EVERYTHING

A lot of everything like what? Lots of people (a family of six). Lots of luggage (a vacation's-worth). Lots of engine (an inclined six that licked the other two new compacts in the Mobilgas Economy Run). Lots of punishment (it has a fully unitized body and a bump-shrugging torsion-bar suspension). Lots of everything but money (the price makes misers chortle with glee). Everything you'd expect from the King of the Compacts. Valiant, who else?,
