

Seadog of the Week

You Can't Stop Him If You Can't Catch Him

The Seadog of the week this week is one of the most electrifying players to ever wear the green and white uniform of the Beaufort Seadogs — David Jones.

David, a senior, is the type of player who is always in the game doing an outstanding job but you somehow aren't aware that he's playing until suddenly he reels off a long touchdown run or pass interception that sets the opposition back on its heels.

Eagles Seek First Grid Win Against Wilmington

The Morehead City Eagles will go out after their first football win of the 1960 season tonight when they take the field against the Wilmington B team in a grid contest set for 8 at Camp Glenn field.

In two games to date the Eagles have yet to taste victory. In a driving rain in their season's opener they were

forced to settle for a scoreless tie with the Richlands Wildcats and last week they were handed a 14-6 setback by the New Bern Bears.

The Camp Glenn field received some damage from Hurricane Donna but repairs are expected to be completed in time for tonight's game.

George Stovall, general manager of Carolina Power and Light Co., said that a power crew would make the repairs today to the lights at the field.

Even if repairs are made to the field and lights, there is still a possibility that the game would have to be postponed depending upon the whereabouts of Hurricane Ethel, which at press time yesterday was threatening the Gulf coast.

Since the first of the week the Eagles have been drilling mainly on pass defense in preparing for Wilmington. Their pass defense was their biggest weakness at New Bern as the Bears scored their only offensive touchdown through the air.

The squad, as a whole, came through the New Bern game with no serious injuries and will be in top physical shape for tonight's clash. Lonesome end Harold Wheelton received a gash on his left arm during the action but the cut was not a serious one.

Clark has made only one change in his lineup for tonight's game. The Beaufort town baseball team Sunday won the championship of the Carteret County Baseball League when they downed Havelock 8-0 in a game that was halted after five innings.

The two teams, first round playoff winners, played a single game to determine the league champion. Rain began to fall at the end of the fifth inning and play was stopped.

Fullback Bill Wade will be moved into the line where he will see guard action and halfback Ernest Lewis has been shifted to Wade's fullback slot. Speedster James Nolan will start at left halfback.

Tommy Salter, Beaufort southpaw, started on the mound for Beaufort and picked up the win as he allowed Havelock only two hits, a pair of singles.

Beaufort scored one run in the first inning and added three in the second, and two in each of the fourth and fifth.

Eagles Edge Lions 13-6; Jaycees Blank Elks 18-0

By NIKKI GALANTIS and RONETTA WILLIS

Approximately 400 people attended the opening of the Morehead City midget football season Saturday night at the Camp Glenn field and were rewarded with some exciting football.

In the opening game the Fry Eagles nipped the Lion Cubs 13-6 in a hard fought contest and in the nitecap the Elks rolled to an 18-0 decision over the Jaycee Blue Devils.

Dr. Robert Barnum, secretary of the Morehead City Football Boosters club, said that he was very satisfied with the way all of the teams played and the attendance, and added that it is hoped that even more people will attend the next game.

Some of the outstanding players in Saturday's doubleheader were Bill Sample, Garland Thompson, Ronnie Mizesko, Cecil Sewell, Eddie West, Borden Wallace, Tommy Morrow, Howard Barnum and Tom Dixon. All of these boys played Midget ball last year.

O. J. Morrow, finance chairman of the Boosters club, announces that another letter has been received from the National Pop Warner Conference inviting a Morehead City team to play in a bowl game in Philadelphia.

Barnum said that since the club's finances are so low (due to purchasing equipment for the Midgets this year) it won't be possible to make the trip unless some organization or business firm were to help with the travelling expenses.

He added that anyone interested in this could contact either himself or Dr. Barnum.

The Midgets will play another doubleheader this Saturday night at 7 provided hurricane damage at the field can be repaired in time. If not, the two games will be played Sunday afternoon at 1.

New Meeting Date Set The Beaufort town board will meet at 7 Tuesday night. The hearing on zoning, originally scheduled for this past Monday, will be held at that time.

Eagle of the Week

Leslie Nelson Begins 3rd Year as Starter

This week's selection for Eagle of the Week is rugged 200-pounder Leslie Nelson, who two weeks ago started his third year as first string tackle for Norman Clark.

Leslie has been in the Eagle starting lineup since he first came out for football as a sophomore.

That Leslie grew up loving football is no surprise as his father, Charles L. Nelson, was an outstanding player for Morehead City in the 1920's. A picture of the team that the senior Nelson played on is still hanging in the school.

His father was offered a football scholarship at State college upon graduation but declined the offer in order to go in business in Morehead City.

In this, his senior year at Morehead City, Leslie is the bulwark of the Eagle line that has proven to be the team's strength in games to date.

At New Bern Friday night Leslie was the fifth man in the Bear backfield as time and again he broke through to spill the New

Bern ball carriers for losses. His outstanding play earned him the honor of being chosen co-captain for tonight's game against Wilmington.

