

Town Votes on Armory Tomorrow

This is the recently-built National Guard armory at Smithfield, which was built at a cost slightly less than the estimated total cost, \$135,000, of the proposed Morehead City armory. Seventy-five per cent of armory cost will be borne by the federal government and 12½ per cent by the state. Ballots in tomorrow's referendum will give the town authority to borrow "up to \$50,000" for armory costs. Town officials say they will borrow only the amount necessary for land acquisition and the town's share of construction costs, which totals slightly more than \$36,000. The funds must be committed by June 30.

Candidates Will Appear In Two Forums

- Programs Will Be At Morehead School
- Tuesday, Wednesday Nights Set by JC's

Morehead City Jaycees will sponsor two forums at Morehead City high school next week to give citizens the opportunity to meet candidates, and to stimulate interest in the primary.

Democrats will appear Tuesday night and Republicans Wednesday. The forums will start at 7:30.

The Tuesday night forum is being sponsored in cooperation with the Young Democrats of the county and the Wednesday forum in cooperation with the County Republican club. Jaycees say that after candidates have spoken, each party, on its designated night, may conduct a rally or any other political activity.

Each candidate will be given three minutes to put forth his platform. Jaycees ask that each make positive statements and express views on the responsibilities of the office which he seeks.

There will be no question and answer session.

The forums are being planned by the governmental affairs committee of the Jaycees, Art Sanchez, Billy Oglesby and Keith Oates.

Closing Events Set at MCHS

Speakers for the baccalaureate sermon and commencement exercises for Morehead City high school will be the Rev. William H. Jennings, New Bern, and the Hon. David N. Henderson, congressman, Wallace, announces Lenwood Lee, principal.

Mr. Jennings is the pastor of the St. Andrew's Lutheran church, New Bern.

The baccalaureate sermon will be given during a service beginning at 8 p.m. Sunday, May 27. The graduation will be held at 8 p.m., Thursday, May 31. Both will be at the school.

Parents of the eighth graders and the seniors will be invited to programs for each group. The eighth grade program will be at the school Tuesday, May 29, at 10:30 a.m. and the Senior Day program will be at 10:30 a.m. the following day, Friday, May 30.

Valedictorian of the senior class is Lorraine Hatcher, daughter of Dr. and Mrs. S. W. Hatcher. Salutatorian is Ruth Fussell, daughter of Mr. and Mrs. John Fussell.

County Honors Cherry Point

Cherry Point Marines are getting the red carpet treatment this week in Carteret, with free hotel and motel accommodations, fishing, movies, boat launching and docking during "Marine Appreciation Week."

In addition, free passes for rides and bowling have been provided. Fishing is free for Marines during the week at the fishing piers on Bogue Banks. The headboats Danco and Carolina Queen are providing fishing for Marines through today. On-street parking in Morehead City and Beaufort is free for cars bearing Cherry Point stickers.

Civic groups in Beaufort and Morehead City invited Marines as guests, and the Elks Lodge, Morehead City, is open to Marines.

Tuesday's 91 Was High for This Year

Tuesday's 91 degree was the high so far for the year, according to E. Stanley Davis, weather observer. It was a taste of what is to come. Monday saw the low for the period in both daytime and night temperatures, with a high of 74 and a low of 55.

Another of those shifts in the wind caused a considerable drop in temperature Wednesday, with the mercury falling to the maximum for the 24-hour period. Skies were clear. No rain was recorded.

Beach Board Hears Street Paving Report

All streets in Atlantic Beach are now paved.

This was the report beach town commissioners heard at their meeting Friday morning at the town hall.

Charles Walters, street commissioner, said that the recently-paved streets, which now make the paving complete, were Charlotte avenue from Fort Macon road to W. Boardwalk alley, three-and-a-half blocks; and West Boardwalk alley, between Charlotte and Durham streets.

