

Seadogs Pound Eagles for 10 Runs Tuesday; Eagles Score 1

Beaufort's Seadogs erupted for seven runs in the third inning Tuesday afternoon in Beaufort and then produced three more in the next frame to hand Morehead City a 10-1 setback.

It was the second time this year the Seadogs have defeated the Eagles. Their last encounter ended with the Seadogs taking home a slim 3-2 win.

Beaufort had been on a losing streak prior to the Tuesday game, having dropped their last two decisions, while the Eagles had captured wins in the last two games.

The decisions in the Coastal Plains conference are going either way. Morehead City has defeated two conference foes that have handed the Seadogs two losses.

Morehead took wins over Pamlico and Wallace-Rose Hill. Both teams have defeated the Seadogs.

In Tuesday's game, Morehead City took an early 1-0 lead in the third inning when Bernard Leary advanced to second base on three Beaufort errors. Catcher Danny McQueen collected a single that drove in the Eagles' only run.

In the Seadogs' half of the third frame, Chris Pake started the action with a single, Clem Woodard also had a single, and Johnny Hassell was good for a base hit that drove in two runs.

Wayne Merrill collected a hit. The next three men for the Seadogs got safely on base on Eagle errors.

Morehead City pitcher Leary couldn't find the range and the next three runs were walked in.

The Eagles committed four bobbles and walked four men in the third frame.

Clem Woodard held the Eagles to only one hit and the Seadogs got their 10 runs on nine hits.

Both teams are 3-4 in the conference.

Morehead City will play Wake Forest today in Morehead City. Beaufort will travel to Jones-Central.

Morehead City catcher Danny McQueen looks dejected as another Beaufort run crosses the plate. Scoring the run was Brady Way who made it home when Bernard Leary, the Eagle pitcher, walked a Beaufort batter with the bases loaded. The game was played Tuesday afternoon. Beaufort won 10-1.

Beaufort's Hawks marked up their second win of the season with a 9-8 victory over Vanceboro Wednesday afternoon.

The Hawks now have a 2-2 season record, having dropped two games to the Carteret-Craven conference leader, Smyrna.

Newport was on their own home ground and jumped to an early 3-0 lead in the first inning when Dwayne Oglesby started the rally with a base hit. Oglesby stole second and third on errors.

Second baseman Billy Livingston drove Oglesby home with a sacrifice fly. Sammy Lilly was issued a walk and Tony Minatel cleared the bases with a home run.

The visiting Vanceboro team came alive and scored eight runs. Going into the bottom of the sixth frame the Hawks found themselves on the short end of a 8-6 score.

Newport's Cecil Hardesty rapped his second double of the day to start another Hawk rally. Leo Winberry went to first on an error, Oglesby was sent to first with a base on balls, Livingston collected a double to send in two men and Oglesby scored on a wild throw.

Fishing is off to an early start around the county with charter boats, piers and headboats all sharing in the success.

Reports coming in indicate an early appearance of many of the spring species, which, if favorable weather prevails, should give the area one of the best spring fishing seasons in years.

Red snapper heads the list of species to arrive early this year. Anglers aboard the headboats Danco and Carolina Queen are enjoying phenomenal reef fishing which has been the best of any season since the boats have started operating in this area.

Fishermen are coming in loaded with red snapper, grouper, sea bass and porgies. Both boats are sailing on a weekend schedule at present, but daily trips will begin soon.

Ocean pier fishing is producing an abundance of whiting with occasional bluefish. So far, the bluefish have not been extensively fished for, due to the excellence of whiting fishing, and most observers believe that the "spring run" of bluefish is due to begin any day. Offshore trolling was good during the weekend and was highlighted by the season's first catch of king mackerel. Fred Hayes and a group from Greensboro, fishing aboard the Dolphin III, had a catch of 11 kings, 30 amberjack, 4 albacore and assorted bottom fish.

The largest of the amberjack was weighed in at 80 pounds which is a record for the young season. On the charter boat Dolphin, Ray Beard, and others from Butler, caught seven kings, 25 amberjack, two albacore and several bottom fish.

The blues have arrived at Cape Lookout and small boats trolling near the breakwater there have been encountering schools of large bluefish, according to E. T. Crede, Harkers Island. Some of the blues have weighed over two pounds a piece and catches have been heavy.

On Tuesday, April 23, Mrs. Harry Salter, Morehead City, of the Fabulous Fisherettes, caught a 7 1/2-pound black drum while fishing off Sportsman pier.

Hawks Chalk Up Second Win, Beat Vanceboro

The Newport Little League has opened its season in fine fashion. Approximately 90 boys have applied to play in the league this season.

Wiley L. Wall, publicity chairman, says the response is sufficient to justify two Minor league teams in addition to the four Major teams already established. Mr. Wall said sponsorship of the two Minor teams is pending.

