## CHURCH LOYALTY CAMPAIGN

"And we will not forsake the house of our God." Nehemiah 10:39.

These words contain a promise made in the distant yesterday. When we look at them for a moment we realize how timely they are. We, too, have made promises similar to this one. We should be loyal to the great and noble cause of our God. Loyalty is causing a great many of our young men to die upon the battle fields. They are defending our right to worship as we please. What are we doing with this right or this privilege? Let us all be square with our God. While they are giving themselves in battle, let us give our time and devotion to the greatest and highest cause. Be at church Sunday!
