will be provided by students of various county schools.
 So come one, come all students of Carteret county. The admission is 35 cents single and 50 cents per couple. Remember, the money you give to have an enjoyable evening may serve to help an unlucky person walk again.

This week has passed and exams with it! Hurray! Now as one looks around at his friends he finds smiling faces instead of the frowned, worried ones he saw last week. It is a wonderful feeling to know that everybody is happy and friendly with his neighbor.

The student directory is finally out. The Alpha Tri-Hi-Y is selling these neat and compact directories, which include the names, addresses, and phone numbers of students from the 7th grade through the 12th grade. The same information is given about the faculty.
 These little books will come in

handy when you boys want to find a date, or since this is leap year the girls could ask the boys. Boys, you better look out for these girls! Please buy a directory for only 50 cents.

Tuesday night the Morehead Eagles battled the Beaufort Seadogs in the Beaufort gym. Morehead lost the boys game by a 15-point difference. The girls played fine ball but lost to Beaufort—only in points.

Our good winning spirit is as high as ever and when we meet Beaufort for the return game our teams plan to win both games. So be there to see the games!
 It is good to know our teams can play together with such grand sportsmanship.
 See you next week! Be good and happy.

Tennessean Says Owls Not Wise, But Stupid

Memphis, Tenn. (AP)—The owl, ballyhooed in song and verse as being wise, is stupid, says a bird expert.

Albert F. Ganier, curator of the Tennessee Ornithological Society, suggests that the "wise old owl" be replaced by "the wise old crow."

"The black crow is probably the smartest bird we have," Ganier says. "He is quick-witted, loves to play and has worked out a watch system that protects him."
