#### Tar Heel Troops to Return.

Washington, Jan. 25.—More than 25,000 national guardsmen now on the Mexican border, have been designated by Major General Funston for return home and muster out of the federal service, under the order issued by the war department.

All of the organizations will be started homeward as soon as transportation facilities can be provided. Their departure will leave between 45,000 and 50,000 men of the guard still in the federal service doing border patrol.

War department officials continue to withhold comment on reports that the movement of General Pershing's regulars out of Mexico soon will be under way and the statement announcing the guardsmen designated for relief does not connect these orders with the withdrawal plans in any way. The understanding has been, however, that with the return of the expedition in Mexico and readjustment of the border patrol all of the state troops gradually will be sent home.

The guardsmen designated for return and muster out include: North Carolina—First infantry. South Carolina—Troop A cavalry. Company A engineers, field hospital company.

Tennessee—Ambulance company No. 1, field hospital No. 1. Virginia—Second infantry.

#### A Letter That May Interest You

N. W. M. Connell, Riverdale, Ga., writes: "Foley Cathartic Tablets absolutely cleared my system thoroughly, and never a gripe, and no nausea. An ideal physic invigorating and strengthening the bowels and having a good effect on the stomach and liver. Give stout persons a high and free feeling. Sold everywhere."

#### Dead from Stroke

W. E. Gouge, aged about 60 years, who resided at N. W. Gouge, died of a stroke of paralysis last Wednesday. He was at work in a mica house when stricken and lived only about fifteen minutes. Mr. Gouge was a good citizen, well liked by his neighbors and all who knew him, and his sudden death has thrown a pall of sadness over the community in which he lived so long. He was buried Thursday afternoon.

#### Felt Like 90, Now Like 21.

Like a weak link in a chain, a weak organ enfeebls the whole body. Weak kidneys lower vitality. A. W. Morgan, Angola, La., writes: "I suffered with pains in the back, I am 43 years old, but I felt like a man of 90. Since I took Foley Kidney Pills, I feel like I did when I was 21." 50c and \$1.00 sizes. Sold everywhere.

#### Some Logs.

E. kota, N. C., Jan. 16, 1917. Watson & Watson, Burnsville, N. C.

Dear Sirs:—Mr. Parrell wants you to know about a most extraordinary poplar tree we cut this afternoon, from which we got 262 linear feet of logs. Two 8 foot 9, three 12, three 14 and eight 15 lengths, making a total of twenty logs.

You might give these figures to The Eagle man and see if they can be cut.

Of course this tree forked about 19 feet from the ground and each prong forked again still higher, but with these facts, still there is something about the ordinary for I believe twenty reasonably good logs of the above lengths have never been gotten from one tree in this county before.

Respectfully,  
ROBERT MANEY.

#### For Croup, Coughs, Colds.

A. Baxter, Wheeler, Wis., says: "Foley's Honey and Tar in our family and consider it the best cough medicine on the market, especially for children, as they like to take it." Contains no opiates; safe for babies; effective for adults. Checks croup; stops coughs; relieves colds. Sold everywhere.

While attempting to cross the railroad train at Hilland last week, J. Zeb Waller, a prominent Republican politician of Burlington, and editor and manager of the State Dispatch, slipped and fell under the moving train. He was terribly injured and died within a short time.

#### Toledo.

Ede. Eagle:

Mrs. Henry Bailey and her brother Will Randolph and his family, all of Erwin, Tenn., were recent visitors here to their parents, Mr. and Mrs. W. W. Randolph, who have been quite sick.

Mr. H. R. Peake, who has been on the sick list, we are glad to say is now much improved and able to be out again.

Several of our Green Mountain neighbors were quite worried over the loss of the girls' dormitory at the Presbyterian school last Saturday. Much sorrow was expressed and all extend their sympathy to the institution concerning their loss.

It seems to the writer that in a community as ours, that it could be by the hearty co-operation of all concerned afford to have well patronized services in our church more often than what we do. It is a pity to have a very comfortable church in our midst, just for the sake of having name of possessing such. What we need is inspiration and religion and less of selfishness and possession of the house called church, for after all it is only through the divine services held therein that the good is derived, therefore our folks should begin a campaign to revive the interest of church and Sunday school work in order to better the social conditions hereabouts.

Messrs. Merritt Bailey and James Letterman began operations in a mica mine on Mr. Bailey's mountain place this week, and have great faith in their prospects. It is reported that there is quite an abundance of mica to be had from this land, and we wish these parties much good luck.

We hear many reports these days of several of our folks having been struck by lightning in the town of Erwin, Tenn. We would be sorry to lose these parties. However, since their prospects will be better there, upon their departure we shall wish them the best of luck toward the making of a happy fortune.

We are glad to learn that the condition of Carl, the youngest son of our neighbor, Mr. D. C. Renfro, is much improved. Here is hoping how soon he will be restored to good health.

J. C. T.

#### Mrs. Sallie Ray.

Mrs. Sallie Ray was for a long time a resident of Jacks Creek, Yancey County, and later moved to Erwin, Tenn., and lived there until her death, which occurred last year at Rutherfordton Hospital.

It was my pleasure to be Mrs. Ray's pastor for three years and was in her home many times while she lived on Jacks Creek and once after she moved to Erwin, Tenn.

She was a devoted Christian and a loyal member of the Methodist church. Her great delight was in reading it. She was a lover of poetry, such as referred to religious and eternal things.

Her life was an example for good in the community in which she lived and a light to all who knew her. Her Christian life and examples are still living with her friends, but her spirit has departed from us to be with God and enjoy the reward that awaits all such noble characters.

The writer has been asked to preach her funeral some time in the spring at Boring's Chapel, notice of which will be given later.

The funeral services were conducted by Rev. Garrett Ray, which were very impressive, in the presence of a large number of relatives and friends. "Uncle Jimmy" was a good citizen, loved by all who knew him; was a member of the Baptist church in his early days and a good Christian man.