Leslie is 18 years old and has lived in Morehead City all his life. When not in school or on the football field Leslie likes to do carpentry work.

He has made several pieces of furniture for his home and this past summer helped his father build a garage.

Until Hurricane Donna, Leslie was earning school money by working weekends at Captain Bill's restaurant on the waterfront. Last summer he did construction work to stay in shape for football.

Leslie is also a member of the First Baptist church in Morehead City and is active in church affairs.

Bears Take 14-6 Decision Over Eagles in Tight Game

Norman Clark Says Eagle Mistakes Hurt Morehead

After being fought to a standstill throughout the first half Friday night by the fired-up Morehead City Eagles, the New Bern Bears scored two last-half touchdowns, one on a pass of their own and one on a Morehead City pass, to gain a 14-6 victory over the Eagles.

Approximately 3,000 people jammed the New Bern stadium to witness the game that had them cheering wildly from start to finish as the two teams staged a fierce battle under the brilliant stadium lights.

The Bears received the opening kickoff and on the first series of downs looked like they might have things pretty much their own way as they rolled for considerable yardage through the Eagle defense.

A double reverse, on the third play of the game, caught the Eagles off guard and netted 22 yards to move New Bern into Morehead City territory.

The Eagles dug in however, and held the Bears, forcing them to punt. This was the start of a kicking game that was to see the Eagles holding the upper hand throughout the first half.

The Eagles quick-kicked three times on third down in the first half and each of the kicks put the Bears back deep in their own territory.

The only real offensive threat by either team in the first two periods came just before the end of the half when wingback Donald Davis hit the middle of the Eagle line and broke through for 35 yards down to the Morehead City 25-yard line.

National Guard Commended

Civil Defense, law enforcement agencies and municipal authorities expressed appreciation this week to National Guardsmen who have been on duty since Donna struck.

A skeleton force of 15 enlisted men will continue patrolling Atlantic Beach until Monday morning, according to M/Sgt. Dennis Goodwin, unit administrator of the Morehead City National Guard unit. The force is under command of Sgt. Roger Hoggard, Morehead City.

The Morehead City unit, under Capt. Norman Harris, was called out at 3:30 a.m. Monday by mayor George Dill. The unit set up auxiliary power at the armory at Camp Glenn and established radio contact with upstate Guard units.

From 3:30 Monday morning until 5:30 p.m. Wednesday the Morehead City unit had 50 enlisted men and two officers on around-the-clock duty in Morehead City, Beaufort and Atlantic Beach. Guardsmen from New Bern reported Monday afternoon and stayed here until they were relieved Wednesday night. The New Bern contingent was comprised of 16 enlisted men and one officer.

Storm Slows, Doesn't Stop Fishing Activities

Despite havoc to Carteret fishing facilities by Hurricane Donna, a few fishing reports have been received.

Bill Fox, reporting from the beach, said that Mr. Loveridge of Raleigh had a large drink cooler full of puppy drum and gray trout and that other fishermen got speckled trout, spots, croakers, and sea mullets from the Salter Path surf.

E. L. Riggs and Leroy Ricks of Raleigh, fishing for two hours at Emerald Isle, had a five-gallon container full of speckled trout, croakers, pumpkins and blue fish. Also reported was a large school of mullets near Salter Path.

Havelock Travels to Beaufort Tonight for Conference Clash

Officials Expect to Have Field Readied for Game

The unpredictable Havelock Rams, who have been down and then up in their two grid games to date, will furnish the opposition for the Beaufort Seadogs tonight at 8 when the two teams meet on the Beaufort gridiron.

The Rams were beaten 26-7 in their season's opener two weeks ago and then came back to hand the perennially powerful Camp Lejeune Devil Pups a 12-7 loss last Friday.

Not getting too worked up over the victory over Camp Lejeune, the Rams' head coach John Barnes describes the Devil Pups as being "down" this year. "They lost some key personnel from last year and it has hurt them," said Barnes Wednesday speaking of Camp Lejeune.

Speaking of his own team, Barnes said, "We don't figure to be real strong either since we've got a young squad with a lot of boys who have never played football before." Barnes has only four starters back from last year's squad. They are tackles Kenneth Heath and Harry Avery, center Rod Lupton and halfback David Seaton.

"Right now Seaton is a doubtful starter at right halfback," said Barnes, "because of a bad charley-horse on his leg."

Seadog mentor Curt Lancaster is expected to go with the same starting lineup that he sent against Vanceboro last week. David Jones will again get the nod at the right halfback spot in place of injured Ray Hassell and John Nelson will man David's end position.

The latest word from school officials at Beaufort is that the two teams will be able to play on the field tonight. The new light poles were not damaged by the storm so, barring another one, everything appears set.

The Seadogs will more than likely play in the four and five-man lines they have used all year on defense in an attempt to stop the straight T attack of the Rams.

The Seadogs currently are tied with LaGrange for second place in the conference standings. Each team has won one game and has a lost record of one-half game lost. Ayden is riding the top of the heap with a record of one win and no
