IN MEMORY OF BILLY BIGGS
Who Passed away Dec. 30, 1942

Softly the stars are shining
Upon a precious grave.
Where sleepeth without dreaming
One we loved but could not save.

Three sad and lonely years
Have passed since our sorrow fell
The shock that we received that
day
We still remember well.

In thoughts we see his smiling
face
Just as we did the day we saw him
last
It is so sad to live without him
In this lonely world below.

Sad and sudden was the call
Of one so dearly loved by all
Your memory is as sweet today
As in the hours you went away.

But Heaven holds our treasure,
God needed you, we know
Your sunny smile and happy face
Will brighten Heaven so.

We often sit and think of you
And think of how you died.
And that you could not say
Good bye before you closed your
eyes.

Mrs. Horace Riddle, Aunt of
Billy Biggs.

In The Superior Court
NORTH CAROLINA
YANCEY COUNTY
Lillian Fender (Royster)
vs.
Howard Royster
Howard Royster, the defendant
above named, will take notice
that an action entitled as above
has been commenced in the Super-
ior Court of Yancey County for
the purpose of annulling the pur-
ported marriage between plaintiff
and defendant and having it de-
clared void ab initio; and the de-
fendant is required to appear in
the office of Clerk Superior Court,
Yancey County on or before the
25th day of February, 1946, and
answer or demur to the complaint.
And let the defendant take no-
tice that if he fails to appear and
answer or demur at the time and
place specified the plaintiff will
apply to the court for the relief
demanded in the complaint.
This the 25th day of Dec. 1945.

**EXHIBITS SHOW WIDE
VARIETY OF 4-H WORK**

Exhibits of the varied 4-H activities by North Carolina boys and girls have been made at 4-H Achievement Day Exercises in counties throughout the state during the fall months.

Mothers and fathers have attended these annual round-up meetings along with their children and they have been given a picture of the most outstanding activities engaged in by the 4-H members.

In Chowan county, for example, the girls exhibited biscuit, cakes, pies, canned foods, dresses, aprons, needle work, and other articles, while the boys exhibited corn, peanuts, tobacco, sweet potatoes, and chickens. At some achievement day exercises dairy and beef cattle, and hogs have also been exhibited.

Completed record books, giving full information as to the methods used in carrying out the 4-H activities and the cost of production, play a big part in determining the winners of the various projects.

L. R. Harrill, Club Leader at State College, says that the record books supplied by the Extension Service fill a very definite need in conducting 4-H activities and that those boys and girls who keep the records accurately and fully receive excellent training in farm accounting and management.

Special features are also a part of the Achievement Day exercises. In Chowan, for example, Richard Leigh of the Edenton Senior 4-H Club won a prize for a demonstration in sharpening axes and hoes, according to Virginia Bailey, assistant home agent, who reported the event.

**NEW TOBACCO
RECORD SET**

Raleigh, The State Agriculture Department reports that total production of tobacco in 1945 was 2,042,000,000 pounds, a new high record. This total compares with the 1944 crop of 1,956,000,000 pounds. The acreage planted to tobacco was larger in most states this year than last, while average yields per acre were generally below last year.

The few states where ac-

HOME AGENTS NOTES

The following demonstrations have been scheduled for the week:

Toledo: A demonstration on meat canning will be given at the home of Mrs. Erskine Bailey Friday, January 11 at 2:00 o'clock.

Busick: A demonstration on stenciling will be given at the home of Mrs. B. M. Rector Monday, January 14, at 2:00 o'clock.

Ramseytown: A demonstration on "The Family Food Supply" will be given at the home of Mrs. Helen Whitson Tuesday, January 15 at 2:00 o'clock.

Jacks Creek: Everyone in the community is urged to attend the demonstration on meat canning at the home of Mrs. C. L. Bailey on Wednesday, Jan. 16 at 2:00 o'clock.

Newdale: The home demonstration club will meet with Mrs. Jack Yeung, Thursday, Jan. 17 at 2:00.

Micaville: The home demonstration club will meet Jan. 17 at 7:00. Place of meeting is not definite.

Hardscrabble: The home demonstration club will meet with Mrs. C. A. Proffitt January 18 at 2:00.

All women are urged to bring to the club meetings, clothes for the "Victory Clothing Collection."

Reagents were smaller than in 1944 were those where plantings were reduced by unusual difficulties at planting and setting time. Approximately 57 per cent of the production was flue-cured and 31 per cent was light air-cured. Fire-cured, dark air-cured and all cigar classes accounted for only about 12 per cent. This distribution of production among the tobacco classes will provide relatively more tobacco for cigarette makers than for other manufacturers.

The Burley crop met some serious obstacles in the early season. Blue mold was severe in many plant beds, and cold weather in the spring retarded progress. Dry weather followed and became acute in Kentucky, but rains fell in time to bring about substantial recovery in most localities. The present estimated production—603,000,000 pounds—exceeds last year's record output by about 2 per cent and the 1934-43 average by 84 per cent. The increase in production over last year was brought about entirely by increase in acreage. The average 1945 yield per acre for all Burley tobacco is 1,135 pounds per acre, compared with 1,182 pounds per acre in 1944.

Farmers are advised to start plans for chick raising in January.
