Senior All-Stars Defeat Female Faculty Friday

By BUTCH JAMES and LINDA McDONALD

It was a game they said, but most of us weren't sure. Anyhow, the Senior All-Stars downed the Female Faculty Friday night in the Newport gym.

There certainly were some charming cheerleaders. They strongly resembled boys dressed like girls. The score? No one knows for sure, but it was a low-scoring affair.

The Senior All-Stars were Shelia Jean Mann, Mary Ann Garner, Betsy Lawrence, Ruth Ann Jones, Judy Hardesty, Lauretta Simmons, Emma Lou Parrish, Linda Edwards, Brenda Long, Florida Simmons, Connie Garner, and Linda McDonald.

The Female Faculty consisted of Mrs. McNeil, Mrs. Thompson, Mrs. Simmons, Mrs. Owens, Mrs. Mason, Mrs. Schafran, Mrs. Mizelle, Mrs. Joyce and others. Mrs. Margaret Mann was the referee.

Miss Senior this week is Miss Bonnie Jean Sears. She is 5 foot 2 1/4 inches tall, weighs 110 pounds, has light brown hair, and blue eyes.

Jean, (as she prefers to be called), was born on Aug. 22, 1942 in Wake County. She is the daughter of Rev. and Mrs. M. O. Sears who is pastor of the Newport Baptist church. Here at the church Jean is a very active member.

She is church organist, chairman of the Young People's division of Training Union, and program chairman of the Y. W. A.

However, all of Jean's activities aren't at the church, for many of them are at school. She has participated in Future Teachers of America as president, Future Homemakers of America as reporter, Beta club as secretary, senior class vice-president, and in Glee club.

Jean's hobby is playing the piano and listening to music. Her favorites are subject, chemistry; food, shrimp and french fries; singer, Pat Boone; and song, Star Dust.

Her pet peeve is "girls who are smoking and boys in Bermuda shorts."

Jean's ambition is to become a good school teacher or an educational director. She plans to train at Meredith college.

Jean came to Newport in her junior year from Fuquay Springs high school.

Mr. Senior this week is Larry West Kirk. Larry was born to Mr. and Mrs. Kirk Jan. 17, 1941 at Little Washington, N. C.

Larry now stands 5 foot 11 1/2, has brown hair, brown eyes, and is always smiling. During his four years in high school Larry has been a member of the basketball team, safety patrol and 4-H. His hobby is doing shop work; favorite subject, business math; food, shrimp; singer, Perry Como; pet peeve, cigarettes and alcohol; favorite sport, basketball.

Larry's ambition is to attend Mount Olive college and major in mechanical drawing.

During his spare time Larry can usually be found hunting or fishing. When told something, his usual reply is: "Well, I declare."

Man Learns Hard Way Dog is Good Watchdog

Defiance, Ohio (AP)—Nobody gets in Rudy Camp's car when his 2-year-old terrier Ike is inside. Nobody.

Camp learned this painfully while the car—dog inside—was on a service station hoist. The keys were inside and Camp couldn't get in the locked car. When he tried to pry open the ventilator window, his dog snarled.

Camp finally had to call for his wife, who brought a spare set of keys.

Unexpected Loot St. Louis (AP)—Mrs. Anna Frager, 50, a free lance writer, was the victim of a purse snatching. Two boys grabbed her pocketbook containing \$9—and an article she had just written on crime.

Purpose of 4-H

By DAVID MERRILL Beaufort Intermediate 4-H Club

Four-H Club work provides opportunities for voluntary participation in programs, built on needs and interests, through which 4-H members develop talents for greater usefulness. These programs help prepare tomorrow's citizens physically, mentally, spiritually and economically.

Four-H'ers join with friends for work, fun and fellowship. They learn to live in a changing world, choose a way of earning a living, produce food and fibre for home and market, create better homes for better living, conserve nature's resources for security and happiness, and build health for a strong America.

Four 4-H members learn to share community responsibilities and help promote world peace.

Improving Family and Community Living...

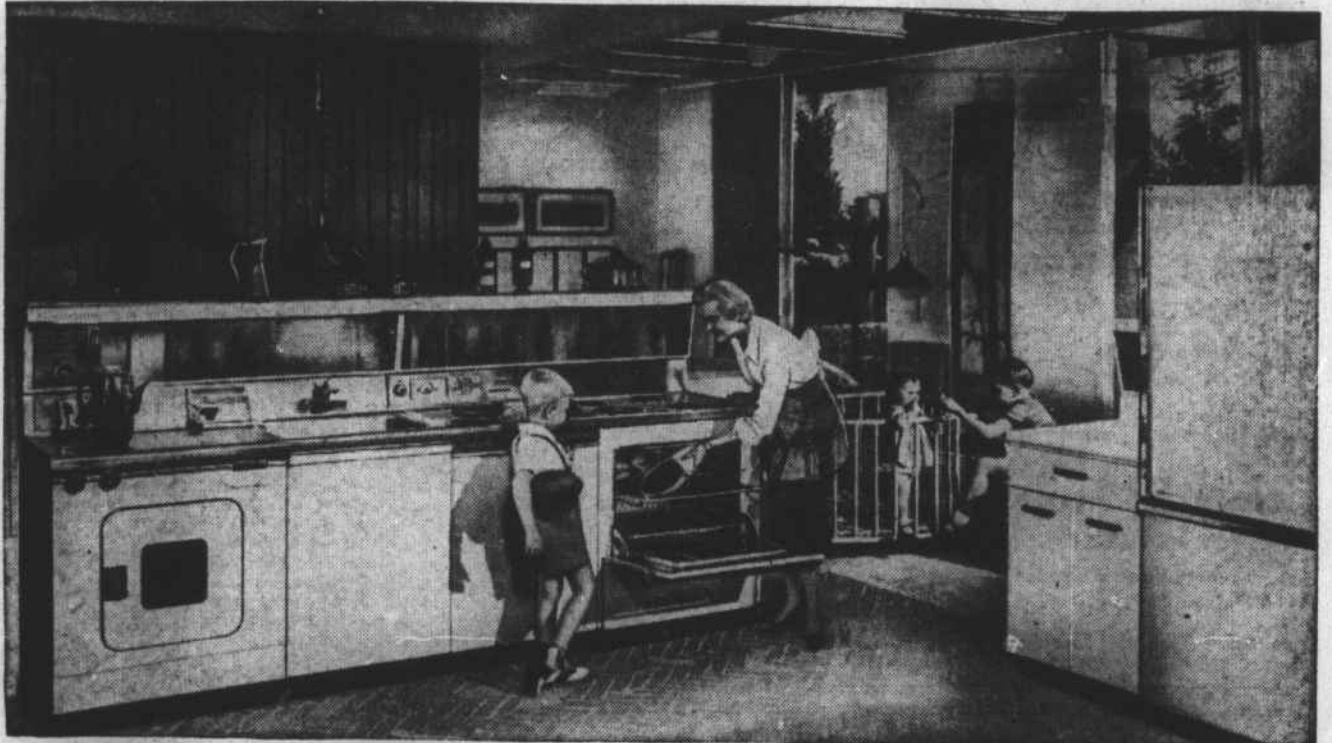

This 4-H theme of the year points up a worthwhile goal of 4-H Club work. For research has shown that families in which there are active 4-H members more readily adopt modern, approved methods of farming and homemaking. We congratulate 4-H boys and girls as well as their club leaders and Extension agents, for their able efforts toward "Improving Family and Community Living."
