## RED CROSS BRIEFS

### Flag Maker

Betsy Ross had nothing on Prisoner of War Thomas G. Essaf. San Francisco, who stitched secretly at night to make an American flag which was flown from the roof of the Naetsu POW camp in Japan to direct Yank pilots who dropped relief parcels. Essaf used white duck trousers, red neckerchiefs, and a blue bordered Japanese mosquito net to duplicate Old Glory.

## BUBBLES SEZ—

• Know what character is? Cleaning the corners nobody sees! And say, cleaning's extra tough now, with soap so short. You can help by turning in USED FATS to help make it. Keep saving, woncha?

## KITCHEN FATS STILL ARE GREATLY NEEDED

The end of rationing of meats and fats and oils has in no way lessened the need for the salvage of used kitchen fats. Hillman Moody, assistant state director of the U. S. Department of Agriculture's Production and Marketing Administration, declared this week.

Quoting Secretary of Agriculture Clinton P. Anderson, Mr. Moody asserted that "even though rationing is ended, there still remains the need for preventing waste of any fats, and for salvaging all used fats which are needed for the manufacture of soap and for other industries."

Meat dealers, Mr. Moody pointed out, will continue to pay housewives four cents a pound for used kitchen fats. He urged housewives not to let up on this essential and patriotic "reconversion activity," inasmuch as supplies of industrial fats, which go into the making of soap and other civilian goods are still very short. This supply situation, he said, will continue serious until war-halted imports again reach peacetime proportions.

## LETTERS FROM MEN IN SERVICE

From James Harris to his small son, Freddie Jason Harris of Micaville.  
Bolbie France

Dear Sonny Boy:  
I will answer your sweet little letter I received last week you wrote with color crayons. Son, I would like to see you and am thinking of you. I guess you are looking for Santa Clause. aren't you? How I would like to be there and see what he brings you, but I guess I'll have to stay here a while longer. Be a good boy and mind mother, and say your prayers and if it be God's will I'll be coming home some day. Until that time comes, be good and God bless you.  
Love, Daddy

"Me... I'm staying in the Army!"

THERE ARE PLENTY OF REASONS... AND HERE THEY ARE!

- "First, I keep my present grade. That means a lot.
- "By reenlisting for 3 years I can pick my own branch of service in the Air, Ground or Service Forces, and can go to any overseas theater I wish.
- "I get my mustering-out pay, even though I'm reenlisting. Also, I get \$50 a year reenlistment bonus for each year I've been in the Army. My dependents receive family allowances for the full term of my enlistment. And I'll be eligible for GI Bill of Rights benefits when I get out of the Army.
- "My food, clothes, quarters, medical and dental care are all supplied to me. And I can learn any of 200 skills or trades in the Army schools.
- "All of us who are reenlisting are going to have from 30 to 90 days' furlough at home with full pay and our travel paid both ways. And we'll have 30 days' furlough every year with pay.
- "Any time after 20 years I can retire at half pay increasing year by year to three-quarters retirement pay after 30 years of service. And the time I've already served in active military or naval service counts toward my retirement time. Added up—reenlistment seems pretty sound to me!"
