Last Quarter Rally Nips Eagles 57-53

A tremendous last half rally that saw them come from behind an 11-point deficit, paved the way for the Smyrna Blue Devils' 15th win of the year Friday night as they downed the stubborn Morehead City Eagles 57-53 after the Eagles had led virtually throughout the contest.

The Blue Devils were cold from the floor in the first half while the Eagles were hitting the basket with relative consistency. As a result Morehead City went ahead at 6-5 and then increased this lead to eight points at 17-9 by the end of the first quarter.

The pattern of the game didn't change much in the second quarter as the Eagles managed to maintain their lead over Smyrna, thanks to some good shooting on the part of John Phillips and Harold Whealton. As the buzzer sounded at halftime the Eagles were packing a seven-point lead of 26-19.

The Blue Devils warmed up somewhat in the third quarter to outscore the Eagles for the first They managed 16 points holding Morehead City to 15. time This narrowed the Eagle advantage to 41-35 at the end of the period.

It was in the third quarter that mild scorekeeping dispute arose in the game. Late in the quarter a Smyrna field goal tied the score at 37-37, at least so everyone City League basketball teams Mon-thought, as this was the score post-ed on the scoreboard. Seadogs Honor Gridders

Beaufort high school had its annual football banquet Wednesday night in the school cafeteria and the food and the evening's program proved a fitting tribute to the 1959 state Class A champions.

One of the highlights of the program, along with the talk of guest speaker Earl Edwards of North Carolina State college, was the presentation of the outstanding performance awards to the players.

Receiving the trophy as the best blocker on the team from Gehrmann Holland was All-Conference end Calvin Jones. Calvin, a senior, played right end opposite his brother David and was one of the Seadog standouts all year.

The trophy for the outstanding sportsman on the squad went to senior Freddie Hooper and was presented by George Bridgers. Freddie was the 'silent man' in the Seadog forward wall during the season but there was nothing silent about the way he plugged up the holes on defense to stop opponents ground attacks.

The most improved player award went to a player whose talents were virtually unheard of in 1958 but by the end of the past season he had stamped himself as one of the all-time greats in Beaufort football history. Making the presentation to Ernest (Power) House was Albert Chappell.

To the surprise of no one, the trophy for the most outstanding player on the squad went to senior quarterback Butch Hassell. It was Butch who supplied the spark that kept the Seadogs going on their climb to the state championship and his feats on the gridiron this year have become almost legendary. Besides being a gifted athlete with exceptional abilities Butch proved to be an outstanding leader on the squad. Receiving more honors in one year than most players are able to accumulate in four years, Butch was named to first string All-Conference and All-Eastern berths and was last week named honorable mention on the All-America team. I had the honor of presenting the award to Butch.

The after-dinner talk of coach Earl Edwards of State college followed the presentation of the awards and Edwards recounted some of the highlights of the past State season that diln't get into the newspapers. He supplemented his talk with a collection of humorous stories. The State mentor was introduced by Glenn Adair.

Other speakers on the program included Beaufort's mayor W. H. (Piggie) Potter and head coach Curt Lancaster. Special guests at the banquet, in addition to assistant football coaches Jim Fodrie and Tom Hewitt, were superintendent of schools, H. L. Joslyn; Beaufort principal Albert Gainey and athletic director Tom Mc-Quaid.

Gifts to the coaching staff from the members of the team were made by Denard Harris and Butch Hassell. That's 30 for now.

moved a notch closer to 40 consecutive games without a loss Tuesday night when they wrapped up their 39th straight, 77-58, over the Havelock Rams. The game was played in Beaufort.

The win came almost effortless for Beaufort as the Sea-

dogs warmed up to their Friday night date with the Smyrna Blue Devils. The Seadogs raced to a 21-12 lead at the end of the first quarter. They coasted to fibe see-ond period with substitutes Johnny Hassell and Chuck Lewis playing the seadog Jayvees as they rolled to a 28-16 win. Scoring honors for the game went to Butch Hassell of the Seadogs who tallied 24 points in the time that he played. Only two other Sea dogs managed to score in double figures as Lewis, with 13, and Ray Hassell, with 12, followed Butch. Donald Coon was the leading point-maker for the visitors. He finished the night with 17 points to his credit. James Seaton contributed 16 to the losing cause for coach Walker Gillikin's crew.
