

### More about — PRESIDENT'S BALL

advertising. Mrs. C. P. Rogers, Jr., Mr. and Mrs. D. A. Powell, and Mrs. C. M. Whisnant will be in charge of preparing posters, placards, and other window advertisements. Cliff Clevenger will distribute advertising out in the county.

#### Ticket Committee:

William B. Wray is in charge of having the tickets printed, and ready to sell a week in advance of the dances. Those appointed to sell tickets, will sell tickets for both dances. They are:

Mrs. L. V. Pollard, Mrs. Frank Huskins, Mrs. W. B. Wray, Jr., Charles Hubbard, Charles Tomberlin, James Proffitt, Rassie Howell, Bruce Tomberlin, Mrs. Cliff Clevenger, Leslie Hensley, Vernie Wilson, Ernest Briggs.

Miss Louise Watson, and Mr. J. Bernie King have been appointed to sell tickets at the door.

### TIRE BOARD APPROVES TWO APPLICATIONS

The county tire rationing board met last Thursday and approved applications for the week's quota of tires:

Dr. W. L. Bennett received permit for one passenger car tire and Zeb Young, manager of the Young Produce Co., received a permit for two tires and two tubes for heavy truck, hauling material for the war department.

### NEW TEACHER AT DEYTON BEND

Miss Maude McMinn of Asheville is now teaching at the Dayton Bend school. The vacancy there was caused by the resignation of Miss Lois Turbyfill who is teaching Home Economics at the Pleasant Gardens high school in McDowell county.

### 11 MEN WENT JAN. 8 TO FT. BRAGG

The following eleven men went to Ft. Bragg for induction on January 8.

James Woodrow Jones, Fred Ballew, Ray Lewis Sparks, Jess Ray Styles, James Maurice Styles, James Donald Wilson, Tommy Walter Hylemon, Chester Arthur Hughes, Earl Rathburn, Edgar Webb, Troy Scott Silver.

Leichprey, St. Mihiel and Meuse Argonne offensives. He has been a commissioned officer for the past 28 years and now commands the 318th F. A. with headquarters in Memphis, Tenn.

#### More About SURVEY

gathered will be used also in acquainting defense agencies with the labor needs for farmers whose efforts, it has been said, 'will win the war and write the peace.'

J. J. Morgan, statistician of the Department, viewed the selection of North Carolina as one of the two states to conduct the survey as "a distinct recognition of the State's achievements in agricultural statistical work." North Carolina, through its State Department of Agriculture, is the only Southern State making an annual farm census survey and the Federal-State Crop Reporting Service of the Department ranks No. 3 in the Nation.

More than 30,000 farmers will be contacted through the mails and by workers in connection with the survey.

Other agencies cooperating in the survey will include the Agricultural Adjustment Administration and the Statistics Laboratory at State College.

Celo, N. C.

January 8, 1942

The Yancey Record:

As I looked over your valuable paper which so adequately serves our county, I thought of the splendid service which it renders.

One thing that strikes me very deeply is the way we come in contact with one another. News of the communities, court proceedings, etc., are of mutual interest to us all.

All this brought an idea to me: I might, through the paper, have a personal word with my friends and tell them that through the years I haven't forgotten them.

Please print this and tell them that Jeter Hensley, who has been their pastor, conducted funerals, married their children, shared their joys and sorrows is now even more grateful for the many blessings that have been to him, and is wishing them all the happiness that the years can bring.

Jeter Hensley.

#### NOTICE

The regular prenatal clinic will be held in the district health office on Friday, January 16.

#### HIGH

Food production is at record high levels, buying power of consumers is the greatest ever, and prices and income are averaging the best in a decade or more.

### BURNSVILLE— "So They Say"

Just like spring with the temperature up around 15 or 20! After the dip to 7 below we are grateful for the sunshine even if it does not match that Charleston variety about which Ellis Moody writes back to his friends.

New folks in town: The David Pitchers (Carrie Belle Mattson's Mother and Father) who are residing here now. . . . Emaline Hawthorne—new girl in bank. . . . New teacher at Dayton Bend school, Maude McMinn, as Lois Turbyfill to Pleasant Gardens high school to teach H. E. Col. James O. Safford who is in charge of Cleanser plant at Bowditch. All machinery and equipment installed, and plant in operation, which is all very welcome news as it will manufacture one raw material, feldspar, that is so abundant in county.

Maybe snow and ice were great fun for some folks but we know at least three boys who won't be so keen to ride now: David Cheadle and Wade Silver broke off some teeth when their sleighs got out of control and they "bit the snow", and Charles Hamrick took approximately one fourth of the skin off his face.

Nina Evans stopped in to say "Thanks" for printing notice about first aid classes. Unusual interest being shown and at least two new classes will begin soon. Inquire if you're interested.

