**BURNSVILLE - "So They Say"**  
The weather: Last week we reported (on Thursday) that winter had arrived at last! This Thursday we report that - suddenly it's spring! Some March wind, plenty of April showers and very warm. And the oft predicted snow still doesn't fall.  
About town: Picture in paper: J. Frank Huskins at Legislative session. Tomorrow night's Ball game: Burnsville vs Micaville on the Micaville court. D. R. Fouts will leave at end of month for Brazil where he'll enter business. Mighty fine country down there, he says. And latest card from Capt. Sam J. Huskins sent from Sweden where he was delivering some airplanes to the Swedish Air Force. Bill Atkins has moved his law office to his new building on west Main Street. and we regret to learn that Frank and Jane Watson will soon move to Spruce Pine. Latest announcement from Burnsville Post Office: The P. O. will close at 1 o'clock on Saturdays. So, you may wait for the afternoon mail to come in on Saturdays but you'll have to get packages, money orders, etc., etc. on other days.

It was with deepest regret that citizens of the county learned of the untimely death of young Paul Tilson. From every report, he was a very fine young man, and his passing was a great shock and a grievous loss to his school, community and church as well as to his family.  
The "March of Dimes" campaign started off most favorably under able direction of Pearl Huskins as county chairman. If the committee fails to contact you at school, in your home or in your place of business, you can make a contribution at a number of places in Burnsville where boxes have been placed. The reports of the work of the Infantile Paralysis Foundation are amazing; for instance, it costs \$5,000 per month to keep a person in an iron lung, and other treatment is additional. Yet this care is available to all who need it - through funds raised by the March of Dimes.  
Anyone interested in having a well bored see Wesley Banks. A man from Hickory will be at his place with equipment for this work.

### AN OPEN LETTER TO THE BURLEY TOBACCO GROWERS:

The Farmers Burley Warehouse of Boone, North Carolina, takes this means of thanking you for your patronage.

Our warehouse was built with your comfort and convenience uppermost in our minds, and it is recognized as one of the most modern and most completely equipped warehouses in the entire burley belt.

It is the duty of each member of our organization at all times to give you prompt service and courteous treatment. Our officers are always available, and are glad to discuss your problems with you.

Operating one house of three in Boone, and getting 6 1/2 sales out of 17 sales thru January 10, 1947, Farmers Burley Warehouse sold 42.8 per cent of the Tobacco sold on the Boone Market, and paid out 44.4 per cent of the money paid out for tobacco, for an average of \$40.458. Naturally we are proud of that record, and we are grateful to our friends who helped us with their patronage and encouragement. At the same time we accept the responsibility which goes with that accomplishment, and we renew our pledge to always be in there fighting for the best interests of the Tobacco growers, and for a bigger and better Boone Tobacco Market.