M. G. Coyle, town clerk, reported that the 1962-63 tax abstracts have been set up.

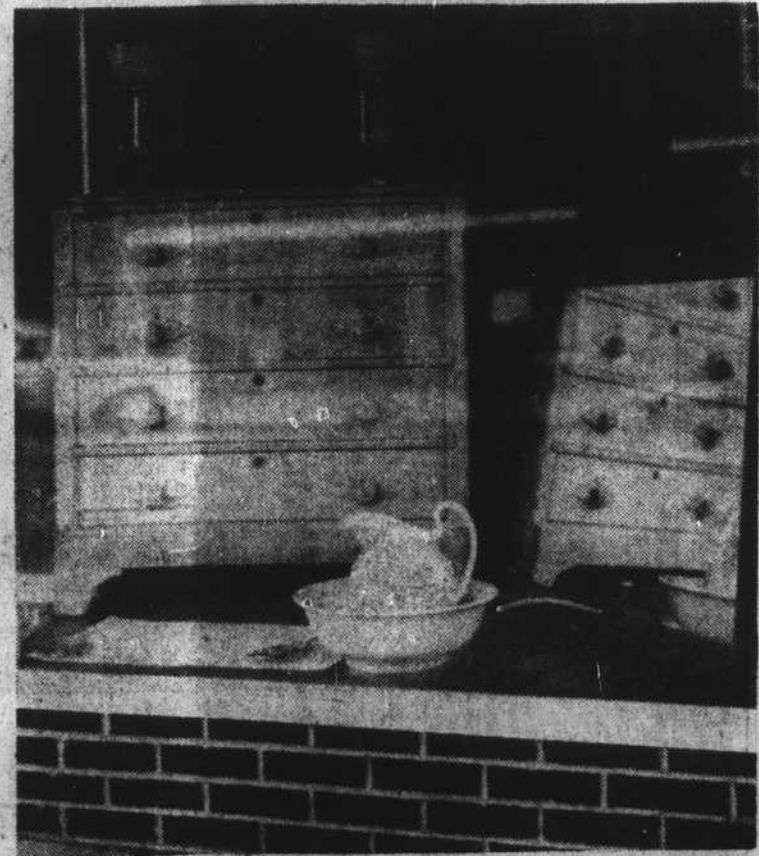

Town attorney George McNeill was requested to amend the peddler ordinance to prohibit peddling from a motor vehicle in the congested business areas.

Commissioner Walters suggested that the town consider purchase of a garbage truck and do its own garbage collection work. The commissioners said other equipment was involved and no decision could be made at this time.

It was noted that there were no complaints against the present garbage collector, who is working under contract.

Mayor A. B. Cooper presided. Present, in addition to those mentioned, were commissioners W. L. Derrickson, Mack Smith and R. A. Barefoot. Chief of police Bill Moore was also present.

For Antique-Lovers

To raise funds, the Beaufort Historical association is offering these items of antique furniture.

The chest of drawers will be finished to the owner's specifications. On the chest of drawers is a pair of lusters, mantel piece ornaments valued at \$100. The chest of drawers is reflected in the walnut-framed mirror, right, and the fourth item to be given is the bowl and pitcher set.

The furniture is on display in the Potter building, between Downum's and the Vogue, Front street, Beaufort.

Candidate Says Opponent Carelessly Spends Tax Funds

Political Letters Will Not be Used

Several letters to the editor have been received commenting on candidates for office, their qualifications and personalities.

While THE NEWS-TIMES would like to publish such letters that are not libelous, it cannot do so because there would not be space between now and May 28, day of the primary, to publish all letters of that type which would flood the newspaper office.

In fairness to all, therefore, none will be published. — The Editor.

S. A. Chalk Jr., candidate for the third Congressional district seat, charged today that his opponent, who is a member of the House Postoffice committee, is increasing the postal deficit by using his privilege as a congressman to send "free" mail to congratulate high school students "upon the accomplishment of high school graduation" before they graduate.

