**Pirates, Newport Trade Cage Victories Friday**

The Newport Hawks and the Atlantic Pirates gained an even split in a pair of basketball games Friday night at Atlantic.

Atlantic received a record-breaking 47-point performance from Bonnie Brickhouse in the opener to down Newport 55-46 and the Hawks came back to take the nitecap from the Atlantic boys 52-40.

Brickhouse could hardly miss in the opener as she hit 18 of 21 shots from the floor to establish a new school record for a single game scoring total. The old record was 46 points. Bonnie added 11 of 19 free throw attempts for her 47 points.

Atlantic posted a 32-20 lead over the Hawkettes at halftime and then held off Newport in the final two quarters for their first win in three starts over their foes from the western part of the county.

Jenny Lynn Garner took scoring honors for the losers with her total of 31 points. Bette Green tallied nine points and Melanie Garner added six for Newport. Gloria Parker got five points and Annis Willis three to round out the Atlantic scoring.

Four girls, Jenney Mason, Annette Robinson, Jean Bell and Barbara Styron, saw all of the guard duty for the Pirates while Newport coach George Peacock used Lana Lineberger, Paula Mann, Dottie Whitley, Nancy Garner and Joyce Forest in the back court.

In the second game the Atlantic boys managed to stay pretty close to the Hawks for three quarters before falling behind in the last quarter when they lost three players on fouls.

The Hawks posted a 12-6 lead after eight minutes of play but saw this gap narrowed to three points by halftime as the two teams left the floor at intermission with Newport holding a 26-23 edge.

Both teams were cold in the third quarter but the Hawks added four points to their lead, taking a 37-30 advantage. In the fourth quarter, Atlantic lost Danny and Nicky Harvey and Robert Brittingham on fouls.

Scoring honors for the game went to Newport co-captain Winky Chadwick who tossed in seven field goals and a single free throw for 15 points. His team mate Johnny Thrower and Atlantic's Ray Talant took runner-up honors with 11 points apiece.

**Smyrna to Participate In Holiday Exhibition**

One of the finest holiday basketball attractions in the state will be staged in Elizabeth City this week and will involve four highly successful high school basketball teams.

Heading the four-team bracket for the two-night stand will be top-seeded Pantego high school which last year posted a record of 25 consecutive wins before bowing to Jonesville in the state tournament at High Point.

The Elizabeth City attraction is not a tournament, but rather is billed as a holiday doubleheader. The three teams participating, in addition to Pantego, are Smyrna, Pasquotank Central and Knapp. The first night of the doubleheader, Wednesday, pits Central against Pantego in the opener and Knapp against Smyrna in the nitecap. On Thursday night, Central plays Smyrna and Knapp takes on Pantego.

Pantego boasts another strong aggregation this year with all five of last year's starters back including 6-4 Bill Respress, the team's leading scorer and one of the most impressive players in last year's state tournament.

Smyrna, winner of 20 of 25 games last year, has compiled a 7-2 record to date this year. The Blue Devils finished second to Beaufort last year in the county tournament at Newport.

Knapp and Central reportedly are both strong this year too. Knapp is a new consolidated school in Currituck county and Central is favored to win their conference this year.

Nineteen colleges have indicated they will send scouts to the affair.

**Christmas Concert Ushers In MCHS Holiday Season**

By MARY PHILLIPS

Hi kids! Christmas is really in the air at MCHS. The Eagles' Nest (the lounge) has been decorated, complete with tree.

Sunday night the annual community Christmas service was held in the high school auditorium. In spite of the bad weather, a good crowd attended. It was really a beautiful service.

We were fortunate in having the Rev. Robert Wood of the Franklin Memorial Methodist church to deliver the message. Providing the music were the glee club and organists, Mrs. Theodore Phillips, and Miss Betsy Shanor.

These people are to be commended on the wonderful way they brought Christmas into our spiritual lives this year. We so seldom

stop to think of the real meaning of Christmas!

Something new has come into being at MCHS lately. Instead of having devotions in each home-room, members of the F-Y and Tri-Hi-Y have started giving us a devotional over the intercom every morning. It kind of puts your day off on the right foot, and gives you a warm feeling inside.

This week we get out for a well-deserved vacation. I know that everyone is just dying for Tuesday to roll around. On that day we will have chapel in the afternoon, with a Christmas program by the glee club and the band.

