SONG IS SELECTED AMONG TEN BEST

W. A. Covey Wins Award The Allied Music, Inc. Cincinnati, Ohio, has recently concluded a nationwide contest to select the 10 best song poems for which 10 awards would be given.

From more than 3000 song lyrics entered in this contest, the lyric "Heaven Must Be Like This", by W. A. Covey, was one of the 10 selected by the judges.

These prizes are valued at \$200 each and while the successful contestants are not given any cash in the award the contract calls for 50 percent of all money received from sale of sheet music, sale of records, sale to broadcasting companies, or any other source.

The prizes include, complete musical setting, voice, piano, guitar and orchestration. 50 copies of completed sheet music, recording, copyright and sales service from which the author will receive 50 percent royalty.

The following letter has been received by Mr. Covey "It affords me great pleasure to inform you that your song poem, "Heaven Must Be Like This", was awarded one of the 10 prizes in our recent contest.

All items in this award should be ready for mailing not later than June 15, and, as one of the 10 winners, it will mean your success as a song writer is an assured fact. Congratulations and best of luck to you." (signed, J. L. Brown, President, Allied Music, Inc.)

IT'S YOUR PATRIOTIC DUTY ... FILL UP YOUR COAL BIN NOW

Uncle Sam Wants Your Help!

THERE is plenty of coal available now and you'll be doing a service to your country by ordering now ... by filling your bin and keeping it filled! Uncle Sam is enlisting your help in order to prevent a coal shortage. There is sufficient coal in the mines for everyone ... The big problem is the shortage of labor; lack of materials for mine maintenance; and transportation tie-ups, causing delays in deliveries.

Buy Now

IF YOU UNDERSTAND these things, you realize how important it is to you that you buy coal now and as often as possible. Not only will you be helping Uncle Sam by relieving the peak season load, but you'll help yourself besides. Industrial orders must be filled before coal for heating will be available to you. Furthermore, it is possible that coal prices will rise, due to increased freight rates. Help prevent a transportation tie-up ... have coal when you need it ... do your part, and save money in doing so. Order coal now ... for immediate delivery!
