Wakestone Mansion, formerly the home of the late Josephus Daniels, was dedicated as a Masonic Temple Wednesday afternoon.

The dedication, held in a new sunken auditorium added to the home, was witnessed by 275 people.

10 Candidates File; Registration Books Open Saturday, April 30

Registration books will open Saturday, April 30, to receive names of residents not registered to vote.

The books will remain open through Saturday, May 14. Registrars will be at the polling place in each precinct Saturday, April 30, and the two following Saturdays.

Persons who cannot register on Saturday should contact, in person, the registrar of their precinct on a weekday.

Those already registered to vote in a general election need not register again, unless they have moved to another precinct since the last election. If in doubt about where one is eligible to vote, the resident should contact the registrar of his precinct. (Registrars are listed below).

Voters who want to change their party affiliation must do so prior to May 14. No change may be made at the polls on the day of the primary, May 28.

C. Z. Chappell, chairman of the county board of elections, reminds veterans who registered by mail while in the service, to register in person during the coming registration period.

No write-in votes are permitted in the primary. Each voter must vote either Democrat or Republican. Tickets can be split only in a general election. A primary merely chooses the candidates of each party who then run for election in November.

In this state where the Democrats far outnumber Republicans, the primary, in most counties, is the "election" which determines which office-seeker will take office.

Persons in service may apply to the county board of elections for an absentee ballot. This may be done on a form supplied them at their military post or by letter. The person applying must be 21, give his address and his party affiliation. The request for an absentee ballot should be mailed to C. Z. Chappell, Chairman, County Board of Elections, Beaufort, N. C.

Relatives of a service man or woman may not apply for an absentee ballot, according to Mr. Chappell. The service man or woman must make application.

Registrars for the coming primary are Clayton Fulcher Jr., Atlantic; U. E. Swann, Beaufort; Mrs. Cleveland Gillikin, Beaufort; Mrs. Essie Smith, Bogue.

Mrs. Royal G. Guthrie, Broad Creek; J. Bernis Goodwin, Cedar Island; A. D. Ennett Sr., Cedar Point; Mrs. Delia Pond Davis, Davis; Charles W. Hancock, Harkers Island; Wallace Conner, Harlowe.

I. F. Moore, Marshallberg; Thomas I. Carraway, Merrimon; E. Stamey Davis, Morehead precinct No. 1; Mrs. Paul King, Morehead precinct No. 2.

Edwin L. Garner, Newport; Mrs. Myrtle Gillikin, Otway; S. B. Meadows, Pelletier; Miss Marian Babb, Portsmouth; Charles T. Smith, Salter Path.

Daily Salter, Sea Level; Mrs. Bertie Simpson, Smyrna; Earl Fulcher, Stacy; J. C. Barker, Stella; Leon Chadwick, Straits; C. A. McCabe, Wildwood; Mrs. Robert L. Davis, Williston; Manly Eubanks, Wire Grass.

Accident Victim Still in Hospital

Still in Morehead City hospital yesterday was Otis Broom, Goldsboro, who was injured in an auto accident at 6:30 a.m. Saturday just south of the Atlantic Beach bridge.

Patrolman J. W. Sykes said Broom had an ear injury and was complaining of back trouble.

According to the patrolman, Broom was driving a 1953 Oldsmobile toward the beach and attempted to pass as Broom was about to turn left, apparently into Fleming's restaurant.

The impact knocked Broom's car across to the right and the Glancy car whirled and headed back toward Morehead City, running off the road to the left.

Both drivers were alone. The cars were demolished. Patrolman Sykes said yesterday his investigation of the accident was incomplete.

Two Carteret Druggists Fined

Two Carteret druggists were fined in eastern district federal court at New Bern Tuesday. Frank W. Heslop, Bell's Drug store, Beaufort, and Daniel Pigott, Carteret Drug store, Morehead City, were convicted of selling tranquilizers and other medicine without a doctor's prescription.

Each was fined \$200 and put on two years' probation. Bob Clark of the Bob Clark Pharmacy, Havelock, received a similar penalty on the same charge.

None of the three contested the charges. The violations allegedly occurred in the period from March to June 1959.

Two Kinston druggists were convicted on the same counts Monday. Alexander Hogan of Hogan's Pharmacy was fined \$500 and Thomas H. Suddreth \$300. Each was placed on two years' probation.

Judge Algernon Butler said, "It appears that careless operation methods brought on this investigation. Drugs that are beneficial to one person can be dangerous and harmful to another, and the requirement of a prescription for such drugs is wise."

"It is to be hoped these defendants will profit from their experience and observe the law as it is, and not as they think it ought to be."

Marine Killed Tuesday in Wreck On Highway 24

Camp Lejeune (AP)—A young Marine was killed and another critically injured Tuesday when their jeep was struck from behind by a tractor-trailer.