All the old favorites will be sung, and you'll get a chance too, so tune up your vocal cords!

Merry Christmas and Happy New Year!

**Clerk Probates, Files Four Wills**

Four wills have been probated and filed in the office of the clerk of court, Beaufort, since Nov. 29. On Nov. 29 the will of Gibson R. Mann, Newport, was filed. The will was drawn May 23, 1958 and was witnessed by J. B. Macy and Gerald Mitchell.

To his wife, Winnie Garner Mann, was left all real and personal property. Should she have died before him, the entire estate would have gone to G. E. Sanderson of Morehead City.

Mr. Sanderson, nephew of Mr. and Mrs. Mann, was named executor of the estate and was empowered by the will to sell any part of the estate to settle debts.

The will of W. R. Conner of Harlowe was filed Dec. 5. It was drawn Jan. 4, 1957, with J. D. Reese and C. R. Wheatly Jr. as witnesses.

The will directed that the executrix pay all debts and funeral expenses, erect a monument at his grave and arrange for maintenance of the cemetery lot. All real and personal property of every kind and description was left to his wife, Nollie Conner, who was also named executrix.

Mrs. Maude Rice Garner made her will Sept. 29, 1949. Witnessed by Herbert Rice, June Grall and Olive Longest, it was filed Dec. 6.

Mrs. Garner bequeathed her entire estate to her sister, Mrs. Rose Ramsey and named Mrs. Ramsey executrix of the estate.

Frank Leonard of Beaufort, whose will was filed Dec. 12, left all his property, both real and personal, to his wife, Margaret Leonard. She was named executrix and directed to pay all debts and funeral expenses.

Alma Truitt Guthrie and Lollie Mae Sanders witnessed the will, drawn March 19, 1958.

Roy Bennett, extension tobacco specialist, will be tonight's speaker. He will show color slides and reveal the latest information on tobacco production.

At Thursday's Farm Bureau meeting at Camp Glenn school, John Curtis, State College, advised his listeners that "preparation prevents poor performance."

Mr. Curtis said, "Always set a plan, a goal and work toward that goal."

Ten silver dollars were given as door prizes. The turkey door prize was won by David Warwick, assistant farm agent.

**PREPARE NOW TO HAVE A MERRIER CHRISTMAS NEXT YEAR**

Our Miss Senior is a real crazy character! (Just kidding, of course.) She is none other than Jacquelyn Eure Roberts, or just plain ol' Jacquie. She is the daughter of Mr. and Mrs. A. E. Roberts, with whom she lives at 1508 Arendell St. Jacquie came rolling along on Oct. 13, 1942, and is 18 years of age.

Jacquie is an attractive girl with brown hair and brown eyes. She is 5'5" tall, and weighs 115 lbs. Among her favorites are subject, bookkeeping; teacher, Mrs. Helen Bailey; song, Alone at Last; singer, Connie Francis; food, steak and french fried potatoes; pastime, being with Mike.

As her most used hobby, Jacquie enjoys eating. While in high school she has been found in FTA, FHA, FBLA and the Tri-Hi-Y. Her pet peeve is for Mike to slap her in the face. Jacquie is an active member of the First Methodist church.

After graduating, she plans to go to Woman's college for a one-year commercial course. Best of luck, Jacquie, in everything!

Mr. Senior is a fellow you're likely to see, should you happen to venture into Hills, Inc. Of course, I'm talking about Michael Roy Willis. He is the son of Mr. and Mrs. R. H. Willis, with whom he lives at route 1 Morehead City. Mike appeared on July 26, 1943, and is 17 years old.

Mike's a cute rascal, with brown hair and green eyes. He stands 6'2" tall, and weighs in at 140 lbs. In picking his favorites he decided on, subject, government; teacher, no particular one; song, Alone at Last; singer, Johnny Mathis; food, steak and french fries; pastime, being with Jacquie.

As a hobby, Mike enjoys to sleep more than anything else! (Next to being with J. R., that is!) While in high school, Mike has participated in the chorus, FBLA, and the wheel club. His pet peeve is George E. Jackson. Mike is a member of the First Baptist church.

For the future, Mike is undecided as to what his plans are. Best wishes, Mike, in whatever you attempt!
