BURNSVILLE— "So They Say"

The weather: Hot! About town: The best part of any vacation to any spot outside the mountains is getting back home! So say a number of people who went and returned recently. It has been hot here too in the day time but when the sun goes down it's grand! Directors of the art classes which will be held here this summer called to make final arrangements, said the prospects for the classes were fine and that they were looking forward to a pleasant summer here. They'll arrive July 1. . . . Event of the week! The "Serenade" given Billie Marie and James who've returned from their wedding trip. The affair was complete with wheel barrows, hand cuffs and similar paraphernalia, and the honor guests took it all with complete good humor! More of the boys back in town: Bill Fouts, Ralph Hall, Duane Penland, Frank Butler, Harold Harris and Champ McMahan among others. . . . R. L. McIntosh happily celebrated his 5th birthday Saturday. Attractive newcomer: Jo Ellis who will be secretary at the hosiery mill. . . . and attractive visitor, Barbara Russ who's here for several weeks. . . . Hope Bailey will teach music at Southern Pines next year. . . . Robert Maney is already issuing invitation to his Dahlia Show! In past years he's had around 800 or 900 blooms and this year there'll be 2600! They should be at their best about the middle of August so mark that on your calendar. . . . and Lewis Briggs reports that he's already eating beans from his garden! . . .

The U. S. must ship 75 million bushels of wheat in June to complete its commitment of 400 million bushels to famine-stricken countries by July 1.
