Why That Bad Back?

Is backache keeping you upset? Feel all tired out—so nervous and dispirited you can hardly keep going? Then look to your kidneys! Your kidneys rid the body of poisonous waste. But if they lag, impurities accumulate and poison the whole system. Then one is apt to suffer backache, stabbing pains, headaches, dizziness, and other annoying kidney irregularities. If your kidneys are sluggish, help them with a diuretic. Use Doan's Pills. They are praised the world over. Ask your neighbor!

A North Carolina Case
Mrs. W. J. Bowman, Park Ave., Marion, N. C., says: "An attack from my kidneys made my back lame and achy. When I stooped, a sharp catch seized me in my back. Headaches were troublesome and usually accompanied by dizzy spells. I also had a dull, tired feeling and my kidneys acted irregularly. Doan's Pills relieved me."

Clever Thief Detector
Valuable metal had a habit of disappearing from a German factory recently, so a clever scientific thief detector was rigged up by the physicists connected with the works. At the end of the day's work each employee was required to remove his knife and other metallic personal possessions from his pockets and pass through a specially constructed gateway. This was so wired that any concealed metal being taken away illicitly would make itself known by inducing a current in a device that emitted a loud warning signal for the guard's benefit. The loss of metal has decreased markedly since the construction of the device.

Holds Overshoes On
Those who traverse muddy roads will be interested in a recently patented device for preventing overshoes from being pulled off by deep mud. It is in the shape of two metal grippers that clamp the overshoe to the shoe itself. For a high shoe there is a hook that is attached to the top of the shoe and extends down to hold the gripping jaws. The jaws are movable so that too much wear will not be brought to bear on one spot.—Scientific American.

Be again as healthy as You used to be

The health and vigor you had in your youth can be yours again. Rheumatism, lumbago, Bright's disease, and kindred ailments, are the result of weak, sluggish, impure blood, and the reason your blood becomes like this is because it lacks the iron which is essential to enable it to throw the poisons out of your system. It keeps on circulating these impurities through your body and these ailments steadily grow worse. They finally become dangerous.

The most amazing tonic ever discovered, to give your blood the iron it needs, is Acid Iron Mineral, bottled just as Nature herself produced it. Physicians and scientists have never been able to duplicate A. I. M. It is the only mineral iron which can be taken up directly by the blood corpuscles. This is why it purifies and strengthens your blood and so quickly gives you back that energy, appetite and vigorous health Nature intended you should have.

For more than thirty years, this remarkable, natural blood tonic, has been bringing suffering men and women back to strength and health. It will do this for you. Go to your druggist today and get a bottle of Acid Iron Mineral. Also get a box of A. I. M. pills.
