Painting Classes Plan Exhibit

Burnsville Painting classes will hold an exhibit this week end, beginning Saturday, August 30 and extending through Monday.

The exhibit will be held in the studio which is located in the Nu-Wray Inn annex, and hours are from 2 to 6 on Saturday and Sunday afternoons and from 10 to 12 a. m. and 2 to 6 p. m. on Monday.

The public is invited to attend the showing.

The painting classes are conducted here in the summer by Frank Stanley Herring of New York and Edward S. Shorter of Columbus, Ga. Landscape portrait and still life painting is taught in oil, water color and pastels.

Forty four students representing 17 states were registered this summer and an average of 25 students attended the classes regularly for the eight-week period.

Aboard USS Marlboro

Wayne V. Riddle, seaman first class, USN, son of Mr. and Mrs. Carlyle Riddle of Pensacola, N. C., is serving aboard the barracks ship USS Marlboro, which is attached to the Florida group of the Atlantic Reserve Fleet, Green Cove Springs, Fla.

The Florida Group, which is engaged in the inactivation of the Navy's reserve ships, is the largest concentration of ships at the largest berthing area in the world. Approximately 500 vessels are berthed at Green Cove Springs in new \$10,000,000 piers.

Enlist in Navy

John Atkins, Jr., of Pensacola and Lee Lewis of Green Mountain enlisted in the Navy recently at the Asheville recruiting station.

OUTSTANDING GUERNSEY BULL COMES TO YANCEY COUNTY

During the past week C. M. Deyton of Green Mtn., purchased one of the most outstanding Guernsey bulls ever to come to Yancey county.

The bull was purchased from Sky Brook Farm in Henderson county, and is a son of Rose Maxem, one of the most outstanding bulls in Henderson county.

This addition to Mr. Deyton's herd makes his herd one of the most outstanding Guernsey herds in Yancey county.

Mr. Deyton was accompanied on the tour in Henderson county by Mack B. Ray, local County FHA Supervisor; Trueman Westmoreland, Henderson county FHA Supervisor and John Holleman, Dairy Specialist. Several of the best Guernsey herds in Henderson county were visited.

It is hoped that through the use of purebred sires from proven herds with outstanding milk production and butterfat records, that the dairy industry in Yancey county will be greatly improved.

Baptist Association

The annual Baptist Associational meeting will be held on August 29 and 30 at Pleasant Grove Baptist church.

Guest speakers will include W. K. McKee of the Baptist hospital, Winston-Salem; Rev. J. C. Pipes of Asheville; L. A. Martin of the Allied Church League; Miss Ruth Provence, State W. M. U. secretary; S. F. Davis, associate of Dr. J. B. Lawrence of Atlanta; Dr. I. G. Greer of the Baptist Orphanage, Thomasville, and a representative of the Foreign Mission Board.

On Friday evening the Bible School Rally will be held and the pageant, "Thy Kingdom Come", will be presented. The Junior and Intermediate memory work will be given and handwork will be judged and winners announced.

Lunch and supper will be served at the church on Friday and lunch on Saturday.

4-H Dairy Cattle Show

The exhibit of 4-H Dairy Cattle of Yancey County, which will consist of around 18 head, will be assembled on the lot at the rear of the Farmers Federation on next Tuesday morning, September 2 from 10 a. m. to 2 p. m.

The animals will then be moved to the Western North Carolina Junior Dairy Show at Asheville. Judging for the Asheville show will be Wednesday morning, September 3 in the new tobacco warehouse located up the Swannanoa River above the Bernard-Walker tobacco warehouses.

The cattle will be assembled here to give local citizens a chance to see them and to give the exhibitors training in showmanship. This is the largest and best exhibit of 4-H dairy animals that county club members have ever had. It will include both Jerseys and Guernseys.

NOTICE

The Board of Commissioners of Yancey County will not meet on Monday, September 1, 1947, because said date is a legal holiday, but will meet on Tuesday, September 2.

E. N. Stamey, Chairman.

Major Bulwinkle Here

BURNSVILLE— "So They Say"

The weather: Very hot for Burnsville—with temperatures going up to the 80's every day.

About town: Work well under way on the Laughrun Clinic building, and Lum and Jessie Clevenger's house looking fine. . . . One thing we've missed: those first, early, grand-tasting grapes that Willie McMahan always brought around.

He's been confined to his home so we don't know whether or not those grapes are ripe yet. . . . Fillmore Young also confined to his home for the past several weeks. . . . First of the "off to college" lists came in—Sybil Lewis, Elora Griffith, Hettie Higgins, Irene Higgins, all to East Tennessee State College. Be sure to let us know the names of other college students. . . . Last presentation this summer. (Continued on page 4)

Mr. and Mrs. B. Frank Kauffman of Fort Worth, Texas are visiting the Roy Duncans of Burnsville, the Dewey Hensleys of Bald Creek and Charles Burton of Asheville. Mrs. Kauffman is the former Miss Laura Branch of Micaville.

Wilma Hall is home from Baltimore to visit relatives and friends at Micaville.

Born to Mr. and Mrs. James Hoover, Jr., of Celso a son, August 25.

Mrs. Ollis Staton is visiting relatives in Wisconsin.

Mrs. Mack B. Ray is in the Biltmore hospital where she underwent an operation last week.

Notice To AAA Farmers

Because of the short corn crop and the likelihood that there will be difficulty in obtaining the usual supply of grain concentrates for livestock feed, the Animal Industry Department at State College is urging all farm operators to plant additional pastures to help carry the livestock through the coming year. A campaign has been started for the early planting of an increased acreage of both permanent and temporary pastures.

In order to encourage the planting of additional pastures, the State Committee has announced the following changes in the amount of minimum assistance which may be approved for a farm:

(a) Payment in excess of the minimum assistance approved for the farm may be made for establishing or improving five acres or less of permanent pasture. Payment will be made for each kind of seed used at the following rates:

Ky. Blue Grass, 80c; Orchard Grass, 15c; Red Top, 20c; Kobe Lespedeza, 14c; Sweet Clover, 16c; Korean Lespedeza, 9c; White Clover, 84c; Ladino Clover, 60c; Alsike Clover, 40c; Common Lespedeza, 17c.

(b) Payment in excess of the minimum assistance ap-

proved for the farm may be made for seeding annual rye grass in accordance with the specifications in the County Handbook, provided the acreage so seeded will be used for pasturing livestock. The rate established for rye grass is 3c per lb. for any farmer participating on the 1947 AAA Program.

In view of the great importance of increasing our pastures to maintain livestock during the coming year, livestock growers of Yancey county should be encouraged to seed permanent and supplemental pastures at an early date.

Baptist Church

The pastor will have as the Sunday morning subject, "The New Birth". A program of special music will be given by the choir.

There will be no evening service but the congregation will attend the community service at the Methodist church.

Polluted Waters May Harbor Virus of Polio

A third precaution among six simple health rules that should be observed during the polio epidemic season is to avoid swimming in polluted waters, the National Foundation for Infantile Paralysis cautions, through its local chapter. While proof of direct infection by this means is lacking, the National Foundation points out that research financed by March of Dimes funds indicates that the virus causing polio is often found in sewage. Consequently, wherever sewage may find its way into waters used for swimming, such waters should be avoided. To be sure, consult your local Health Department. Take no chances and don't swim in waters known to be polluted.
