### More About -

(From front page)  
**SO THEY SAY**

married on March 16. . . . New store in town—Cooper Brothers Grocery, located next door to Dry Cleaners. More new homes started: The Robert Guinns at Windom, the Lloyd Creamans, opposite the Horace Riddle home, and Frank and Naomi King on lot joining the Riley King property. . . . Certainly happy to know that Mrs. Kate Ray is now at home, and that E. L. Beeson is expected home within a few days. Mrs. Beeson has been home for past ten days and has resumed her teaching at Bee Log high school. Event of the coming week will be the appearance Tuesday of the North Carolina Symphony at Burnsville school. This is a rare opportunity for citizens of this section to hear our own symphony orchestra and much interest is being shown. A word about tickets: All those who contributed to the orchestra fund last year received tickets, and it is the sincere wish of the committee that all these tickets be used. Some of the business firms have extra tickets, and Eleanor Rogers has asked that these tickets be turned in to her as chairman, or they may be left at the Record office. Anyone who does not have a ticket may call her or the Record office and every effort will be made to supply tickets to those who wish to hear the concert. Extra tickets will be on sale at Pollard's Drug Store for \$1.50 but it will not be necessary to purchase one until the supply of tickets from last fall's drive has been exhausted. So . . . if you have extra tickets or you wish to get a ticket call 194 or 43.