The four Major teams already in action are the Rotary, VFW, Nel-Roy and Moose. These teams opened their season Thursday with a twin bill.

The Rotary took on the VFW at the Newport Little League park at 1:30 p.m. and the Nel-Roy vs. Moose game followed.

He stated the most urgent need is the participation of adult women in the operation of the concession stand during game time Tuesday and Wednesday afternoons and Saturdays.

Persons who are willing to serve in this capacity are requested to contact the league vice-president, J. T. Creech or Harry Livingston, player agent in Newport.

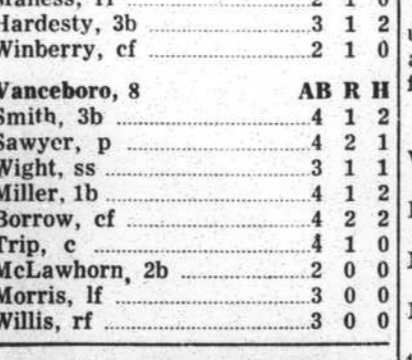

All week games will start at 5 p.m. and Saturday games will begin at 1:30 p.m. with the second game to follow.

The umpire in chief will determine when game is to be called, according to rules.

The following is the game schedule (it is suggested that players and managers clip the schedule for future references):

Season to Open Tomorrow; Rookies Join Little League

By FLOYD CRADWICK JR.

The Morehead City Little League opens its '63 season, with a single game tomorrow morning and a doubleheader in the afternoon, as the farm teams of the Morehead City Little League swing into action.

Play will be at Chadwick field on the Camp Glenn school grounds. All six clubs in the Minors have awaited opening day with great enthusiasm. The league encourages the parents and friends of the boys to see the games.

At the parent night this past Monday, plans materialized to expand the Morehead City program for the third time in four years. Thomas Vinston offered to help; so on Saturday afternoon at 4:30, all boys who were not placed on either of the six teams in the Minors or the four-team Major, are to meet with Mr. Vinston and his coaches at Lupton's field.

The league will outfit these boys with a shirt and baseball cap. The boys will divide in groups and participate as do the other boys in the program, and will provide replacements on the other teams.

This Rookie league offers a fine chance for the young boy of 8 to compete with boys, who in most instances will be his own age, and in this limited group, more time can be taken to help him in his initial approach to baseball.

At the Majors opener on Wednesday, May 8, at 4 p.m., all boys are expected to be on hand in uniform to participate in the pre-game ceremony, the Majors, Minors, and also the Rookies.

In 1960, Russ Willan, Eugene Yeager and a few men took the bull by the horns, and started the

farm team of the Morehead program, resulting in playing 60 boys in the Minors, as well as the 60 in the Majors.

In 1961, the Minors expanded to 120 boys, making the program available to a total of 180 boys. Now with the new expansion, the league will play 210 boys.

Our thanks especially go to Mr. Vinston in that his boy was placed on one of the farm teams, and he knew it when he presented himself.

His remarks at this time were to the effect that he wanted all the boys who wanted to play to be given a chance.

This kind of cooperation throughout the years in the Morehead City Little League, with the help of the town and townspeople, is what has made the program so successful.

Billy Casper and Jack Nicklaus finished fourth in three PGA golf tournaments last year.

Junior Ball Players To Register At Schools Tomorrow

Registration for the County Junior baseball league will be held tomorrow, according to A. C. Blankenship, league secretary.

The junior league is for boys from 13 through 15.

"We have five teams and we are hoping for six," he said.

This year's teams are the Morehead Hawks, Morehead Marlins, Newport, Beaufort Fire Department and Beaufort Tigers.

Prospective players will register between 9 and 11 a.m. for the respective teams at the following places: Morehead City, high school field; Beaufort, in front of Beaufort high school; Newport, in front of Newport gym.

Who needs muscles?

Do you know how easy it is to take a corner with a Corvair or park one? Turn this newspaper sideways and it will give you a pretty good idea. The wheel handles just about that easily.

The Corvair's engine is in the rear, for not only greater traction, but more balanced weight distribution. And that's what makes the steering so completely effortless.

The engine is air cooled, too. No radiator. No water or antifreeze. No boiling over or freezing up to worry about. It takes the weather and the terrain as it comes.

So think about those trips to the beach this summer, those bright sunny days and balmy moonlit nights.

And besides, looking at it from a very practical point of view, it's Trade 'N' Travel time right now at your Chevrolet dealer's. He's got some beautiful boys.

But you had better hurry before somebody muscles in ahead of you. Spring's here. Summer's coming fast. And with these sporty good-looking Corvairs selling the way they are, he who hesitates will want to kick himself.