Commenting on this Mr. Chalk said: "The administration is advocating an increase in postal rates, and my opponent is contributing to the huge deficit, which makes such an increase necessary. I have in my office a large manila envelope received by a constituent before May 12, 1962, under my opponent's free mail privilege that, if paid for by him, would have cost 16 cents for postage alone. The congratulations enclosed are premature, as everyone knows not a single school in the third district has had a graduation exercise."

"This is a cheap way for him to campaign, to bring his name to the attention of the parents of the graduate, but expensive to the taxpayer, as under industry standards, the cost of the mailing is not less than \$1 for each addressee."

"If my opponent paid for this out of his own pocket, he should announce this fact, because the impression is that it was paid for with tax funds."

"If elected, I shall introduce legislation to prohibit a member of Congress from using the mails to send unsolicited material of this type at taxpayer expense," Mr. Chalk said.

Congress Fund Now Totals \$435

An additional \$10 received this week has pushed the Chalk for Congress Fund to \$435.

By Tuesday, \$217.58 of the fund had been committed in newspaper advertising throughout the Third Congressional district (except Carteret) and \$122.25 in radio spot announcements, promoting the candidacy of S. A. Chalk Jr., Morehead City.

With just a few more dollars, the fund would be able to buy time on two television stations during the coming week. Anyone who has considered contributing to Mr. Chalk's campaign and has neglected to do so, is urged to send in his check at once.

All political advertisements must be paid for in advance and delay in placing the orders means that the "best spots" in radio and tv time may already be committed.

Contributions for THE NEWS-TIMES Chalk for Congress fund should be mailed to THE NEWS-TIMES, Morehead City, and a note on the face of the check should indicate that it is for the Chalk for Congress fund.

A detailed report on how the money was spent will be given following the May 26 primary.

4-H Sunday

The South River junior and senior 4-H clubs will sponsor a 4-H Sunday service at 2:30 p.m. Sunday in Edwards Chapel Free Will Baptist church.

Chorus to Give Concert Tonight

Ralph Wade, director of the Morehead City high school chorus, cordially invites the public to the annual spring choral concert tonight at 8 in the school auditorium. There is no admission charge. The program, as given by Mr. Wade, follows:

Now Let Every Tongue Adore Thee, Brother James Air and Pilgrim Chorus will be sung by the entire chorus to open the program. The girls' glee club will follow with three numbers, Clouds, Let All My Life be Music and Song of Love.

The chorus will sing Spirit Flower, Lost and Oklahoma, after which a trombone quartet will be featured, playing Viking Saga. The boys' glee club will sing two selections, They Call it America and Rollin' Down to Jordan.

The final portion of the program will be four songs by the chorus, Bring Dat Sinner Home, Climbing, Let's Take an Old-Fashioned Walk and Buggy Ride.

Two 15-Year-Old Boys Held For String of Break-Ins

Two 15-year-old boys, residents of Morehead City, were taken into custody by the sheriff's department Wednesday and were being held in the juvenile detention rooms of the county jail yesterday.

The two white youths have confessed, according to deputy sheriff Bruce Edwards of the sheriff's department, to a string of break-ins and petty thefts at business places in Beaufort and Morehead City over the past month. The sheriff's department said most of the break-ins occurred during the past two weeks.

One of the defendants returned from training school about five weeks ago. Deputy Edwards said that after one of the boys was taken into custody, surrendered by his parents, the parents of the other brought him in.

Both are being held, pending setting of a date for hearing before juvenile judge A. H. James. From Belk's department store, the boys stole clothing and two suitcases. They kept the clothing in an abandoned bathroom at the beach where they would go to change into it from the clothing they put on at home.

The clothing and the suitcases were recovered, but money, taken from several places, had been spent. Belk's manager, Earl Lewis, valued the clothing (including pairs of shoes) at more than \$100.