Card to friends here from Carl B. Hyatt: "Enlisted day after Christmas; stayed at Ft. Meade a week and got here (Ft. Eustis, Va) Saturday." . . . J. C. Lynns over last week and while Jack talked over farm business (he's now district agent) Maude visited Alice McIntosh and admired the handsome off spring. . . . Proudest man in town last week! Doc Bennett. Reason, he was the only person in Yancey County able to buy new tire, for car. Funny thing about this tire business anyway. We've heard and seen constant talk, dismay, speculation, prophecy, etc., but not ONE WORD of criticism! We're all willing to do anything we can and if walking's one thing that will help, we'll walk. . . . Mrs. Doc Robertson ill. . . . Arthur Edge is minus one appendix. . . . and Jim Peterson is latest cane-user we've seen. Craig English has now graduated from crutches to cane as his injured knee is getting better.

In town Saturday: Yancey county's representative in Big League baseball. . . . Glenn Gardener, who is on pitching staff of the Chicago Cubs. He's certainly enthusiastic—says it's THE game, and that he hopes he can get in at least one season in the major league—that last when we asked him about his standing with Uncle Sam. (He's in 3A). We hope too, that he'll get his season with the Cubs, and hope that his luck of being in at the play-off ever since he started playing will hold, and that when the World Series is called next summer that he'll be in there—pitching! ! !

### PRESBYTERIAN NEWS

Despite the war the work of Jesus Christ goes on. "The sudden outbreak of war has affected all Presbyterian mission work in the far East to a greater or lesser degree", nonetheless, according to the release made public by the Board of Foreign Missions.

On Dec. 10 the Board disclosed the fact that there are "19 Presbyterian U. S. A. missionaries in Chosen, 10 in Japan, 46 in Thailand, 84 in the Philippines (including people recently transferred from China, Japan, Chosen), 157 in Occupied China, 46 in Free China, and 9 in Hong Kong. The status of missionaries in Japanese-controlled areas will be that of enemy aliens—American nationals. (in Thailand) have been advised by the American Government to withdraw for the present to Burma.

On Dec. 12 a cablegram from Thailand and Manila stated that "all missionaries are safe and well", and that mothers and children in Manila have been transferred to Laguna. Thus the work of Christ goes on, sadly impaired, but none the less bearing testimony to the healing power of the loving Saviour.

At the same time, a letter has been sent to all Japanese pastors and missionaries serving in this country under our Board of National Missions, signed by Dr. G. Graham Wilson, general secretary, and authorized by the Board itself. It reads in part "On behalf of the Board of National Missions, I send you greetings and assurances of our good will and our prayers. Nothing should separate us from the love of Christ, for we are all members of his Body. We are assured of your loyalty to our Government and to the principles of freedom for which it stands. Someday Christ will reign and men will learn war no more. In the meantime, let us strive to seek the ways of peace—The grace of the Lord Jesus be with you all."

Thus in a world of war we learn anew the message of the Prince of Peace, "Come unto Me—and I will give you rest." Here alone is healing balm for the world's ills. "And, I", He said, "if I be lifted up, will draw all men unto Me." Beyond the tragedy of these times this is our eternal hope. Only by seizing it can we be saved from the ravages of despair. "Come unto Me—I will give you rest."

Highly important for wartime needs, approximately 450,000 tons of waste paper have been collected in England since the war began 25 months ago.

### Wake Up, Americans!

Wake up, Americans!

Make America's answer roar out over the world.

Every citizen must back the United States Army and Navy to victory—back them with work and money.

Do your part: Buy United States Defense Bonds and Stamps at your post office, bank, or savings and loan association. Get Defense Stamps at your retail store or from the carrier boy of this newspaper.

Yancey County is very fortunate in having men of such fine caliber as Wm. B. Wray, J. P. Lyon, R. A. Charles in charge of Fire rationing and J. H. Ray, George Hall as Inspectors. We should co-operate and aid them to the fullest extent.

If you will need a refrigerator this year, it may be wise to purchase now. See your Electrical Dealer while he can still get delivery on some models.

Old Mother kilowatt went to the market  
To buy her son some wire  
Her request was appealing,  
And chock full of feeling  
But Uncle Sam had beat her there.

JOEL McCREA — ELLEN DREW

Wednesday and Thursday, January 21-22

### "NEW YORK TOWN"

With

FRED MacMURRAY — MARY MARTIN

## Our Country Needs Scrap Metal

### THE NEED IS IMMEDIATE AND URGENT

Citizens of Yancey County are Asked to Contribute  
Old Iron, Zinc, Tin, Tin Cans, Copper, Etc.

One plan that has been suggested is that those who would like to contribute their old metal to the Red Cross War Relief Fund may do so, and the local chapter of the Red Cross will arrange transportation from each community to a central place.

Those who wish to sell the metal may learn how to separate and classify it by contacting the County Agent's office.

It is a patriotic privilege and duty to serve in this way.

### RED CROSS WAR RELIEF

The American Red Cross is calling for 50 millions dollars for War Relief. Our county quota is \$1,000.00. Donations of money will be received gladly; donations of scrap metal which will be sold by the local chapter will also aid in raising this quota.

To civilians and to the men in service the Red Cross extends aid. For prisoners of war it is often the one link between them and their families. Our contributions will aid them.

## Just arrived . . .