Driver of the tractor-trailer was Daniel E. Grayshock, 18, Jacksonville, formerly of Morehead City. He was not injured.

The dead man was Lance Cpl. Ron W. Creek, 21, of Rochester, N. Y. Critically injured and at the U. S. Naval Hospital here is Acting Gunner Sgt. Victor Kotay, 39, of Swansboro.

The mishap occurred on State Highway 24 as Creek, driver of the jeep, was turning into a training area four miles east of the Camp Lejeune main gate.

1960 March of Dimes In County Totals \$1,705

Raised in the January March of Dimes drive in Carteret was \$1,705.40, Bud Dixon, campaign chairman, reported yesterday.

Mr. Dixon said that he was pleased with the results of the campaign, although he had hoped for more.

Half of the proceeds stay in the county chapter of the National Foundation. The remainder goes to the National Foundation to support research and train personnel in treatment of polio, arthritis and birth defects.

Ten candidates have filed for office in this county, but there will be only one local ticket at the polls May 28. Two Democratic candidates have filed for constable of Morehead township. They are Bill Smith, Atlantic Beach, son of deputy sheriff George Smith, and Harry G. Williams, manager of the Albemarle Presbyterian camp.

I. D. Gillikin, Beaufort, is the Republican nominee for general assembly, and D. G. Bell the Democratic nominee.

As far as could be determined this week, only two Democrats are running for state senator in the district which includes Carteret: Luther Hamilton, Morehead City, who is seeking re-election, and Thomas White, Kinston. Each state senatorial district elects two.

The only Republican to file, in addition to Mr. Gillikin, is A. L. Wilson, Newport, for justice of the peace.

Philip K. Ball, Morehead City, is seeking re-nomination as county surveyor on the Democratic ticket. Running for justice of the peace are C. Elmer Smith and Charlie M. Krouse, Morehead City, and A. R. Craig, Newport, all Democrats.

The number of justices of the peace a community can have is based on population. All of those who have filed for the office automatically became candidates. None is competing for office against another.

Rudder Cable On Ferry Snaps

The rudder cable on the ferry, Sea Level, snapped Monday morning when the ferry hit a sand bar while moving from its mooring at Atlantic.

The ferry, unable to continue to Ocracoke, had its bow nosed toward the dock by one of Clayton Fulcher's shrimp trawlers and it drifted back to be tied up.

The ferry was towed to New Bern Tuesday for repairs.

Aboard Monday morning were about 20 persons bound for Ocracoke and the All-Seashore Highway association meeting there.

Among them were Norwood Young and W. H. Potter, Beaufort; J. A. DuBois, Morehead City; Mrs. Clayton Fulcher Jr., Atlantic; Ed Willard, Sea Level; Mayor Robinson, Southport; Nere Day, Jacksonville; and Jim Powers of Brunswick county.

The association members had a meeting aboard the ferry as it was being nudged back to its dock. They later informed the rest of the association at Ocracoke, by phone, what had transpired.

Four Forfeit Bond Tuesday

Four men forfeited bond in Atlantic Beach mayor's court at the town hall Tuesday night.

They were Robert D. Davis, Goldsboro, charged with public drunkenness; William C. Dorroh, Wilson, drinking beer on the streets and resisting arrest; Robert C. Wilkerson, Raleigh, using profane language in public and disturbing the peace; Keren C. Craddock, Durham, indecent exposure.

William C. Hutchinson, Cherry Point, convicted of buying beer for persons under age, was ordered to stay away from the beach for two years.

The boys for whom the beer was bought, according to police chief Bill Moore, were George H. Ellinwood, 17, Greensboro, who was restricted from the beach until he is 18 (legal age for consuming beer), and Edward L. Oliver Jr., 16, of Greensboro, who was restricted from the beach until he is 18.

Continued was the case of Perry J. Goodwin Jr., Cedar Island, who is charged with having an improper muffler and disturbing the peace.

Four Forfeit Bond Tuesday

Rufus Butner, president of the Morehead City chamber of commerce, remarked this week that the chamber is primarily interested in presenting to the full highway commission its views on bridge location and all major highway projects proposed for this area.

He said that people might have gotten the impression that the chamber, because of testimony given at last week's highway hearing, is against dual-laning of highway 70 between the intersections of highways 70 and 24 and highways 70 and 70-A.

The chamber, in a statement presented by Clyde Jones, expressed the hope that dual-laning of the proposed 2½-mile section of highway would not necessitate putting the bridge across Newport river right next to the present bridge.

If the dual-laning would nail down the bridge location, the chamber felt that it should not be approved until the full highway commission heard the chamber's views on the over-all long-range highway and traffic picture in this area.

Opening Car Door Struck by Pickup

Police estimated the damage to Willis' car at \$25 and that to the pickup at \$20. No charges were filed against either driver.

Patrolman E. D. O'Neal of the Morehead City police department investigated.
