4 Ways To Build Bank Credit

1. Confide in your Bank. The more we know about your finances, the more we can help you.
2. Keep your checkbook records carefully so that you won't write checks for a greater amount than you have on deposit. Overdrafts damage your credit. Check your bank statements each month.
3. Meet obligations as agreed. Pay debts at the Bank or elsewhere promptly as agreed.
4. Pay bills on time. This is quite important to good credit standing.
