BURNSVILLE - "So They Say"

The weather: We're ahead of the calendar, with the first days of summer arriving before June 2nd. That, and occasional showers are making the victory gardens grow!

About town: The R. O. Jones family (he's captain now) here for short visit and sold home to Fay and Ferrell McCourry. . . . and we hear that Ernest Briggs has bought the Jesse Autrey farm near Boys Camp. . . . Mistake last week: We reported daughter for "Lieutenant" and Mrs. Crowgey and it should have been "Lieutenant Commander", etc! Same folks though. . . . Back for visit and looking wonderfully fit and happy was Lt. Carl B. Hyatt. After 20 months in Africa and Italy a chance to come home, and every one was glad to see him again. We asked if he'd had the luck to run into Ernie Pyle over there but he said that they had both beer in same sections they had never met. . . . All Micaville citizens are really proud of their latest hero, James M. Thomas! Of course, all of us are but he grew up down there and they are especially proud of his record. . . . First sweet peas we've seen blossoming here. Elizabeth Russell brought them to town today. . . . Clean-Up days are here! Health department adds its words of advice-clean up not only for appearance but for reasons of health too. . . . New Baptist pastor, wife and daughters arrive today.

We don't know who wrote the following poem; we read it in trade magazine, but we think we know a good many boys who might have written it: G. I. This and G. I. That! . . . Sitting on my G. I. bed, My G. I. hat upon my head, My G. I. pants, my G. I. shoes, Everything free, nothing to lose. They issue everything we need, Paper to write on, books to read; Your belt, your shoes, your G. I. tie, Everything free, nothing to buy; You eat your food from G. I. plates, Fill your needs at G. I. rates. It's G. I. this and G. I. that, G. I. haircut, G. I. hat; G. I. razor, G. I. comb, G. I. wish that I were home!

Mr. Thomas has been working for some time on a war job in Virginia. James has one sister, Miss Louise Thomas, who is 17, and three brothers, Harry, who is 16 and just dying to get in the navy, Johnnie, who is eight, and David, who is four years old.

The Health Department notes with interest that the City Fathers have proclaimed June 1, 2, and 3rd as Clean-Up days for Burnsville. We wish to impress upon our people the importance of such a drive and we hope that each and every citizen will take an active part in it.

It is very important to remove from all premises garbage and rubbish of all kinds. Barns, Hog Pens, Chicken Houses, etc. should be kept clean at all times. By keeping our premises clean we will have fewer flies and rats and thereby help to prevent the spread of many diseases. Let's all join in this great drive. District Health Dept.

More about - JAMES M. THOMAS rather proud that he wanted to join up but we hated to see him leave when he was so young," his mother confided yesterday.

Joined 2 Years Ago But they signed and the boy joined up. That was two years ago. When he came back from his boot training he appeared to have matured and he was much happier. Finally he confided that he was tired of staying in camp in Florida and wanted to "get some action". He went to New River for a training course and then went overseas.

Since then Mrs. Thomas has been receiving letters, but they are invariably short and lacking in information.

Mr. Thomas has been working for some time on a war job in Virginia. James has one sister, Miss Louise Thomas, who is 17, and three brothers, Harry, who is 16 and just dying to get in the navy, Johnnie, who is eight, and David, who is four years old.

THAT'S JUST WHAT WAR BONDS ARE FOR!

EVERYBODY'S PLANNING. Recent farm surveys show that a majority of the people who own their own farms are ready, the minute war ends, to build and repair barns and buildings and make many other improvements. Tenants, too, are on the lookout for farms of their own to build on in the post-war period. This is going to take many millions of dollars. Wise farmers have been saving the money for these purposes. Many of them have saved it in War Bonds—and many more are on their way.

for stepping up your purchase of War Bonds. You're backing him up in his fight to preserve our country, and at the same time preparing for the kind of home he wants to come back to.

HOW TO GET READY. You probably have many places on the farm to put money when materials and machinery and equipment are again available—if you have the money! So why not start right now? Step up your savings by buying War Bonds—the best and safest way to invest for future needs.

YOU NEVER GET LESS THAN YOU LEND! And you can get 1/2 more than you invest. When held 10 years, Series E War Bonds yield 2.9% interest compounded semi-annually. You get back \$4 for every \$3. Of course, no one should cash a Bond unless he has to; but if an emergency comes along, Uncle Sam will redeem them in cash—at full purchase price—any time after you've held them 60 days. BUY WAR BONDS! FACTS ABOUT WAR BONDS (Series E) You LEND Under \$20: \$18.75, 37.50, 75.00, 375.00, 750.00. Upon Maturity you get back: \$25.00, 50.00, 100.00, 500.00, 1000.00. You can buy War Bonds from your bank, postmaster, rural mail carrier or Production Credit Association.

WHEN THE BOYS COME HOME. Your youngster in service is doing a man's job now—and he expects to do a man's job when he gets home again. But he won't be happy with run-down buildings and inefficient equipment. So that's another good reason

For America's future, for your future, for your children's future—keep on buying WAR BONDS

Let's all KEEP BACKING THE ATTACK!
