BURNSVILLE - "So They Say"

The weather: It must be "Dogwood Winter". The dogwood is trying to bloom but it's rainy and cold (42 degrees this a. m. Doc Robertson said) which feels very chilly following the summer weather. We're hoping for a quick warm up!

About town: Event of the week was the "Ladies Night" banquet given by the Men's Club on Monday evening! It was a most successful and delightful occasion with over 100 attending, the hotel looking very festive, and fine food as usual there, Dr. Harris most interesting after dinner speaker. The theme song might have been "It was a Lovely Way to Spend an Evening". . . . Another song—that about "Digging a Ditch"—might have applied out at Reece's farm yesterday when the farm agents, etc. demonstrated the latest ditch digging with dynamite. They really seem to have something there! Much quicker, much easier, much cheaper, they say. . . . All in a row next week: Three good pictures at the Yancey—"Trail of the Lonesome Pine", "Sing, Neighbor, Sing" (with Lulubelle and Scotty) and "Week end at the Waldorf". New bus line to Marion via Buck Creek Gap. Jack Riddle started Monday and it will be grand when you wish to get to Marion early in a. m. Schedule will be announced later. . . . Several weddings and engagements of interest! (See page 3). June Murphy home for visit before leaving for Hawaii. . . . Ashton Ramsey back in P. O. after handling the mail in Uncle Sam's Navy for some months. . . . Last year we heard some talk of the Men's Club baseball team. There's a team ready to take 'em on: Swann, Evans, King, Stamey, Evans, Banner, Westall, Banner, Anglin, McMahon and Hamrick (all G. I.s). . . . they're playing soft ball now, and look plenty good. . . . Reminder: Don't forget the P. T. A. meeting next Tuesday night. Covered dish supper.

Don't forget that Friday and Saturday are "Clean up Days"! Let's make our town as attractive as possible and a good clean up is the first step.

Peeling Season

The Best Time To Cut Pulpwood

Plan now to cut and peel as much pulpwood as possible during the season when the sap is up and trees peel easily. Peeled pulpwood prices are substantially above those paid for rough wood.

There are many other advantages to peeling. The cut and peeled log dries out quickly and loses up to half its weight. The smooth, lighter pulpwood sticks are easier to load and handle; you can haul more pulpwood per trip; save time, labor, gasoline and tires.

Your Woodlot Pays Cash Dividends
