

Civil Defense Approves \$41,157 for Beaufort

The State Civil Defense organization has approved \$41,157.20 for the town of Beaufort in emergency hurricane relief funds.

Ronald Earl Mason, who went to Raleigh last week to meet with Civil Defense officials, said that the amount now must be approved by the federal government. He says it is assumed that state approval means federal OK as well. The money was spent by the town of Beaufort for clean-up, and repair to sewer lines, streets, etc., after hurricane Donna Sept. 11.

Atlantic Students Look Forward to Yule Holidays

By MARJORIE WEBB

Hi, folks, young and old! I don't know about you, but the students of AHS have kept pretty busy studying their lessons. The Christmas holidays will be welcomed very much.

Along with the Christmas spirit, quite a few students have caught the flu bug or a cold. Adding her share of cold germs is Judy Golden and she has just the "stuff" to cure colds. Eva testifies that it nearly cures you, too.

Already planned for Christmas

celebrating are two parties. The first, to be given Monday night, Dec. 19, is the school supper and party sponsored by the student council. Each class is responsible for part of the menu. I understand that there will be a Christmas program given by the speech and dramatics class, a movie, and other entertainment.

Tuesday night, Dec. 20, the FHA is sponsoring a dance at the Scout hut. One of the highlights of the evening should be the talent show. More details on this later.

School spirit day was inaugurated Friday, Dec. 9, and was a satisfactory effort in many respects. There were so many purple and white outfits and bows, displays of spirit and pride, and friendliness! Can't we continue demonstrating school spirit, pride and friendliness on "ordinary" days?

We were honored on Friday morning, Dec. 2, to have the Rev. Gordon Sebastian to speak to us in chapel. On Dec. 9, the Rev. Bobby Jackson, who is the speaker at the revival services at the Stacy Free Will Baptist church, was our guest speaker.

Friday night, Dec. 9, we played basketball at Smyrna. It is regretfully reported that we lost both games. Some Atlantic fans who traveled to Smyrna to see the games enjoyed the "fashion show" featuring the SHS boys' team in their new coats and the group singing of their school song.

The sophomore girls are busy sewing their wool skirts and tops. With the joy of assembling a garment come the interesting, funny, and sad problems. Who hasn't had trouble in matching plaids, putting in zippers, fitting and "dry cleaning"?

Miss Senior

Mr. and Mrs. Allen Jones' only child, Florence Mae Jones, represents AHS this week. She was born Sept. 12, 1943, at Morehead City. Florence Mae has light brown hair and brown eyes, the finest complexion of them all, is 5 feet 5 1/2 inches tall and weighs 126 pounds. She is a member of the Atlantic Methodist church.

The pretty Theme from the Apartment is Florence Mae's favorite song, while the Platters are her favorite singers. Also among her favorite entertainers are actress Elizabeth Taylor and actor Rock Hudson. American Problems with Mr. Johnson as teacher is her favorite class.

Florence Mae ranks steak as her favorite food, watching tv and sewing as her hobbies, tests as her pet peeve, the prom of 1960 as her favorite event, and "Let us pray" as her most used phrase. Glee club and 4-H have con-

Register of Deeds Lists 47 Realty Transactions

(Editor's Note: In recording real estate transfers, the law does not require that the amount paid for the property be stated in the deed. A token amount, such as \$10 or \$100, may be stipulated.

Attached to each deed, however, must be United States documentary stamps, the value of the stamps based on the price paid for the property.

Property which changes hands for less than \$101 requires no stamp, according to Odell Merrill, register of deeds. Property which brings a price between \$101 and \$500 must bear a stamp valued at 55 cents. From \$501 to \$1,000, the stamps affixed to the deed total \$1.10, and thereafter for each additional \$500 paid for the property the stamp value goes up 55 cents.

From the value of the stamps placed on a deed an estimation of the price paid for the property can be determined. In the transfers listed below, the seller is listed first, the buyer second, and finally, the value of the stamp affixed to the deed).