The boys admitted entering the following places, the deputy said: Luigi's Bakery, Belk's; St. Andrew's church where one time they got \$1.15 and another time 75 cents; Capt. Bill's where they took five silver dollars, some pennies, old coins, candy and cigars, and Adams Furniture Co.

The boys were unsuccessful in attempts to enter Leary's, Wachovia bank, City Newsstand, Veta's, Morehead City Drug Co., Hardware and Building Supply, Rupert Willis Hardware and Willis Auto Supply.

Two Children Hurt in Crash

James and Joyce King, children of Mr. and Mrs. Hubert King, Beaufort, were injured in an automobile accident at Duncon, Okla., Sunday. James received a severe cut on the head and Joyce suffered a broken pelvis, broken collarbone and broken leg.

Joyce was placed on the critical list after the accident, but she has undergone surgery and is reported to be a little better.

Mrs. King and the children were called to Oklahoma several weeks ago by the illness of Mrs. King's mother, Mrs. E. J. Gibbs of route 2 Duncon. The accident happened while the children were en route to church with friends.

Mr. King left Tuesday morning to join his family in Oklahoma. He hopes to be able to stay until the children are well enough to be brought home.

State Senior Golfers Will Play Here Sunday

North Carolina Seniors Golf association will hold a tournament Saturday and Sunday over the Morehead City Golf club course.

After play, starting at 9 a.m. Saturday, all golfers will be on their own until 7 p.m. when they will gather for a dinner at the golf clubhouse.

Morehead City residents will decide at the polls tomorrow whether they want to borrow \$36,125 to buy land and pay their share of construction costs for an armory.

Voting will begin at 6:30 a.m. at the municipal building and will end at 6:30 p.m.

Mrs. A. N. Willis, registrar, says 1,600 residents of Morehead City are eligible to vote. Of that number, 804 are women and 796 men.

The building will be of brick and masonry construction and contain 13,560 feet of floor space. It will be situated, if the referendum passes, on Bridges street, north of the present commercial fisheries building at Camp Glenn. It would be several hundred feet in a north-east direction from the present temporary buildings used as an armory.

The State Board of Conservation and Development has agreed to sell the land to the town, approximately five acres, for \$19,250.

The state has informed town officials that the selling price is slightly less than the figure furnished it by local realtors who appraised it. An effort to have the state donate the land to the town was not successful.

FSGt. Dennis Goodwin, administrator of the Morehead City National Guard unit, said that by using land to which the state already has title, the town has been able to defer actual purchase until after the voters speak. Had it been necessary to acquire land from a private property owner, the National Guard would have required that the town show ownership of title and transfer to the state prior to the referendum.

He added that this is the only large plot of ground within town limits that is available. Had property been acquired elsewhere, the town would have had to bear the expense of supplying water and sewage facilities.

"There have been rumors that the land's price is too high," said sergeant Goodwin, "actually, it is the most judicious purchase the town could make. This way, we don't actually have to invest money in it before we see which way the referendum goes. And if we buy it, utilities and town service are readily available."

The armory's main entrance will be on Bridges street. The parking lot will be situated adjacent to Bridges and the street which leads south to the water.

"Some of those who would like to see this referendum defeated," sergeant Goodwin said, "are telling our Negro voters that they won't be permitted to use the armory. Our Negro citizens," he continued, "who belong to civic organizations, churches and similar groups can use the armory for special occasions in the same manner as any other group," the sergeant emphasized.

Many civic organizations have endorsed the armory. Those who have recently announced approval are the Morehead City Merchants association and World War I veterans.

George Stovall, president of the merchants association, said, "We see a definite advantage in the armory, a means of boosting business — another step forward for Morehead City."

Persons who would like further information (facts, not rumors) on armory plans, are invited to call sergeant Goodwin at PA6-5045, or Dr. Russell Outlaw, PA6-3162.

