## Miss Carteret Says Thank You

Miss Norma Jean Ingram, who has been chosen as Miss Carteret County and will represent the county in the state beauty pageant at Charlotte next month, has expressed her appreciation for the honor in a letter to THE NEWS-TIMES.

Miss Ingram, a resident of Pelletier, says, "I would like to express my thanks to all of those kind and generous people who made it possible for me to have a chance to become Miss Carteret. I am grateful to the sponsors, to the Jaycees, Mrs. Floy Garner, Mr. Ray Cummins, and the kind judges who placed their confidence in me to represent Carteret county at Charlotte in July.

"... this is such an unexpected honor and given so suddenly that I haven't recovered from the surprise and wonder of it all.

"My being chosen for first place has a Cinderella quality about it, since I am an unknown girl from a little-known place; besides, all the things that I wore in the pageant were borrowed at the last minute from friends.

"I hope that other girls will realize that if a Cinderella character like me could win, then they too would have an equal opportunity with other contestants.

"The experience of being in the contest, meeting other girls and doing something on my own has been a worthwhile experience in itself."

Miss Ingram expressed appreciation for newspaper coverage of the beauty contest and thanks for "well wishes stated editorially in the June 13 issue of the Carteret County News-Times."
