

Celo.

Eds Eagle. While I am at home tonight I will give you some items from Celso. There are five of us boys going to school at Burnsville from this place. I can't see why the citizens of Celso can't pull together and run an eight-months school of their own. We held an election last summer for special tax. If that election we closed the school house door, fostered ignorance and invited stagnation and intemperance to sit at meat with us.

Business is dull at Celso just now. Everything is froze up. Mining is almost absent. Galaxies are froze out of the mountains.

Mr. Will Putnam keeps driving away at the pipe business.

Mr. J. E. Burleson has leased the John Edge mica mine and gone to work with several hands. He will make 'er buzz.

Mr. J. M. Robinson is blowing up stumps and ditching on his farm. He says now is the time to ditch, while the ground is froze, you won't get your feet wet.

Mr. D. M. Young says he has the best milk cow in the county. His wife makes a gallon bowl full of butter from a gallon of milk.

Rev. B. B. Riddle preached at Brown's Creek Saturday and Sunday. He is a good preacher.

Mr. T. J. Buchanan, of Bakersville, was singing for us at Brown's Creek Sunday. He will teach a singing school at the Presbyterian church for a term of ten days, commencing Tuesday, the 9th inst.

Miss Bertha Robertson and Miss Ida Lewis, of Burnsville are visiting friends at Celso this week.

Well, it looks to me like we are all going to get married, except brother Sam and J. E. Robinson. They have been candidates a long time and have failed so far. Even "Esaw" went down to Bristol last week with the excuse to buy goods, went into a barber shop, got shaved, then into a hardware store, got his license, came back home, went to Burnsville and got

Allen to spice them, then went to Bakersville and brought Miss Nora Caraway back to Mr. James Hoover's and got married. That was going some, wasn't it?

Uncle Tom Gibbs is 80 years old and has never married. He says it makes him feel young for the pretty girls to come to see him. I am only 13 and it makes me feel nimble too when I see pretty girls.

Mrs. W. D. Blalock has resigned as P. M. at Celso and Mr. C. A. Caraway has been appointed to look after Uncle Sam's business at this place.

A Successful Man.

A successful man is one who builds himself a home, marries a wife, raises a family of children, educates them all, pays all his debts, quits the world with an honorable name and leaves enough to pay decent funeral expenses. Greensboro News.

Resolutions of Sympathy and Respect.

Whereas, Lattie M. Riddle, who was our schoolmate and friend at Yancey Collegiate Institute, has been called to his reward, therefore, be it resolved:

That we believe in the allwise and kind ways of our heavenly Father who has called our young friend to be with Him, and we acknowledge submission to His will who doeth all things well, and

That we bear this testimony to the life and character of Lattie Riddle as we knew him, that he was earnest and loyal in school and society work, that he was willing to be helpful to those about him, and that he was a faithful christian, and

That we shall hold dear his memory which will be helpful to us in our efforts to reach a high ideal, and

That we extend our sympathy to the bereaved family and commend to them the comfort of Him, who said, "As one whom his mother comforteth, so will I comfort you," and

That these resolutions be sent to the family, and a copy be sent to the Eagle for publication.
