"TIGER HOUSE" TO BE PRESENTED BY MICAVILLE SENIORS

Creepy noises, eerie lights, women's screams and clutching claws that snatch unsuspecting characters off the stage right before your very eyes, are only a few of the thrills you will experience when you see that famous mystery-comedy, "Tiger House" to be presented December 18 by the Seniors of Micaville high school, directed by Miss Dellma Hensley.

But don't be afraid! Of course, you will be excited. You might even scream. But just when you expect the worst you will start laughing at some of the rib-tickling comedy which always comes along just at the right moment.

It is this variety which makes the play so amusing. Thrills one moment, comedy the next, romance the next. And it all leads to unexpected conclusion that will leave you gasping to find that after all you have guessed wrongly as to the guilty party.

We can positively guarantee that all those who see "Tiger House" will feel better for an evening well spent amidst thrills, chills, shudders, laughter and love.

The cast of characters is: Erma Lowrie, the heroine. Wilma Jones; Aunt Sophia; Juanita McMahan; Mrs. Murdock, a Scotch woman. Inez Ruffy; Peggy Van Ess, Ruth McMahan; the Mystery Woman. Wanda Robinson. Rami, a Hindu. Emmitt Wilson; Oswald Kerins, biologist, James Hoover; Thompson, Brown Hughes; Arthur Hale, Fred Sparks; a handsome modern guy, Ray Young.

Mrs. John Phillips of Celso and daughter, Mrs. Lawrence Robinson of Spruce Pine are visiting relatives in Green Mtn.

USED TANKS INSTALLED ON FARMS

Charlotte, N. C., Dec. 1—Permission to install used gasoline dispensing pumps and storage tanks on farms of 10 or more acres has been granted by the War Production Board. It was announced today by James E. MacDougall, Carolinas WPB manager. This action was taken on recommendation of the Office of Petroleum Coordinator for War.

In permitting the installation of pumps and tanks, the WPB stipulated that the equipment to be installed must be second-hand and must have been fabricated on or before January 14, 1942. Also, the pumps and storage tanks must be installed exclusively for dispensing petroleum products to machinery and vehicles used directly in farm operations on the individual farm.

This man is not dead. He is just sleeping. And sleeping a little more soundly, perhaps, because there are still many Americans who are not putting at least 10% of their pay into War Bonds on a regular Payroll Savings Plan. How about you joining a lot of other fellows in giving the little paperhanger a rude awakening? How about you signing up with a Payroll Savings Plan today . . . to the tune of not 6%, or 7% or 8%, but 10% and more if you can? LET'S TOP THAT 10% BY NEW YEAR'S.

WHAT YOU SHOULD DO:
If you are . . .
1. Already investing 10% of your pay in War Bonds through the Payroll Savings Plan—boost that 10% if you can.
2. Working in a plant where the Plan is installed, but haven't signed up yet—sign up tomorrow.
3. Working in a plant where the Payroll Savings Plan hasn't been installed, talk to your union head, foreman, or plant manager—and see if it can't be installed right away. The local bank will be glad to help.
4. Unable to get in on the Payroll Savings Plan for any reason, go to your local bank, or wherever Bonds are sold. They will be glad to help you start a Plan of your own.
