Harkers Island to Host LDS Conference Sunday

The Church of Jesus Christ of Latter-Day Saints (Mormon) will have its quarterly conference for the North Carolina District at Harkers Island Sunday at the newly-constructed Latter-Day Saints chapel.

Meetings will be held from 10 a.m. to 12 noon and from 2:30 p.m. to 4:30 p.m. The public is invited.

George Z. Aposhian, president of the Central Atlantic States Mission of the Church of Jesus Christ of Latter-Day Saints, will be the main speaker.

President Aposhian is from Salt Lake City, Utah, but is now residing at the mission headquarters in Roanoke, Va.

Before President Aposhian was called to head the mission in the states of Virginia, North Carolina, and part of West Virginia, he was a prominent leader for the church in Salt Lake City for many years. He has been a councilman, a bishop and also a stake president.

Besides his many church duties, president Aposhian has been a prominent business man in the Salt Lake Valley. He was the former president of a Lions club, a member of the Desert Industries board, and president of the Olympus Board of Education.

Among his activities, he was for several years responsible for the camping program for the LDS girls in the Salt Lake Valley and was instrumental in building a large lodge in one of the canyons there. President Aposhian also supervised the operation of a lodge for a camp already established in another of the canyons.

These lodges will accommodate about 3,000 girls from the ages of 12 to 18 years, and will in the next few years accommodate up to 6,000 or 7,000 each year.

Since president Aposhian came to the mission in April of 1959, proselyting activities have greatly increased and over 821 new members have joined the church.

Between Sunday's two sessions, dinner will be spread on the grounds, weather permitting; otherwise, in the recreation hall.

Alton Willis is president of the Harkers Island branch of the church.

Marine Pilot Ejects Safely

A Whiteville, N. C., Marine jet pilot was picked up by a fishing boat in Pamlico Sound early Tuesday after he had ejected safely from his uncontrollable A4D Skyhawk jet.

Second lieutenant Robert H. Melville, 23, said the controls in his plane jammed after entering a high speed bombing run. He ejected at 15,000 feet. The plane crashed in the water between Bay River and Mays Point.

Lieutenant Melville is the son of Mr. and Mrs. G. R. Melville of route 1 Whiteville and the husband of the former Miss Marie Jenrette of Lake Waccamaw.

After parachuting to the water uninjured, he inflated his rubber life raft and was afloat when a fishing boat from Hobeoken picked him up. A few minutes later he was hoisted to a hovering Marine helicopter and returned to the air station.

After examination by a Navy doctor at the station hospital, Melville quickly visited another patient at the hospital, his wife, who is expecting their first child.

The Tar Heel pilot is a member of Marine Attack Squadron 533, a unit of 2nd Marine Aircraft Wing, based at Cherry Point.
