## LETTERS FROM MEN IN SERVICE

Record: I have been receiving the paper for the past two months and I surely appreciate it.

I always look forward to the day it arrives, because it brings me news of what is taking place around my ole home county.

The "service mens" column is swell. We usually find a friend's name or address which sure means a lot.

Please change my address so I may continue to receive the paper.

Robert C. Howell, S. 2c, 48th Div. N T S (Radio), Indianapolis, Ind.

Record: Thanks for the "Record," I have been receiving for the past nineteen months, and without hardly missing a single copy. I always look forward to it each week, to read about all the boys in service, and the people back in good old Yancey. Reading it always seems to take me back home.

I have just moved around, so will you please send it to my new address?
