**HAUL YOUR PULPWOOD NOW**

War Production Board officials whose job it is to see that enough pulpwood is produced to meet military and essential civilian requirements are urging farmers and other pulpwood producers to get their pulpwood out of the woods before winter comes.

Pulpwood cut and stacked in the woods is of no value to the war effort unless it can be hauled to the mills when they need it. Early winter rains or snow may soon make hauling difficult if not impossible if the wood is out of reach of a good highway.

The shortage of trucks and tires also makes it advisable for pulpwood producers to move their pulpwood when transportation is easiest on their equipment.

War needs for pulpwood, especially long fibre woods, are still great. Despite optimistic speculations a few weeks ago, the war in Europe isn't over yet, and Government experts predict it will take from 18 months to two years to lick the Japs after the Nazis give up.

So get out your pulpwood now while it will do the most good. And haul it to the roadside or a railway siding before bad weather ties it up for the winter.

**FARMERS ADVISED TO ORDER FERTILIZER**

Raleigh, October:—D. S. Coltrane, assistant to the Commissioner of Agriculture, has urged farmers to order their fertilizer as soon as possible in order to avoid bottlenecks in manufacture and distribution next spring.

"By ordering now, the farmer may be sure of an adequate supply, and he will also render a patriotic service by evening the load, helping to get the most out of experienced labor", said Coltrane.

He predicted there will be more phosphate, more potash, and less nitrogen this year.

**RESOLUTION**

WHEREAS, Staff Sergeant Ralph Wilson, son of Mr. and Mrs. Elzie Wilson of the Indian Creek community, lost his life in action, August 28, 1944, in France, thus making the supreme sacrifice for flag and country; and

WHEREAS, the Earl Horton Post of the American Legion, Number 122, and the Auxiliary, desire to give public expression of their highest esteem and admiration for Sergeant Wilson's personal worth, his high idealism, his unstinted devotion to his beloved country and his willing sacrifice for America; and

WHEREAS, the Earl Horton Post of the American Legion, Number 122, and the Auxiliary wish to convey to Mr. and Mrs. Elzie Wilson their deepest sympathy in their great loss and sorrow; now be it

Resolved, That a copy of this resolution be sent to Mr. and Mrs. Elzie Wilson; a copy be filed in the permanent records of the Earl Horton Post of the American Legion, Number 122, Burnsville, North Carolina and the Auxiliary; and a copy furnished the press for publication.

Done by order of the Earl Horton Post of the American Legion, Number 122, and the Auxiliary, this October 9, 1944.

Dover R. Fouts, Commander; Mrs. W. W. Hennessee, president; James Hutchins, committee.

**IN SYMPATHY**

I wish to express my deep sympathy to Rev. G. H. Glass and family in their sorrow, as they received word Tuesday, Oct. 3, that their son, Cpl. Ray Glass, was killed in action in Italy on Sept. 16.

While they are in sorrow, and grieved so deeply, they have a great joy, of knowing Ray was a Christian. He has won the victory; he presented his life a sacrifice for others.

He like David, Psalm 27:1 "The Lord is my light and my Salvation whom shall I bear? The Lord is the strength of my life; of whom shall I be afraid."

Psalm 27:3 "Though an

**More About — FBI CONFERENCE**

This is one of a series of conferences which will be held in October and November by the FBI in North Carolina and South Carolina.

J. Edgar Hoover, Director of the FBI, has designated Special Agent W. C. Kimbrough, of the FBI office in Miami to participate in the conferences. Special Agent Kimbrough, a law enforcement officer of wide experience and a graduate of the FBI National Academy, is an expert in the art of defensive tactics and one of the instructors on Director Hoover's staff. Using another agent as his subject, he will put on a fast moving demonstration of a number of methods which police officers might use to protect themselves if attacked by larger or armed criminals.

In addition, Special Agent Roy L. Morgan, assigned to the Charlotte FBI office, will discuss the subject "Arrests, Searches and Seizures." Part of his lecture will consist of an exhibit and explanation of various restraining devices used by the FBI.

Mr. Scheidt will act as chairman at the conference and hold an open forum session with the officers present at which mutual problems will be discussed.

Attendance at the conference is restricted to duly authorized law enforcement officers. The officers will convene at the Canton YMCA at 11:00 A. M., October 19, 1944, and, at 11:30 A. M., through the courtesy of the Officials of the Champion Paper and Fibre Company, will be conducted on a tour of that company's facilities. Following this is scheduled what promises to be one of the highlights of the conference in the form of a luncheon put on by the Champion Paper and Fibre Company which will be served free of charge at the YMCA. The conference program proper will begin at 2:00 P. M. at the Strand Theater in Canton.

All of the officials who have worked to make this meeting a success hope that as many officials as possible, from Western North Carolina, will attend this conference.

Sheriff Neill and Deputies of Burnsville and the Patrolman are planning to attend this conference.

**A Time for Planting . . .**

THE broad lands of Europe and Asia, freed of the oppressor, can now be planted again. The farmers in Russia and Poland and other ravaged countries can raise food to banish the specter of starvation... if they get the seed.

You can help them make their fertile acres fruitful once more. You can bring them new hope, new faith, and a chance to grow their daily bread. You can help—with your gift to your local War Fund this year.

Through this fund, not only is seed provided for fellow farmers, but a host of other kindly things are done for Americans here at home as well as for people in other lands.

This once-a-year war drive provides such vital necessities as books and sports equipment for prisoners of war; entertainment for millions of American

boys through the U.S.O.; medicines and surgical equipment for our fighting allies; aid for struggling China; help to men of the merchant marine who often lose all their possessions to the hungry oceans.

The money you give will yield many-fold. Give once—and you give to many organizations engaged in sowing good will. The need this year is very great. Won't you try to increase the amount you gave last year?
