

Seapups Whip Bears 13-7 in Grudge Battle

Come from Behind After Spotting Bears One TD

The Beaufort Seapups spotted New Bern one touchdown Thursday night and then fought back and scored two of their own to come from behind and hand the junior Bears a stinging 13-7 loss.

Last year the same two teams played in New Bern and the Bears waltzed to a one-sided 31-0 win. From the opening whistle Thursday it was apparent that the Seapups were out for revenge against their much larger and heavier foes.

Taking the opening kickoff, the Bears marched up the field running wide sweeps very effectively out of their single wing formation. A 20-yard sweep brought the Bears the first touchdown of the evening and a plunge for the extra point made the score 7-0 in their favor.

Not to be denied in the game they had waited 12 months for, the Seapups took the New Bern kickoff and began their march up the field that was to be capped by a

15-yard TD jaunt by halfback Tommy Bridgers. On the scoring play some smooth faking on the part of quarterback Robert Ison drew the entire Bear defense to the right side of the field while Bridgers and the ball were all alone on the left side. Gene Mason was sent over the center of the New Bern line for the extra point that knotted the score at 7-7.

Neither team was able to score in the second quarter although each did manage to stop the other's scoring drives. Beaufort stopped a New Bern drive on their own 40-yard line when they recovered a Bear fumble. Minutes later the Bears put the brakes on the Seapups by intercepting a Robert Ison aerial on their own 35-yard line.

The Seapups did their most spectacular ground gaining of the night in the third quarter as they marched to the winning touchdown.

Taking the New Bern kickoff to start the quarter, the Seapups ate up big chunks of yardage on the running of fullback Mahlon Williams and halfback Gene Mason. Williams reeled off 20 yards on a pitchout play and Mason followed with a 30-yard scamper to move the ball down to the Bear 15-yard line.

Another pitchout to Mahlon around the opposite side sent the fleet fullback across the double stripe for the six pointer. This time the try for the extra point failed as Tommy Bridgers was stopped just past the line of scrimmage.

The Bears staged a determined rally in the last minutes of the quarter but the tremendous Seapup defense arose to the occasion and stopped them cold.

With time running out New Bern

took to the air and a 35-yard aerial moved the ball to the Beaufort 17-yard line. A buck through the middle picked up another six to the Seapup 11. That was as far as they got though, as Tommy Bridgers threw the New Bern ball carrier for a 10-yard loss on the next play. Then on a fourth down and 14-to-go situation, pint-sized Bobby Taylor broke up an attempted aerial by spilling the passer four yards behind the line of scrimmage.

The Seapups took over on downs and ran the clock out with straight ahead plays.

Elbow Injury Shelves Hassell

The Beaufort Seadogs were handed a severe jolt Thursday when first string halfback Ray Hassell was sidelined for three weeks with a bone chip in his elbow.

Ray had complained of not being able to straighten his arm since the Pamlico game and an x-ray examination, on the advice of his family doctor, revealed the chipped bone. To prevent further agitation of the injury the elbow has been placed in a cast that will stay on for about three weeks, according to doctors.

In Ray's absence, head coach Curt Lancaster has shifted right end David Jones to halfback. Friday night against Vanceboro David found the new position to his liking, as he scored five touchdowns in Beaufort's 78-0 scalping of the Red Raiders.

Lancaster is hopeful that Ray will be ready for action again by Sept. 30 when the Seadogs meet the Camp Lejeune Devil Pups.

Picnickers Must Supply Everything for Event

Woodruff, S. C. (AP)—The Woodruff News, announcing the Order of the Eastern Star's annual picnic, reminded: "Members, their families and friends are invited, and are asked to bring a picnic lunch, tea, plate, fork and cup."

A steel bridge was put across the Colorado river at Moab, Utah, in 1912.

Beating the Clock
Omaha (AP)—The jet age sure is wonderful. Not long ago a KC-135 jet tanker of the 34th refueling squadron landed at its home base here some four hours (by the clock) before it left Anderson AFB, Guam. Departure time was 7:40 a.m., Guam time, and arrival in Omaha was 3:30 a.m., Omaha time—the same day. The plane crossed the international dateline en route. It actually beat the sun to the United States by about 4 1/2 hours.
