## IF THROAT IS SORE

IF A COLD has given you a miserable sore throat, here's how to relieve the suffering.

DO THIS NOW—Melt a small lump of VapoRub on your tongue and feel the comforting medication slowly trickle down your throat—bathing the irritated membranes—bringing blessed relief where you want it, when you want it.

DO THIS TONIGHT—Rub throat, chest with VapoRub. Its long continued poultice-and-vapor action loosens phlegm, relieves irritation, eases coughing, invites restful sleep.
