Woman Slips Cuttings From Artificial Plants

Knoxville, Tenn. (AP)—Casting a quick, slightly guilty glance around the lobby of a Knoxville hospital, a woman visitor produced a pair of scissors from her purse and proceeded to snip slips from the luxuriant plants.

Then, she carefully wrapped the greenery in paper moistened at a drinking fountain and hurried outside—apparently to transplant the pretty—and artificial—growth.

YEAR END CLEARANCE OF 1960 MERCURYS

Act Now—Get the year's best buy on the better low price car

The time is now . . . the place is here! You'll never again have a chance like this to own a car like this. We honestly believe you'll consider it the buy of a lifetime. To begin with, Mercury is priced \$63 to \$86 below—we repeat, below—the lowest-priced Chevrolet Impala or Plymouth Fury V-8*. And as if that weren't enough, we're now making deals that have our accountant spluttering, "you can't do that!" To top it all off, compare the car itself with the other low-price cars we mention!

You'll find that Mercury's wheelbase averages 7 to 8 inches longer. Up to 494 pounds heavier. Has more body insulation. Result: a smoother, quieter ride. Consider comfort. Mercury is roomier, more luxurious, has greater visibility. And Mercury also offers features like

self-adjusting brakes; a finish that never needs waxing; mufflers that are aluminumized for longer life. See what we mean? It's the better low-price car in every respect. Come in—get your best buy while we still have a good selection of models.