The last time Morehead City residents went to the polls in a municipal referendum, they voted 74 to 71 in favor of a 10-cent levy for recreation funds. The vote was taken June 3, 1950.

Firemen Called to Webb Home; Mattress Burns

A lighted cigarette at a mattress generated a call at 10:05 p.m. Monday for the Morehead City firemen. The call was to the home of Mrs. M. S. Webb, 2208 Arendell St., where firemen found the mattress outside the house.

Firemen effectively smothered the fire, and returned to the station.

Three Pay Fines; Stokes to Serve 18-Month Term

A breaking and entering case and another case of drunken driving brought fines of \$100 and over in county court Tuesday.

Roy Allen Gray, charged with drunken driving, was fined \$100 and costs, and Rodney D. Kible and Edward A. Xander were fined \$110 and costs jointly for breaking and entering.

Larrie Stokes, on probation for a previous offense, got an 18-month sentence for breaking probation. Stokes will serve the 18 months concurrently with a sentence he is now serving.

Fined for speeding were Glenn Davis Gillikin, \$3 and costs; Louis Dornie, \$5 and costs; David Ferguson, \$2 and costs; Lindbergh Carter, \$1 and costs; Joseph Clark Willis, \$2 and costs; Hughling Brockway Jones, \$5 and costs.

Wilbur Earl Gaskins, \$10 and costs; Harvey Webster Jr., \$2 and costs; Gayle Wilson Straub, \$2 and costs; Albert Gene Tyndall, \$8 and costs; James Dixon Wilson, \$5 and costs.

Earl Dayton Huffman, \$5 and costs; Robert Beatty Simpson, \$3 and costs; and John J. Flanagan, \$5 and costs. Zebedee Lewis Wilkins was fined \$10 and costs for speeding and having an expired driver's license. Wilkins also forfeited a bond on a charge of improper equipment.

Also fined were Aubrey Lee Blue, failure to dim lights, \$10 and costs; Dana Floss Guthrie, reckless driving, driving on wrong side of road, \$10 and costs; Leon S. Kisowski, improper muffler, \$5 and costs; and James Ronald Bennett, driving on wrong side of road, \$10 and costs.

Paying the costs for various offenses were Eugene Wesley Winans, James Leonard Havhe, Samuel Paul Whitchard, Ivan Lawrence Willard, William Clifford Neal, Vernon Wayne Tyson, Raymond Craven Bert, Raymond A. Alexander, Roy Miles Sykes and George A. Worrell, all for speeding.

Jack Bell, drunk and disorderly, fighting and destroying private property; Robert Stanley Miller, no driver's license; Larry Wayne Teel, passing in a no passing zone; Russell Elmer Struyk, speeding and no driver's license.

Edgar Lewis, assault; Michael Gray Willis, failure to stop at a stop sign and violating restrictions on driver's license; Judith Moore Haye, following too closely; Clyde Wayne Sullivan, expired driver's license, Wanda Ruth Hardesty, improper driver's license; Lena Dickenson Outlaw, expired driver's license.

Two defendants got a period of time in which to pay the costs. They were Orle Fred Vanderoll, who got 30 days in which to pay, and Roy W. Tyler, who got a week in which to pay. Both were charged with speeding.

Paying one-half of the costs were David Gray Whitford, Wayne Estes Beaver, Franklin Calvin Gaskins, James Phillip Altman, David Lee Jones, and Monzelle Norris, all for improper muffler; James Earl Heath and James Ellis Nunn, both for improper equipment; David Carter Richardson, violating restrictions on driver's license.

Milton Eddie Scott, failure to keep a proper lookout resulting in an accident; Rachel Cooke Welch, speeding; Theodore Robert Boutwell, improper registration; Jack Carleton Gray, no driver's license; and John Charles Campobasso, improper brakes and no red flag on end of truck load.

Failure to appear cost the following bonds, which were posted prior to the court session: Glenn
