Yancey county will join in the national Emergency Food Collection drive on June 3-15.

GARDEN CLUB

The Garden Club met with Mrs. Nancy Allison on May 31st. Before the program, a tour of the garden was made and masses of roses and peonies, of many different varieties, as well as many other blooming plants made it a lovely and fragrant place.

Mrs. D. R. Fouts was program leader and, in the absence of the expected speaker, presented Mrs. V. J. Goodman who spoke most interestingly on rose culture.

During the business session it was voted to give ten dollars to the Emergency Food Relief Fund.

The members and three guests enjoyed a social hour and a sweet course was served by the hostess.
